Hidden Power James Cockayne, 2017-10-01 An exploration

of a world in which states and mafias compete in a market for government, and not only states but also some criminal groups make war.

Quarantine! Howard Markel, 2022-03-01 This riveting story of the typhus and cholera epidemics that swept through New York City in 1892 has been updated with a new preface that tackles the COVID-19 pandemic. Winner 2003 Arthur J. Viseltear Prize for Outstanding Book in the History of Public Health, American Public Health Association. In *Quarantine*, Howard Markel traces the course of the typhus and cholera epidemics that swept through New York City in 1892. The story is told from the point of view of those involved: the public health doctors who diagnosed and treated the victims, the newspaper reporters who covered the stories, the government officials who established and enforced policy, and most

importantly the immigrants themselves Drawing on rarely cited stories from the Yiddish American press immigrant diaries and letters and official accounts Markel follows the immigrants on their journey from a squalid and precarious existence in Russia's Pale of Settlement to their passage in steerage to New York's Lower East Side to the city's quarantine islands This updated edition features a new preface from the author that reflects on the themes of the book in light of the COVID 19 pandemic At a time of renewed anti immigrant sentiment and newly emerging infectious diseases Quarantine provides a historical context for considering some of the significant problems that face American society today Charles Evans Hughes Robert F. Wesser, 2018-05-31 When Charles Evans Hughes defeated William Randolph Hearst for the governorship of New York in 1906 the New York State Republican Party was split between the remnants of the rural conservative Platt political machine in Albany and the forces loyal to the progressive energetic President and former New York Governor Teddy Roosevelt Although Hughes owed his nomination largely to Roosevelt's desire to weaken conservative influences the aloof and independent governor's moral idealism and legal experience led him to positions more liberal and unyielding than even Roosevelt could endorse In this thorough study of Hughes's two terms as governor Robert F Wesser depicts the tensions of conservatism and liberalism corruption and moral indignation which rent the state government under his administration Making use of unpublished manuscript collections both personal and organizational and other primary sources Wesser evaluates the strengths and weaknesses of Hughes as a political leader and reformer He shows that despite opposition from his own party Hughes's governorship produced important reform legislation in three areas improvement of the machinery and processes of government extension of the state's regulatory authority over businesses engaged in public services and expansion of governmental police and welfare functions These legislative achievements were supplemented by Hughes's relentless dedication to administrative efficiency which helped shift the focus of New York politics from the legislature and party organization to the office of the governor But not all Governor Hughes's efforts were successful and Wesser carefully analyzes his failures as well as his triumphs including the humiliating defeat at the hands of his own party's bosses in his quest to pass a direct primary voting bill providing a complete portrait of a significant turning point in the history of New York and of the man who undermined some of the very foundations of the old political order First published in 1967 Charles Evans Hughes remains an important work of scholarship on the history of New York and of the Progressive Era more broadly

The Saturday Review of Politics, Literature, Science and Art, 1902 **The Birth of Empire** Evan Cornog, 2000 DeWitt Clinton 1769 1828 was one of the nation's strongest political leaders in the first quarter of the nineteenth century serving as mayor of New York City governor of the state and narrowly losing the Presidential campaign of 1812 to James Madison Patrician in his sentiments Clinton nevertheless invented new forms of party politics His greatest achievement the Erie Canal hastened the economic expansion of the country altered the political geography of the nation set an example for activist government and decisively secured New York City's position as America's first and foremost metropolis While mayor

Clinton's role in founding the city's public school system was only the most significant of his many contributions to learning. An amateur scientist of international renown, he wrote essays on geology, botany, entomology, archaeology, anthropology, and ichthyology. This book relates in vivid detail the biography of one of the most important and most interesting political figures in US history.

The Road to Mobocracy Paul A. Gilje, 2014-06-30 *The Road to Mobocracy* is the first major study of public disorder in New York City from the Revolutionary period through the Jacksonian era. During that time, the mob lost its traditional institutional role as corporate safety valve and social corrective tolerated by public officials. It became autonomous, a violent menace to individual and public good, expressing the discordant urges and fears of a pluralistic society. Indeed, it tested the premises of democratic government. Paul Gilje relates the practices of New York mobs to their American and European roots and uses both historical and anthropological methods to show how those mobs adapted to local conditions. He questions many of the traditional assumptions about the nature of the mob and scrutinizes explanations of its transformation among them: the loss of a single interest society, industrialization, and changes in the workforce, increased immigration, and the rise of sub-classes in American society. Gilje's findings can be extended to other cities. The lucid narrative incorporates meticulous and exhaustive archival research that unearths hundreds of New York City disturbances about the Revolution, bawdy houses, theaters, dogs and hogs, politics, elections, ethnic conflict, labor actions, religion. Illustrations recreate the turbulent atmosphere of the city; maps, graphs, and tables define the spatial and statistical dimensions of its ferment. The book is a major contribution to our understanding of social change in the early Republic as well as to the history of early New York urban studies and rioting.

The American Experiment James MacGregor Burns, 2013-05-21 The Pulitzer Prize-winning author's stunning trilogy of American history, spanning the birth of the Constitution to the final days of the Cold War. In these three volumes, Pulitzer Prize and National Book Award winner James MacGregor Burns chronicles with depth and narrative panache the most significant cultural, economic, and political events of American history. In *The Vineyard of Liberty*, he combines the color and texture of early American life with meticulous scholarship. Focusing on the tensions leading up to the Civil War, Burns brilliantly shows how Americans became divided over the meaning of Liberty. In *The Workshop of Democracy*, Burns explores more than a half-century of dramatic growth and transformation of the American landscape through the addition of dozens of new states, the shattering tragedy of the First World War, the explosion of industry, and in the end, the emergence of the United States as a new global power. And in *The Crosswinds of Freedom*, Burns offers an articulate and incisive examination of the US during its rise to become the world's sole superpower through the Great Depression, the Second World War, the Cold War, and the rapid pace of technological change that gave rise to the American Century.

The Price of Honor M. Barbara Mulrine, 2011-05-31 This biography of George Brinton McClellan Jr., son of the Civil War general, congressman, and mayor of New York, 1904-1910, studies political courage and honor. McClellan was a Tammany Hall Democrat who challenged the boss of Tammany Hall, Charles Francis Murphy, and put principle above party. For his disloyalty

he paid the price of political oblivion Today this important figure in the modernization of the city is hardly remembered because of the power of his enemies This study emphasizes McClellan s six years as mayor but also covers his youth relationship with his father his career as a reporter years as a congressman and his post political career which included his tenure as an economics history professor at Princeton his brief army career during World War I his retirement years in Washington D C and his burial in Arlington Cemetery

Wedding of the Waters Peter L. Bernstein, 2010-08-16 New York Times Bestseller The epic account of how one narrow ribbon of water forever changed the course of American history The history of the Erie Canal is a riveting story of American ingenuity A great project that Thomas Jefferson judged to be little short of madness and that others compared with going to the moon soon turned into one of the most successful and influential public investments in American history In *Wedding of the Waters* best selling author Peter L Bernstein recounts the canal s creation within the larger tableau of a youthful America in the first quarter century of the 1800s Leaders of the fledgling nation had quickly recognized that the Appalachian mountain range was a formidable obstacle to uniting the Atlantic states with the vast lands of the west A pathway for commerce as well as travel was critical to the security and expansion of the Revolution s unprecedented achievement Gripped by the same fever that had driven explorers such as Hudson and Champlain a motley assortment of politicians surveyors and would be engineers set out to build a complex structure of a type few of them had ever actually seen let alone built or operated a manmade waterway cut through the mountains to traverse the 363 miles between Lake Erie and the Hudson River By linking the seas to the interior and the interior to the seas these pioneers ultimately connected the Atlantic Ocean to the Mississippi River Bernstein examines the social ramifications political squabbles and economic risks and returns of this mammoth project He goes on to demonstrate how the canal s creation helped bind the western settlers in the new lands to their fellow Americans in the original colonies knitted the sinews of the American industrial revolution and even influenced profound economic change in Europe Featuring a rich cast of characters that includes political visionaries like George Washington Thomas Jefferson and Martin van Buren the canal s most powerful champions Governor DeWitt Clinton and Gouverneur Morris and a huge platoon of Irish and American diggers *Wedding of the Waters* reveals that the twenty first century themes of urbanization economic growth and globalization can all be traced to the first great macroengineering venture of American history

The History Of Tammany Hall By Gustavus Myers Introduction

In today's digital age, the availability of *The History Of Tammany Hall By Gustavus Myers* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *The History Of Tammany Hall By Gustavus Myers* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *The History Of Tammany Hall By Gustavus Myers* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *The History Of Tammany Hall By Gustavus Myers* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *The History Of Tammany Hall By Gustavus Myers* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *The History Of Tammany Hall By Gustavus Myers* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *The History Of Tammany Hall By Gustavus Myers* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The History Of Tammany Hall By Gustavus Myers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The History Of Tammany Hall By Gustavus Myers books and manuals for download and embark on your journey of knowledge?

FAQs About The History Of Tammany Hall By Gustavus Myers Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The History Of Tammany Hall By Gustavus Myers is one of the best book in our library for free trial. We provide copy of The History Of Tammany Hall By Gustavus Myers in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The History Of Tammany Hall By Gustavus Myers. Where to download The History Of Tammany Hall By Gustavus Myers online for free? Are you looking for The History Of Tammany Hall By Gustavus Myers PDF? This is definitely going to save you time and cash in something you should think about.
