Saxony and Thomas Kempis Ignatius Rules are exegeted in dialogue with contemporary scholars Karl Rahner Hugo Rahner
Piet Penning de Vries Jules Toner and Timothy Gallagher and applied to one study of ecclesial ethics in the narrative theology

describing distinctive Methodist doctrines found in the Other Beliefs Finally Southern Methodist particulars are articulated and discussed

Kendall,2014-01-07 The Holy Spirit Greater than your theology bigger than denominations beyond all we can imagine God s gift to the church and to you Debate about the Holy Spirit has been around for a long time In Holy Fire best selling author and respected theologian R T Kendall sets the record straight about the Holy Spirit s role in our lives and in the life of the church If you want to increase your knowledge of this most misunderstood member of the Trinity or if you long to experience His presence in your life in a deeper way than ever before this book is for you Are you charismatic He is bigger than your signs and wonders events Are you Reformed He will not be limited by your theology As Jesus said of the Holy Spirit He blows where He will *Church, Identity, and Change* David A. Roozen,James R. Nieman,2005-05-02 Since colonial days religious

work in American has happened through denominations At least since the start of the twentieth century these religious bodies consisted of a fairly tight intra denominationally connected system of congregations regional judicatories and national offices This system was the product of more than two centuries of consolidation among Americanbs historic immigrant and indigenous churches The vast majority of these structures are still in place retain some semblance of internal coherence have considerable social and religious significance and will be with us for the foreseeable future Nevertheless the stresses upon them today clearly indicate that they are entering an unsettled period of transition The purpose of this book is to examine the national structures of eight diverse Protestant denominations as a part of that shift The frame of this study is the relationship between the theological and organizational nature of national denominational structures as they adapt to the changing situation of the twenty first century **Confessing the Triune God** Daniel Castelo,2014-07-21 At the heart of Christian

witness is the confession of the triune God Confessing the Triune God seeks to extend a conversation on Christianity s first article by way of locating Trinitarianism in the life of the worshipping faithful It does so through an ongoing dialectic between broad and particular confessional lines Its breadth is constituted by an ongoing assessment of ecumenical consensus and scholarly debates related to Trinitarianism its repeated framing stems from and returns to the Wesleyan and Methodist family of traditions In this way Christian commitments regarding the Trinity can be depicted for their wide appeal as well as their particular logic within a specific worshipping community The work seeks to guide readers through a process of growing awareness of how the dogma of the Trinity is central to all that Christians say do and hope to be **A Living Tradition** Dr.

Mary Elizabeth Mullino Moore,2013-09-17 This book engages in a critical recovery and reconstruction of the Wesleyan theological legacy in relation to current theological concepts and Christian practices with the intent to present opportunities for future directions The contributors address urgent questions from the contexts in which people now live particularly

questions regarding social holiness and Christian practices To that end the authors focus on historical figures John Wesley Susanna Wesley Harry Hoosier and Richard Allen historical developments such as the ways in which African Americans appropriated Methodism and theological themes such as holistic healing work and vocation and prophetic grace The purpose is not to provide a comprehensive historical and theological coverage of the tradition but to exemplify approaches to historical recovery and reconstruction that follow appropriately the mentorship of John Wesley and the living tradition that has emerged from his witness Contributors W Stephen Gunter Richard P Heitzenrater Diane Leclerc William B McClain Randy L Maddox Rebekah L Miles Mary Elizabeth Mullino Moore Amy G Oden and Elaine A Robinson
