## **The Home Place A Memory And A Celebration:**

**The Home Place** Robert Drake, 1998 In this joyous reminiscence of a small town boyhood in West Tennessee Drake reflects upon his family's origins flowering and eventual decline and ponders the meaning of their lives It is a story with which many a Southerner who has grown up in twentieth century America will readily identify As a chronicle in microcosm of the gradual disintegration of the traditional extended family that has taken place all across the country in this turbulent century it speaks to modern humankind everywhere Drake concludes that the old tales about the home place were what held the family together long after the place itself was gone The Drakes were rooted in the goodness of God and the joy of the Lord The gift they had been given a happiness based ultimately on love and joy in all God's creation they in turn passed on to their family and all who came in contact with them History and geography also helped give the Drakes their identities they knew who they were because they knew where they were and when they were with no alienation from either time or place Their lives were thus whole and full Their home their family their community were all very real entities nourishing and sustaining the individual member while giving him a sense of belonging to something greater than himself They gave order and meaning to his life The times have changed but who can say that the world of the Drakes is any less meaningful to us today Perhaps the memories of that world constitute a rebuke to our frenetic lives But perhaps the legacy of their lives their times and above all their great love can still exert its healing power on modern generations For the Record Robert Drake, 2001 More than just a collection of stories and essays by beloved writer Robert Drake *For the Record* A Robert Drake Reader is an introduction to the craft and art of short story writing as the stories are accompanied by analyses of Drake as a short story writer and essayist **My Sweetheart's House** Robert Drake, 1993 *The Picture Frame, and Other Stories* Robert Drake, 2000 In this book of stories most never before published Robert Drake has written his most poignant collection thus far With the theme of the picture frame Drake has included people places and events of a most recent past Crowded in the picture are unforgettable images of memory and grace love and remorse But more than the characters and the subjects of the story the draw of this collection is once again Drake's use of language The language is the language of the South It is the language of humanity While the stories look back they do so without regret They were great times but so is the present From the town of Woodville to St Mark's Square in Venice Drake's powerful language draws the reader not only into the book but also into the photographs *Southern Writers at Century's End* Jeffrey J. Folks, James A. Perkins, 2021-12-14 Since the end of World War II the South has experienced a greater awareness of growth and of its accompanying tensions than other regions of the United States The rapid change that climaxed with the war in Vietnam the Cold War civil rights demonstrations and Watergate has forced the traditional South to come to terms with social upheaval As the essays collected in *Southern Writers at Century's End* point out southern writing since 1975 reflects the confusion and violence that have characterized late twentieth century public culture These essays consider the work of twenty one of the foremost southern

writers whose most important fiction has appeared in the last quarter of this century As the region s contemporary writers have begun to gain a wide audience critics have begun to distinguish what Hugh Holman has called the fresh the vital and the new in southern literary culture Southern Writers at Century s End is the first volume to take an extensive look at the current generation of southern writers Authors considered include James Lee Burke Fred Chappell Robert Drake Andre Dubus Clyde Edgerton Richard Ford Kaye Gibbons John Grisham Barry Hannah Mary Hood Josephine Humphreys Randall Kenan Richard Marius Bobbie Ann Mason Cormac McCarthy Tim McLaurin T R Pearson Lee Smith Anne Tyle r Alice Walker and James Wilcox *Genealogies in the Library of Congress* Marion J.
