The Homeless Mother Of Two:

The Homeless Mother of Two Dieudonné Mayi, 2003 **A Mother's Tribute to Two Sons** Sangeeta (vainu) Airi, 2023-05-02 When we lose a loved one especially a child the grief can be overwhelming Depression sinks in Without an outlet it can be impossible to climb back to the light For anyone who is grieving A mother's tribute to two sons can be the outlet you need to remember that you are not alone This book of poetry was written in the loving memory of both the author's human son Lakshay and her pet son Milo Though they were lost in an accident their souls continue on and so they are not truly gone This book chronicles the author's journey to that understanding going through depression memories acknowledgement and the loneliness she felt trying to make herself strong All profits from the sales of this poetry collection go to support the Lakshay Foundation which helps animals and supports homeless shelters Nowhere to Call Home: Volume Two Leah Denbok, Tem Denbok, 2018-08-28 This book continues where my first book left off with forty photographs and stories of people experiencing homelessness It is a part of my ongoing mission begun with volume one to change the general public's perception of those experiencing homelessness So often as I stated in my first book they are viewed as subhuman creatures or a lower order of being than human Through my photographs and stories I am trying to humanize them to help the general public see that apart from the unfortunate circumstances in which these people find themselves they are no different than you and I I am heartened that judging from the comments that my first book has received from people around the world my work seems to be having this effect All royalties from this book will be given to Home Horizon Transitional Support Program *Families in Crisis* United States. Congress. House. Select Committee on Children, Youth, and Families, 1984 **The Fastest Pen of the West [Part Two]** Albino Galuppini, 2018-12-21 This is a biography of Bill Kaysing 1922 2005 author of the important book *We never went to the Moon* It tells the whole story of a writer with a very unusual alternative lifestyle After working for Rocketdyne Kaysing became a whistleblower regarding the Apollo Space Programme He completely changed his lifestyle to become a nonconformist and began to live a life which many free thinkers might envy He lived outside the constraints of the society that most of the rest of us live in While living in California he became quite infamous all over the world as the father of the controversial theory of the Moon landing hoax His extraordinary story is one that gives a fascinating glimpse into certain parts of American society and one that will shake the conscience of any reader who is not aware of the machinations of US corporations and government **New York Court of Appeals. it all Teodora was a woman who strived to feed and protect her children under very severe conditions and she did so with sheer survival mode determination integrity prayer and perseverance These are Teodora s thoughts concerning her children and what they lived through Teodora and her daughters Nadia and Lucy were survivors and witnesses to the Holodomor and the Holocaust Teodora wrote her memoir to document that these events took place and most importantly to validate that the people she knew and lost would never be forgotten Teodora s daughter Nadia Werbitzky was haunted her entire life by what she had experienced As a professional artist Nadia used a paintbrush to express her thoughts Nadia understood the importance of her mother s manuscript memories shared by both mother and daughter Nadia painted feverishly in the last years of her life so that her story would not perish with her
