The History Of Freemasonry Its Legendary Origins:

The History of Freemasonry Albert Gallatin Mackey, 2012-03-07 Written by an expert on the craft this classic traces Freemasonry's origins from biblical times to its practice among America's founding fathers. It also explores philosophical, symbolic, and ritual traditions.

History of Freemasonry Albert Gallatin Mackey, 2009-09 The Fraternal Order of Free and Accepted Masons or Freemasons is one of the oldest institutions in the world. This book tells of the history and traditions both legendary and documented of that august organization. Mackey recounts the various stories that explore Freemasonry's origins ranging from its beginnings with Abraham the Old Testament patriarch to the builders of the Tower of Babel and the Temple of Jerusalem, then moves into more substantially documented history from the Halliwell poem first published in 1390 to the involvement of America's founding fathers in the late 18th century. Illustrates how throughout their history the Masons remained dedicated to the principles of brotherly love, charity, and the search for truth. Illus. *The History of Freemasonry* Albert Gallatin Mackey, 1898

Method Infinite: Freemasonry and the Mormon Restoration Cheryl L. Bruno, Joe Steve Swick III, Nicholas S. Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter-day Saints, the historical influence of Freemasonry on this religious tradition cannot be refuted. Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period, but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted. The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize, let alone fully grasp the relevant issues. Even those with both Mormon and Masonic experience may not be versed in the nineteenth-century versions of Masonry's rituals, legends, and practices. Without this specialized background, it is easy to miss the Masonic significance of numerous early Mormon ordinances, scripture, and doctrines.

Method Infinite: Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days. Smith's firsthand knowledge of and experience with both Masonry and anti-Masonic currents contributed to the theology, structure, culture, tradition, history, literature, and ritual of the religion he founded.

Hope and Fear Ronald H. Fritze, 2022-04-18 A myth-busting journey through the twilight world of fringe ideas and alternative facts. Is a secret and corrupt Illuminati conspiring to control world affairs and bring about a New World Order? Was Donald Trump a victim of massive voter fraud? Is Elizabeth II a shapeshifting reptilian alien? Who is doing all this plotting? In *Hope and Fear*, Ronald H. Fritze explores the fringe ideas and conspiracy theories people have turned to in order to make sense of the world around them, from myths about the Knights Templar and the Ten Lost Tribes of Israel to Nazis and the occult, the Protocols of Zion, and UFOs. As Fritze reveals, when conspiracy theories, myths, and pseudo-history dominate a society's thinking, facts, reality, and truth fall by the wayside.

perplexing text and its fascinating images and demonstrates that the fantasies in The Red Book are not entirely original but that their plots characters and symbolism are remarkably similar to some of the higher degree rituals of Continental Freemasonry It argues that the fantasies may be memories of a series of terrifying initiatory ordeals possibly undergone in childhood using altered or spurious versions of these Masonic rites It then compares these initiatory scenarios with accounts of ritual trauma that have been reported since the 1980s This is the first full length study of The Red Book to focus on the fantasies themselves and provide such an external explanation for them Sonu Shamdasani describes The Red Book as an incomplete task that Jung left to posterity as a message in a bottle that would someday come ashore Answer to Jung brings its message to shore providing a coherent but disturbing interpretation of each of the fantasies and their accompanying images Chapters Chapter 4 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
