## **The Holy Spirit Knowing Our Comforter We Believe Basics Of Christianity:**

**The Basics of Christian Belief** Joshua Strahan, 2020-05-19 This reader friendly yet robust introduction to the Christian faith explores the essentials of Christianity and the impact they have on life worldview and witness Written in an accessible and engaging voice for college age readers the book connects the biblical plotline the Apostles Creed the comparative distinctiveness of Christianity and life s big questions The author shows how the Christian metanarrative speaks to questions about purpose worth ethics personhood and more and helps readers understand what it means to be a Christian in a post Christian world

**The Holy Spirit** Max E. Anders, 1995 Many Christians desire to know and understand the Holy Spirit personally This book offers such understanding about the third person of the Trinity and helps believers grow in their relationship with Him

**Foundations of our Faith** B. Lightsey, 2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God s Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God s people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled *Doctrine for Dummies* is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine

**The Christian Life**, 1880 *Do We Believe?* John Allan Hedderwick, 1904

**Last Letters to Christian** Douglas A. Weigent, 2022-10-20 The purpose of this book is to share the great work that God does in our souls for eternal life We are always on a journey outlined and empowered by the love of God He provides the spiritual fountain we drink from to be like Christ For the new creation we are transformed into the image of Jesus God builds into our lives the fruit of His own Spirit The discussion of God s attributes in these letters allows the comparison to be made between the transfiguration of our hearts and the reflection of His image We are not gods but we can be godly I include letters on God s power wisdom and providence proving that only God is able to do this heart work I

include letters on the fruit of the Spirit for patience goodness faithfulness freedom and holiness establishing our reflection of God's handiwork In God's time and way He brings us to places in our lives where we experience and better understand His goodness
