Challenge and Change June M. Benowitz,2017-08-15 Focusing on 1950 1980 June Benowitz explores the development of the right wing women s movements in the United States by analyzing differences and continuities between the generations of conservative activists Benowitz particularly seeks to understand the ways in which grassroots members of the Old Right responded to the political cultural and social ideologies of Baby Boomer youth by constructing a thematic framework covering major issues taken up by woman such as education health morals war and patriotism

Misunderstanding Cults Thomas Robbins,Benjamin David Zablocki,2001-01-01 Misunderstanding Cults provides a uniquely balanced contribution to what has become a highly polarized area of study Working towards a moderate third path in the heated debate over new religious movements or cults this collection includes contributions from both scholars who have been characterized as anticult and those characterized as cult apologists The study incorporates multiple viewpoints as well as a variety of theoretical and methodological perspectives with the stated goal of depolarizing the discussion over alternative religious movements A prominent section within the book focuses explicitly on the issue of scholarly objectivity and the danger of partisanship in the

study of cults The collection also includes contributions on the controversial and much misunderstood topic of brainwashing as well as discussions of cult violence children brought up in unconventional religious movements and the conflicts between alternative religious movements and their critics Unique in its breadth this is the first study of new religious movements to address the main points of controversy within the field while attempting to find a middle ground between opposing camps of scholarship

American Lobotomy Jenell Johnson,2015-01-13 Tracing how the meanings of a barbaric surgical procedure emerged accrued and transformed within medicine and public culture in the U S [Top Secret Government Archives](#) Nick Redfern,2014-12-15 This compelling volume tackles the topic of the classified files that government agencies choose not to release under the terms of the Freedom of Information Act Many of these documents supposedly cannot be found or are Top Secret files that the agencies admit exist but that they have decided to keep the public from seeing The reason for the missing files is to stop the truth about some of the world s greatest conspiracies from ever becoming known such as the Roswell UFO crash the JFK assassination Project MKUltra the CIA s mind control operation and a secret U S base on the moon

Holocaust and Church Struggle Hubert G. Locke,Marcia Sachs Littell,1996 One Market Under God Thomas Frank,2010-02-10 In a book that has been raising hackles far and wide the social critic Thomas Frank skewers one of the most sacred cows of the go go 90s the idea that the new free market economy is good for everyone Frank s target is market populism the widely held belief that markets are a more democratic form of organization than democratically elected governments Refuting the idea that billionaire CEOs are looking out for the interests of the little guy he argues that the great euphoria of the late nineties was never as much about the return of good times as it was the giddy triumph of one America over another Frank is a latter day Mencken as readers of his journal The Baffler and his book The Conquest of Cool know With incisive analysis passionate advocacy and razor sharp wit he asks where we are headed and whether we re going to like it when we get there
