100 Bible Verses That Made America Robert J. Morgan, 2020-02-04 Bestselling author Robert Morgan explores 100 Bible verses that powerfully impacted our leaders

during defining moments in American history and reflects upon what these verses mean for us as a nation today 100 Bible Verses That Made America is a tour through the biblical roots of American history a powerful exploration of our country s founders leaders and the critical moments that laid the foundation for the formation of the USA Had there been no Bible there would be no America as we know it It is the Bible that made America When George Washington was sworn into office as our first president he did not place his hand on the Declaration of Independence or the Constitution of the United States as important as those documents are Instead he swore upon and even kissed the Bible to sanctify this important moment The Bible Washington knew had ushered American history to this point While not every Founding Father was a Christian each was knowledgeable about the Bible And while none of them was perfect many embraced a deep faith in the unfailing Word of God 100 Bible Verses That Made America contains Short devotional style chapters each featuring a Bible verse and how it influenced a historical figure Engaging stories spanning from the Mayflower to modern day Vivid segments that emphasize the Bible as the cornerstone of American history Journey with Robert J Morgan as he shares the Bible s role in the defining moments of American history and its impact on the people of our nation reminding us of the beauty of faith and country and reigniting our passion for both The Christian Examiner ,1841 Christian Examiner and Theological Review ,1841

The Christian Examiner and General Review Francis Jenks,James Walker,Francis William Pitt Greenwood,William Ware,1841 *The American Biblical Repository* ,1842 **The Universal Dictionary of Biography and Mythology** Joseph Thomas,2010-01-01 Once considered the largest and most extensive source of biographies in the English language The Universal Dictionary of Biography and Mythology contains information on nearly every historical figure notable name and important subject of mythology from throughout the world prior to the 20th century Spanning all fields of human effort from literature and the arts to philosophy and science and touching on topics from multiple areas of mythological study including Norse Greek and Roman this extraordinary reference guide continues to be one of the most thorough and accurate collections of biographical data ever created Combining mythological and biographical entries into a single comprehensive list and incorporating a unique system of indicating pronunciation and orthography The Universal Dictionary of Biography and Mythology offers readers an unparalleled record of historically significant identities from the obscure and forgotten newsmakers of yesteryear to the highly celebrated shapers of history that remain influential today Volume IV PRO ZYP of this exquisite four volume set includes information on such names as Roman critic and teacher of rhetoric Quintilian Sir Walter Raleigh Italian painter Raphael Socrates English novelist William Makepeace Thackeray Ulysses Leonardo da Vinci Latin poet Virgil American inventor Eli Whitney Xerxes Mormon priest Brigham Young and Zeus as well as sections dedicated to Christian names and disputed or doubtful pronunciations JOSEPH THOMAS 1811 1891 also wrote A Comprehensive Medical Dictionary various pronouncing vocabularies of biographical and geographical names and a system of pronunciation for Lippincott s Pronouncing Gazetteer of the World *The American Pietism of Cotton Mather* Richard F. Lovelace,2007-09-01

Cotton Mather is probably best known for his contributions to the Puritanism of colonial America Yet the subject of this book is Mather s theology of Christian experience usually associated with continental Pietism a dynamic movement of reform and renewal in the Lutheran church Richard Lovelace summarizes the basic thrust of Mather s treatment of spiritual rebirth sanctification pastoral and social ministry the need for spiritual awakening and the effects he believed this awakening should produce in Christianity and the mission of the church In Mather the two great strains of American Evangelical Protestantism Puritanism and Pietism were combined influencing Jonathan Edwards and American religion in general throughout the Great Awakening and subsequent revivals Thus the book is unique in tracing the roots of modern Evangelicalism beyond nineteenth century Arminianism to the seventeenth and eighteenth century blend of Puritan Pietist thought **Benjamin Colman's Epistolary World, 1688-1755** William R. Smith, 2022-06-02 This book tells the story of the Rev Benjamin Colman 1673 1747 one of eighteenth century America s most influential ministers and his transatlantic social world of letters Exploring his epistolary network reveals how imperial culture diffused through the British Atlantic and formed the Dissenting Interest in America England and Scotland Traveling to and living in England between 1695 1699 Colman forged enduring connections with English Dissenters that would animate and define his ministry for nearly a half century The chapters reassemble Colman s epistolary web to illuminate the Dissenting Interest s broad range of activities through the circulation of Dissenting histories libraries missionaries revival news and provincial defenses of religious liberty This book argues that over the course of Colman s life the Dissenting Interest integrated extended and ultimately detached presenting the history of Protestant Dissent as fundamentally a transatlantic story shaped by the provincial edges of the British Empire
