Emmanuel Lane, 2010-03-31 Prayer is a communication between God and man this means that just when you meet together in a room praying the room turns from being a normal place to being a House for God God enthrones as King of the meeting Hallelujah Gods desire is to head His house no matter how small you see it Dont look down on the ministry you are doing whether in the church or at home or elsewhere Wherever you meet to call on the name of the Lord is your house of prayer You can look through church history till today and it will amaze you that most ministries started with two or three people whether family members or co workers or just friends This is because they met as just friends or family but with God as the owner of the house House of Disciples Michael H. Crosby, 2004-01-28 The household was the basic unit of the early church it also constituted the basic unit of political economy until the Industrial Revolution This richly detailed work uses the notion of house as a unifying theme establishing the identity and concerns of the early Christian churches What emphases did Matthew s gospel have for that audience which Crosby establishes was urban based and prosperous and what does it mean to First World Christians today Through an in depth exploration of Matthew s gospel and its socioeconomic milieu House of Disciples shows how the world of the early church continues to challenge Christians nineteen hundred years later It makes a unique contribution to both New Testament scholarship and the practice of a contemporary spirituality *The*
