

The House Of Tara

Eugene O'Curry

The House Of Tara:

The Speakership of the House of Lords Great Britain: Parliament: House of Lords: Select Committee on the Speakership of the House,2005-12-19 The Committee's report considers the future arrangements for the Speakership of the House in the light of the Government's intention to reform the office of Lord Chancellor Issues discussed include the self regulation system used in the Lords and the arguments for and against having a Commons style post of Speaker functions within and outside the Chamber using a system based on appointment or election and title salary accommodation and other administrative support issues

already has an unruly teenage daughter but that doesn't stop her and her younger lover Toby from wanting a child together Their relationship may look like a cliché but despite the news from her doctor that she no longer has any viable eggs Shyama's not ready to give up on their dream of having a baby So they decide to find an Indian surrogate to carry their child which is how they meet Mala a young woman trapped in an oppressive marriage in a small Indian town from which she's desperate to escape But as the pregnancy progresses they discover that their simple arrangement may be far more complicated than it seems In *The House of Hidden Mothers* Meera Syal an acclaimed British actress and accomplished novelist takes on the timely but underexplored issue of India's booming surrogacy industry Western couples pay a young woman to have their child and then fly home with a baby an easy narrative that ignores the complex emotions involved in carrying a child Syal turns this phenomenon into a compelling thoughtful novel already hailed in the UK as rumbustious confrontational and

ultimately heartbreaking Turn s the standard British Asian displacement narrative on its head The Guardian Compulsively readable and with a winning voice The House of Hidden Mothers deftly explores subjects of age class and the divide between East and West

The House of Getty Russell Miller,2011-09-28 The true story of the Getty family as featured in the TV series Trust and the movie All the Money in the World Boardroom battles sex money drugs power crime tragedy and family intrigue at the centre stands the figure of John Paul Getty the grandfather an eccentric oil billionaire believed to have been the richest man in the world Married and divorced five times he had five sons and yet was cheated of his dearest ambition to found an oil dynasty His angelic youngest son died at age twelve after years of illness Of the remaining four sons three proved to be hopeless businessmen and one by one dropped out of Getty Oil Only one had the talent to take the helm of the family business and he was groomed for the part And then he killed himself With his cherished hopes of a family dynasty crushed John Paul built a magnificent museum as a monument for all time to his success But money tainted even his philanthropy the Getty Museum has become feared for its wealth and ability to pillage the art market In the manoeuvring that followed John Paul s death Getty Oil was sold Texaco acquired it for 9 9 billion the biggest corporate takeover in history Award winning journalist and writer Russell Miller brings us the extraordinary and often disturbing story of a unique American family From the pioneering days in the Oklahoma oil fields to the bitter struggles over Getty Oil we follow the rise and fall of three generations all cursed with the Midas touch
