Judging 'Privileged' Jews Adam Brown,2015-05 The Nazis persecution of the Jews during the Holocaust included the creation of prisoner hierarchies that forced victims to cooperate with their persecutors Many in the camps and ghettos came to hold so called privileged positions and their behavior has often been judged as self serving and harmful to fellow inmates Such controversial figures constitute an intrinsically important frequently misunderstood and often taboo aspect of the Holocaust Drawing on Primo Levi s concept of the grey zone this study analyzes the passing of moral judgment on privileged Jews as represented by writers such as Raul Hilberg and in films including Claude Lanzmann s Shoah and Steven Spielberg s Schindler s List Negotiating the problems and potentialities of representing the unrepresentable this book engages with issues that are fundamental to present day attempts to understand the Holocaust and deeply relevant to reflections on human nature

Matters of Testimony Nicholas Chare,Dominic Williams,2015-12-01 In 1944 members of the Sonderkommando the special squads composed almost exclusively of Jewish prisoners who ensured the smooth operation of the gas chambers and had firsthand knowledge of the extermination process buried on the grounds of Auschwitz Birkenau a series of remarkable eyewitness accounts of Nazi genocide This careful and penetrating study examines anew these Scrolls of Auschwitz which were gradually recovered in damaged and fragmentary form in the years following the camp s liberation It painstakingly reconstructs their historical context and textual content revealing complex literary works that resist narrow moral judgment and engage difficult questions about the limits of testimony *Writing the Holocaust* Zoë Vania Waxman,2008-06-26 Arguing against the prevailing view that Holocaust survivors encouraged by a new and flourishing culture of witnessing have come forward only recently to tell their stories Writing the Holocaust examines the full history of Holocaust testimony from the first chroniclers confined to Nazi enforced ghettos to today s survivors writing as part of collective memory Zo Waxman shows how the conditions and motivations for bearing witness changed immeasurably She reveals the multiplicity of Holocaust experiences the historically contingent nature of victims responses and the extent to which their identities secular or religious male or female East or West European affected not only what they observed but also how they have written about their experiences In particular she demonstrates that what survivors remember is substantially determined by the context in which they are remembering

The Last Consolation Vanished Zalmen Gradowski,2024-05-06 A unique and haunting first person Holocaust account by Zalmen Gradowski a Sonderkommando prisoner killed in Auschwitz On October 7 1944 a group of Jewish prisoners in Auschwitz obtained explosives and rebelled

against their Nazi murderers It was a desperate uprising that was defeated by the end of the day More than four hundred prisoners were killed Filling a gap in history The Last Consolation Vanished is the first complete English translation and critical edition of one prisoner s powerful account of life and death in Auschwitz written in Yiddish and buried in the ashes near Crematorium III Zalmen Gradowski was in the Sonderkommando special squad at Auschwitz a Jewish prisoner given the unthinkable task of ushering Jewish deportees into the gas chambers removing their bodies salvaging any valuables transporting their corpses to the crematoria and destroying all evidence of their murders Sonderkommandos were forcibly recruited by SS soldiers when they discovered the horror of their assignment some of them committed suicide or tried to induce the SS to kill them Despite their impossible situation many Sonderkommandos chose to resist in two interlaced ways planning an uprising and testifying Gradowski did both by helping to lead a rebellion and by documenting his experiences Within 120 scrawled notebook pages his accounts describe the process of the Holocaust the relentless brutality of the Nazi regime the assassination of Czech Jews the relationships among the community of men forced to assist in this nightmare and the unbearable separation and death of entire families including his own Amid daily unimaginable atrocities he somehow wrote pages that were literary sometimes even lyrical hidden where and when one would least expect to find them The October 7th rebellion was completely crushed and Gradowski was killed in the process but his testimony lives on His extraordinary and moving account accompanied by a foreword and afterword by Philippe Mesnard and Arnold I Davidson is a voice speaking to us from the past on behalf of millions who were silenced Their story must be shared Literature of the Holocaust Alan Rosen,2013-11-14 During and in the aftermath of the dark period of the Holocaust writers across Europe and America sought to express their feelings and experiences through their writings This book provides a comprehensive account of these writings through essays from expert scholars covering a wide geographic linguistic thematic and generic range of materials Such an overview is particularly appropriate at a time when the corpus of Holocaust literature has grown to immense proportions and when guidance is needed in determining a canon of essential readings a context to interpret them and a paradigm for the evolution of writing on the Holocaust The expert contributors to this volume who negotiate the literature in the original languages provide insight into the influence of national traditions and the importance of language especially but not exclusively Yiddish and Hebrew to the literary response arising from the Holocaust **The Agony of Greek Jews, 1940-1945** Steven B. Bowman,2009-10-07 The Agony of Greek Jews tells the story of modern Greek Jewry as it came under the control of the Kingdom of Greece during the nineteenth and twentieth centuries In particular it deals with the vicissitudes of those Jews who held Greek citizenship during the interwar and wartime periods Individual chapters address the participation of Greek and Palestinian Jews in the 1941 fighting with Italy and Germany the roles of Jews in the Greek Resistance aid and rescue attempts and the problems faced by Jews who returned from the camps and the mountains in the aftermath of the German retreat Bowman focuses on the fate of one minority group of Greek citizens during the war

and explores various aspects of its relations with the conquerors the conquered and concerned bystanders His book contains new archival material and interviews with survivors It supersedes much of the general literature on the subject of Greek Jewry

Inside the Gas Chambers Shlomo Venezia, 2013-12-06 This is a unique eye witness account of everyday life right at the heart of the Nazi extermination machine Shlomo Venezia was born into a poor Jewish Italian community living in Thessaloniki Greece At first the occupying Italians protected his family but when the Germans invaded the Venezias were deported to Auschwitz His mother and sisters disappeared on arrival and he learned at first with disbelief that they had almost certainly been gassed Given the chance to earn a little extra bread he agreed to become a Sonderkommando without realising what this entailed He soon found himself a member of the special unit responsible for removing the corpses from the gas chambers and burning their bodies Dispassionately he details the grim round of daily tasks evokes the terror inspired by the man in charge of the crematoria Angel of Death Otto Moll and recounts the attempts made by some of the prisoners to escape including the revolt of October 1944 It is usual to imagine that none of those who went into the gas chambers at Auschwitz ever emerged to tell their tale but as a member of a Sonderkommando Shlomo Venezia was given this horrific privilege He knew that having witnessed the unspeakable he in turn would probably be eliminated by the SS in case he ever told his tale He survived this is his story Published in association with the United States Holocaust Memorial Museum Also available as an audiobook

Testimonies of Resistance Nicholas Chare, Dominic Williams, 2019-09-01 The Sonderkommando the special squad of enslaved Jewish laborers who were forced to work in the gas chambers and crematoria of Auschwitz Birkenau comprise one of the most fascinating and troubling topics within Holocaust history As eyewitnesses to and unwilling abettors of the murder of their fellow Jews they are the object of fierce condemnation even today Yet it was a group of these seemingly compromised men who carried out the revolt of October 7 1944 one of the most celebrated acts of Holocaust resistance This interdisciplinary collection assembles careful investigations into how the Sonderkommando have been represented by themselves and by others both during and after the Holocaust
