**The Hound of Heaven** Francis Thompson,1911      The Hound of Heaven Francis Thompson,2019-11-21 The Hound of Heaven has been called the greatest ode poem in the English language Such was the contemporary verdict of some of the most respected critics of the time and the conviction of its justness deepens with the passing of years Recall the writers of great odes Milton Dryden Pope Gray Collins Wordsworth Keats Shelley Coleridge the best they have done will not outstare the Hound of Heaven Where shall we find its equal for exaltation of mood that knows no fatigue from the first word to the last The motion of angelic hosts must be like the movement of this ode combining in some marvellous and mysterious way the swiftness of lightning with the stately progress of a pageant white with the blinding white light of an awful Presence      The Hound of Heaven and Other Poems Francis Thompson,1978-06-01      **The Hound of Heaven** Francis 1859-1907 Thompson,Stella Ill Langdale,2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **The Hound of Heaven** Brian Oxley,Sally Oxley,Sonja Peterson,Devin Brown,2015-05-12 When Jesus told his followers how much we all need God s love it was not a theological treatise Instead he told a story There once was a man who had two sons The simplicity of this famous parable belies some richly profound truths The story Francis Thompson tells in his classic poem The Hound of Heaven works in exactly this way stirring our hearts with a yearning we may not fully understand Something comes through the poem that we cannot quite put our finger on This book actually contains two versions of the poem the original and a modern adaptation Despite the depth and beauty of the poem it is written in a vernacular difficult to understand Our rationale for the adaptation of this masterpiece is to reveal its timeless beauty and insights for a broad modern audience      **Illuminating Lives: The Hound of Heaven** , Features a poem The Hound of Heaven by a British poet Francis Thompson 1859 1907 Notes that it forms part of Illuminating Lives a biography series compiled by Beth Randall      **The Hound of Heaven** Francis Peter LeBuffe,1921      *The hound of Heaven [a poem]*.
