

*Member of the Order of the
British Empire*

The Honours System

Ed Owens

The Honours System:

The Honours System Michael De-la-Noy, 1985 *The Honours System* Great Britain: Parliament: House of Commons: Public Administration Select Committee, 2012-08-29 The evidence is still that honours are more likely to be awarded to civil servants and celebrities than to people who volunteer in their local community The Committee heard that the process of awarding honours remains opaque even to the Queen's representatives in the counties the Lords Lieutenant PASC calls for an increase in the proportion of people receiving honours for work in their local community rather than to those who are awarded for their work as civil servants and in the wider public sector This report sets out proposals to increase accountability and transparency and strengthening the link to the Monarch These include the introduction of an independent Honours Commission to consider nominations a repeat recommendation from the last parliament that the Prime Minister's strategic direction over the honours system be removed a rebalancing of the proportion of honours awarded to civil servants and public sector workers and volunteers in their local communities that longer citations should be published explaining the reason for awarding an honour that the Lords Lieutenant should have an opportunity to consider and comment on all nominations for an honour within his or her lieutenancy and that the Cabinet Office set out proposals for broadening the range of people who take up roles as independent members of the honours committees The Committee also recommends considering the decision to strip Fred Goodwin of his knighthood that the Honours Forfeiture Committee be made independent and transparent with clear and expanded criteria for forfeiture chaired by an independent figure such as a retired high court judge **The Orders of Knighthood and the Formation of the British Honours System, 1660-1760**

Antti Matikkala, 2008 Sheds considerable new light on the nature development and functions of the orders in a key phase of their history and goes a long way to explaining how such archaic institutions could flourish in a culture that is commonly thought anti traditional and especially hostile to the middle ages Professor JONATHAN BOULTON University of Notre Dame This is the first comprehensive study to set the British orders of knighthood properly into the context of the honours system by analysing their political social and cultural functions from the Restoration of the monarchy to the end of George II's reign It examines the revival of the Order of the Garter and the proposals to establish the Orders of the Royal Oak and the Esquires of the Martyred King at the Restoration the foundation 1687 and the revival 1703 4 of the Order of the Thistle as well as the foundation of the Order of the Bath 1725 It establishes just how central a part the orders played in the British high political life and its comprehensive and multidimensional approach carefully contrasts the idealistic discourse of virtue and honour to the real workings of the honours system it also makes the case for the Chivalric Enlightenment The orders over the water the Garter and the Thistle conferred by the Jacobite claimants are discussed for the first time in the context of the established British honours system Overall the comparison between the socially very restricted British and the increasingly meritocratic Continental orders highlights the isolation of the British honours system from the European tendencies **The Canadian**

Honours System Christopher McCreery, 2015-11-28 This updated full colour illustrated book recounts the history of Canada's various national orders decorations and medals This expanded and updated edition of The Canadian Honours System surveys the history of Canada's various orders decorations and medals from New France's Croix de St Louis Britain's the Order of the Bath to modern Canadian honours such as the Sacrifice Medal and recently created Polar Medal Since the establishment of the Order of Canada in 1967 the Canadian honours system has grown to become one of the most comprehensive in the world with more than 300 000 Canadians having been rewarded over the past fifty years Each honour in the modern Canadian honours system and its precursor the British imperial honours system is examined here in detail including historical background design and criteria for bestowal With special chapters on heraldry protocol and the proper mounting and wearing of medals The Canadian Honours System is an essential reference for anyone interested in Canadian honours

From Servants of the Empire to Everyday Heroes Tobias Harper, 2020-02-13 In the twentieth century the British Crown appointed around a hundred thousand people military and civilian in Britain and the British Empire to honours and titles For outsiders and sometimes recipients too these jumbles of letters are tantalizingly confusing OM MBE GCVO CH KB or CBE Throughout the century this system expanded to include different kinds of people while also shrinking in its imperial scope with the declining empire Through these dual processes this profoundly hierarchical system underwent a seemingly counter intuitive change it democratized Why and how did the British government change this system And how did its various publics respond to it This study addresses these questions directly by looking at the history of the honours system in the wider context of the major historical changes in Britain and the British Empire in the twentieth century In particular it looks at the evolution of this hierarchical deferential system amidst democratization and decolonization It focuses on the system's largest and most important components the Order of the British Empire the Knight Bachelor and the lower ranks of other Orders By creatively analysing the politics and administration of the system alongside popular responses to it in diaries letters newspapers and memoirs Tobias Harper shows the many different meanings that honours took on for the establishment dissidents and recipients He also shows the ways in which the system succeeded and failed to order and bring together divided societies

From Servants of the Empire to Everyday Heroes Tobias Harper, 2020-02-13 In the twentieth century the British Crown appointed around a hundred thousand people military and civilian in Britain and the British Empire to honours and titles For outsiders and sometimes recipients too these jumbles of letters are tantalizingly confusing OM MBE GCVO CH KB or CBE Throughout the century this system expanded to include different kinds of people while also shrinking in its imperial scope with the declining empire Through these dual processes this profoundly hierarchical system underwent a seemingly counter intuitive change it democratized Why and how did the British government change this system And how did its various publics respond to it This study addresses these questions directly by looking at the history of the honours system in the wider context of the major historical changes in Britain and the British

Empire in the twentieth century In particular it looks at the evolution of this hierarchical deferential system amidst democratization and decolonization It focuses on the system s largest and most important components the Order of the British Empire the Knight Bachelor and the lower ranks of other Orders By creatively analysing the politics and administration of the system alongside popular responses to it in diaries letters newspapers and memoirs Tobias Harper shows the many different meanings that honours took on for the establishment dissidents and recipients He also shows the ways in which the system succeeded and failed to order and bring together divided societies *The Beginner's Guide to Canadian Honours* Christopher McCreery,2008-07-01 This book examines honours that are presented by the governor

general on behalf of the Queen meaning official awards from the government of Canada **A Constitution for the Common Good** W Elliot Bulmer,2024-08-19 If Scotland has voted YES on 18 September how can a written Constitution be good for the people of Scotland If Scotland has voted NO how could a new Constitution protect and enhance Scottish democracy within a restructured UK Whether YES or NO a reconstituted Scotland is possible and good for all its citizens Nearly every democracy in the world is built upon a written constitution and constitutions have been at the core of citizens demands for better governance in places as disparate as Kenya Tunisia and Ukraine With the Scottish National Party promising a written constitution in the event of a YES vote and other parties suggesting other possible options for constitutional change in the event of a NO vote constitutional change looks certain to remain central to the political agenda in Scotland for some time to come But what is a constitution for Is it a defensive charter to protect the basic structures of democratic government or is it a transformative covenant for a better society How can the Constitution sustain democracy and promote ethical politics while at the same time recognising and accommodating differences in society What difference would a good Constitution make to the poor How can the Constitution help ensure that the common good of the citizenry prevails over private vested interests In addressing these questions this book sets out a vision for how Scotland could reconstitute itself It emphasises the connection between the constitution democracy and the common good arguing that democratic self government is the true prize regardless of the relationship of Scotland to the rest of the UK This book not only makes a vital contribution to Scotland s current and on going constitutional debate whatever the outcome in September 2014 but also engages with fundamental questions of constitutionalism and democracy that are of enduring relevance to both citizens and scholars around the world Sovereignty, Power, Control John Edmond McLeod,2023-07-31 Between 1916 and 1947 power structures in present day Gujarat were determined by three political factors the princes of these states of Western India the nationalist politicians and the British paramount power This book pictures the patterns of interaction between the three agents The author first defines the interests of the three parties In several case studies it becomes clear how their relationship was shaped by the typical pursuit of sovereignty by the rulers power by the politicians and control by the British Essential topics such as the princes right to collect duty on imported goods the debate over the tiny states in the

Gujarat the British policy towards youthful princes and the honours system are carefully explored This thorough study offers the opportunity to gain a clear understanding of the mechanics of political interaction in princely India This is the first major scholarly contribution to an until now largely ignored field of interest *The Order of Canada* Christopher McCreery,2005-01-01 In 1966 a project to create a national honour for Canadians was begun The first recipients of the Order of Canada were announced a year later and in the nearly forty years since the Order has become a symbol familiar to and respected by people from across the country The spirit that motivates the Order of Canada celebration inclusion and democracy was born of the memories of Canada s earlier experience with honours From initial distrust and misunderstanding to the awakening of a national identity the development of the Order reflects the relationship Canadians have with their country their government their culture and their heroes The Order itself is a product of national identity politics and history reflected by the significance of its recipients accomplishments Indeed the Order s history is as fascinating as the more than 4000 Canadians who have received it This first book length history of the Order of Canada and first major work on Canadian honours by Christopher McCreery is a celebration of the Order and a close examination of its unique design and various early incarnations McCreery provides both a history of the Order s beginnings and a more general overview of trends in Canadian honours Extensively illustrated with never before published photographs *The Order of Canada Its Origins History and Developments* pays tribute to the individuals who felt the need for a system of recognition for Canadians *Executive Power* Robert Hazell,Timothy Foot,2022-11-03 This book considers the function of the royal prerogative in the changing landscape of the British constitution It explains each of the prerogative powers in separate chapters It clarifies the respective roles of government Parliament and the courts in defining the extent of prerogative powers and in regulating their use It also looks at which powers should be codified in statute which should be regulated by convention and which could be left at large The book is very timely in contributing to current debates The fevered parliamentary debates over Brexit thrust the prerogative centre stage Recent controversies have ranged from the role of Parliament in assenting to treaties to the prorogation and dissolution of Parliament to the grant or withholding of royal assent to bills In their 2019 election manifesto the Conservative Party stated that After Brexit we also need to look at the broader aspects of our constitution the relationship between the Government Parliament and the courts the functioning of the Royal Prerogative The book covers the whole range of prerogative powers from going to war and ratifying treaties appointing and dismissing ministers regulating the civil service and public appointments to the grant of honours and pardons and the issue of passports Its 19 chapters provide a comprehensive guide to the operation of the prerogative past present and future together with suggestions for reform *The Crisis of Conservatism* E.H.H. Green,2005-08-10 *The Crisis of Conservatism 1880 1914* offers a new interpretation of Conservative politics in the period 1880 1914 and comes to the startling conclusion that but for the intervention of the First World War there may well have been a Strange Death of Tory England *The Work and Lives of Teachers in China* Qing

Gu,2014-10-30 By bringing together a distinguished group of scholars who have deep extensive and complementary knowledge and expertise of the Chinese education system *The Work and Lives of Teachers in China* engages in detailed discussions on contemporary issues about teachers and teaching in China It locates teachers work and lives in a critical analysis of the political socio cultural ideological and educational reform contexts and through this demonstrates how teachers in different professional life phases and in different schools are able to retain their vocational strength and commitment for learning and development Using rich illustrations from real teachers in real primary and secondary schools this book represents a collection of scholarly writings which build research and practice informed new knowledge about the nature of teachers work and lives in China Through these comprehensive case studies the book illustrates to policy makers head teachers and training and development organisations the importance of sustaining teachers commitment and wellbeing in their efforts to improve quality and standards in today s Chinese schools *The Work and Lives of Teachers in China* provides valuable insight for policy makers educators researchers teachers and students in education and beyond

The New Cambridge Medieval History: Volume 4, C.1024-c.1198, Part 2 Rosamond McKitterick,David Abulafia,C. T. Allmand,1995 The fourth volume of *The New Cambridge Medieval History* covers the eleventh and twelfth centuries which comprised perhaps the most dynamic period in the European middle ages This is a history of Europe but the continent is interpreted widely to include the Near East and North Africa The volume is divided into two parts of which this the second deals with the course of events ecclesiastical and secular and major developments in an age marked by the transformation of the position of the papacy in a process fuelled by a radical reformation of the church the decline of the western and eastern empires the rise of western kingdoms and Italian elites and the development of governmental structures the beginnings of the recovery of Spain from the Moors and the establishment of western settlements in the eastern Mediterranean region in the wake of the crusades

Fifty Years Honouring Canadians Christopher McCreery,2017-01-07 Over the past fifty years more than 6 000 Canadians have been appointed to the Order of Canada This illustrated history traces the Order s origins along the way explaining how the merit based honour got its familiar snowflake insignia Replete with gorgeous illustrations this book provides an accessible window into our national honour

Canada's Deep Crown David E. Smith,Christopher McCreery,Jonathan Shanks,2021-12-23 *Canada's Deep Crown* looks at the role of the Sovereign from the perspective of political science history and law to assess its role and influence in respect to how Canadians govern themselves

Information Rights Philip Coppel KC,2023-09-21 An essential addition to the bookshelf of any practitioner who has to consider information rights however often The book is the best kind of practitioner text practical and clear but also scholarly thoughtful and analytical Sarah Hannett KC *Judicial Review* Retaining the position it has held since first publication this is the 6th edition of the leading practitioner text on all aspects of information law The latest edition includes a substantially enlarged set of chapters on appeals enforcement and remedies as well as covering over 250 new judgments and decisions

published since the last edition Information Rights has been cited by the Supreme Court Court of Appeal and the Tribunals and is used by practitioners judges and all those who practise in the field including journalists The new edition maintains its style of succinct statements of principle supported by case law legislative provisions and statutory guidance The work is divided into 2 volumes Volume 1 is a 1 500 page commentary with a comprehensive coverage of the data protection regime freedom of information and environmental information law as well as other rights of access to official information such as local government legislation and the Public Records Act There is detailed coverage of appeal and regulatory procedures Volume 2 comprises extensive annotated statutory material including the DPA 2018 the UK GDPR FOIA Tribunal rules and statutory guidance Contributors James Findlay KC Olivia Davies John Fitzsimons Richard Hanstock and Dr Christina Lienen all of Cornerstone Barristers Antony White KC Sarah Hannett KC Sara Mansoori KC and Aidan Wills all of Matrix Chambers Aidan Eardley KC and Clara Hamer both of 5RB Rupert Bowers KC and Martin Westgate KC both of Doughty Street Chambers Henry King KC and Bankim Thanki KC both of Fountain Court Chambers James Maurici KC and Jacqueline Lean both of Landmark Chambers Gemma White KC Blackstone Chambers Oliver Sanders KC 1 Crown Office Row Saima Hanif KC 3VB Jennifer Thelen 39 Essex Chambers and Simon McKay McKay Law *The Maple Leaf and the White Cross* Christopher McCreery, 2008-07-21 As a foundation of the Order of St John St John Ambulance has been providing first aid training programs in Canada for the past 125 years From the sweatshops of the Victorian era and military hospitals of the First World War to a modern day volunteer organization devoted to the service of humanity this history recounts the remarkable story of the Order s contribution to our country and those who made it possible With connections to the hospitaller work of the Order of St John in the tenth and eleventh centuries the Order of St John finds its modern roots in the English revival of this charitable work in 1831 The 1883 establishment of the Order of St John in Canada signalled the beginning of a long and distinguished history of service to Canadians and people around the globe As a nationwide volunteer organization involving more than 25 000 Canadians St John Ambulance continues to be the principal provider of first aid training in Canada

After Elizabeth Ed Owens, 2023-09-14 The British monarchy has been through turbulent times of late Rocked by scandal and strife and without it seems a clear plan for the future following the death of Queen Elizabeth II we have been left wondering what happens next Nothing seems certain Will the monarchy survive with its continuing echoes of an Imperial past Will young people disenchanted with the political status quo find the ritual and practice of the monarchy quite so mesmerising as previous generations have done What might a republican Britain look like Ed Owens argues that the monarchy must embrace reform and transform itself radically No more private jets while preaching about the importance of the environment no more secrecy obscuring royal influence in high places and no more hangers on enjoying grace and favour homes A major slimming down is essential And it s time the family archives were opened All these issues will have a direct effect on the common good of the nation as it tries to reinvent itself as a modern working democracy and endeavours to equip

itself for the coming decades Ed Owens situates this critical moment of royal transition in its historical context in order to set out a vision for monarchy that is future proof but which would also see the crown play an integral role in the evolution of 21st century Britain Corruption and Misuse of Public Office Colin Nicholls QC,Timothy Daniel,Alan Bacarese,John Hatchard,2011-09-29 This book provides a comprehensive and detailed analysis of the law relating to corruption and misuse of public office including specialist issues such as whistleblowing This new edition covers major developments in the area since the publication of the first edition and includes full coverage of the Bribery Act 2010
