The Household Cavalry Regiment:

The Story of the Household Cavalry Sir George Arthur, 1909 The Household Cavalry at War Humphrey Wyndham (Hon.), 1952 Through Fifteen Reigns J. N. P. Watson, 1997 Written by a former Household Cavalry officer and established historian this is an account of the three regiments that make up the Household Cavalry The Life Guards Royal Horse Guards and Royal Dragoons **The Household Cavalry at War** Roden Orde, 2024-01-30 The Second Household Cavalry Regiment's war was a short and exciting one from Normandy in July 1944 to Germany in May 1945 In the vanguard of the Guards armored Division 2 HCR an armored reconnaissance regiment was continuously on the advance and rarely out of contact with the enemy Sometimes progress was slow and grinding while at other times it was with exhilarating speed Written shortly after the War this book draws on the recollections of those who were in the thick of the action the young troop leaders their corporals of horse and troopers Roden Orde has taken great care to weave an accurate balanced and readable account the story of an entire regiment from the commanding officer to the youngest trooper This inclusive style was ahead of its time with a narrative that has a contemporary feel to it The story cracks on and Sir Winston Churchill later described it as the best regimental history I have ever read The book is well illustrated with many contemporary photographs hand drawn maps and wonderful paintings and drawings some of which have not been seen for many years First Household Cavalry Regiment Garry O'Connor, 2013-04-10 The mettle of the famous First Household Cavalry Regiment was tested to the maximum in action in the mountains of Italy in 1943 44 This book explores a largely undervalued and forgotten part of a costly and complex struggle We directly experience what it was like to be there through the words of those who were In late 1943 1st HCR was sent to Syria to patrol the Turko Syrian border it being feared that Turkey would join the Axis powers In April 1944 1st HCR was shipped to Italy The Italian campaign was at that time well underway During the summer of 1944 1st HCR were in action near Arezzo and in the advance to Florence in a reconnaissance role probing enemy positions patrolling constantly The Regiment finally took part in dismounted actions in the Gothic Line the German defensive system in Northern Italy Based upon interviews with the few survivors still with us and several unpublished diaries there are many revelations that will entertain and some that will shock The 1st Household Cavalry 1943 44 is published on the 70th anniversary of the actions described as a tribute to the fighting force made up from the two most senior regiments of the British Army and in the words of His Grace the Duke of Wellington who has kindly provided the foreword to gain insight into why such a war should never be fought again **The Household Cavalry Regiment** Roy Manser, 1975 **The Household Cavalry at War** Great Britain. - Army. - Cavalry. - Household Brigade, 1952 **Horse Guards** Barney White-Spunner, 2006 Along with period paintings objects and maps from the Household Cavalry's archives and museum this book takes the reader on a 350 year historical narrative from Cromwell and the English Civil Wars James II and the Battle of Sedgemoor through Wellington and Waterloo and Victoria and the Boer Wars right through to Churchill and the WWII **The Story of the Household**

A Photographic History of London's Ceremonial Regiments Ben Skipper,2024-10-30 This richly illustrated volume tells the story of the seven regiments of the Household Division along with the supporting personalities and units of London District A subject as fascinating as it is multifarious

From the key personalities responsible for the razor sharp execution of state ceremonial and public duties to the historical figures who helped establish and shape a military dynasty Travel through the history of the Household Division from its birth in 1660 with the restoration of Charles II to its role in establishing Britain's Special Forces It is a journey of political intrigue cementing empire and fighting terrorism From the founding fathers such as George Monck who laid the foundations for a professional British Army to adventurers like David Stirling and Sir Frederick Boy Browning the history of the Household Division is one of almost continuous action and innovation Supported by the honorable Artillery Company and the King's Troop The Royal Horse Artillery London's Ceremonial Regiments put the pomp in circumstance the distinction in battle and the sobriety in the sombre notes of The Last Post

The British Army Guide, 2016-2017 Charles Heyman, 2015-11-30 In 1984 the first edition of the British Army Guide was published and in September 2015 the 13th edition will be on sale This invaluable information resource which deals with all aspects of British Army organisation recruitment and training has been extremely popular with service personnel the defence industry military libraries and other groups who are interested in the British Army worldwide Copies can be seen on desks throughout the UK Ministry of Defence and it would be fair to say that almost every foreign defence attache in London has a copy in his briefcase Chapters include a Defence Overview Army Organisation International Commitments Armour Infantry Artillery Army Aviation Engineers Communications and Combat Service Support Units of the Army Recruiting and Training Reserve Forces plus a final Miscellaneous Chapter which deals with a number of items essential to understanding How the British Army functions on a daily basis Lavishly illustrated throughout there is no comparable publication available on the market

A Bibliography of Regimental Histories of the British Army Arthur S. White, 2013-02-04 This is one of the most valuable books in the armoury of the serious student of British Military history It is a new and revised edition of Arthur White's much sought after bibliography of regimental battalion and other histories of all regiments and Corps that have ever existed in the British Army This new edition includes an enlarged addendum to that given in the 1988 reprint It is quite simply indispensable

The king's guards (a history of the Household cavalry). R J Power Berrey, 1903

Doctrine and Reform in the British Cavalry 1880-1918 Stephen Badsey, 2016-12-05 A prevalent view among historians is that both horsed cavalry and the cavalry charge became obviously obsolete in the second half of the nineteenth century in the face of increased infantry and artillery firepower and that officers of the cavalry clung to both for reasons of prestige and stupidity It is this view commonly held but rarely supported by sustained research that this book challenges It shows that the achievements of British and Empire cavalry in the First World War although controversial are sufficient to contradict the

argument that belief in the cavalry was evidence of military incompetence It offers a case study of how in reality a practical military doctrine for the cavalry was developed and modified over several decades influenced by wider defence plans and spending by the experience of combat by Army politics and by the rivalries of senior officers Debate as to how the cavalry was to adjust its tactics in the face of increased infantry and artillery firepower began in the mid nineteenth century when the increasing size of armies meant a greater need for mobile troops The cavalry problem was how to deal with a gap in the evolution of warfare between the mass armies of the later nineteenth century and the motorised firepower of the mid twentieth century an issue that is closely connected with the origins of the deadlock on the Western Front Tracing this debate this book shows how despite serious attempts to learn from history both European style wars and colonial wars produced ambiguous or disputed evidence as to the future of cavalry and doctrine was largely a matter of what appeared practical at the time
