The Cambridge Handbook of Private Law and Artificial Intelligence Ernest Lim, Phillip Morgan, 2024-03-28 AI appears to disrupt key private law doctrines and threatens to undermine some of the principal rights protected by private law The social changes prompted by AI may also generate significant new challenges for private law It is thus likely that AI will lead to new developments in private law This Cambridge Handbook is the first dedicated treatment of the interface between AI and private law and the challenges that AI poses for private law This Handbook brings together a global team of private law experts and computer scientists to deal with this problem and to examine the interface between private law and AI which includes issues such as whether existing

private law can address the challenges of AI and whether and how private law needs to be reformed to reduce the risks of AI while retaining its benefits *Judicial Review and Social Welfare* Trevor Buck,1998-08-13 The essays that comprise this collection focus on the impact and future developments of judicial review in a number of social welfare situations that include homelessness housing benefit immigration and social security to name but a few *Cohabitants and the Law* Anne Barlow,David Josiah-Lake,2001 This third edition is updated and features new chapters on the Child Support Act and the new law on domestic violence and homelessness It offers new material on increasingly important issues such as negative equity transfer of tenancies domestic violence homelessness cohabitation contracts child support assessments Valuable precedents are also provided including a framework cohabitation agreement and a declaration of trust for co owners of freehold property The text is divided into two parts dealing firstly with ongoing relationships and then with relationship breakdown The New Law Journal ,2005 **Religion and Law** Peter W. Edge,2017-03-02 Discussion of the way in which law engages with religious difference often takes place within the context of a single jurisdiction Religion and Law An Introduction presents a comprehensive text for students drawing on examples from across key Anglophone jurisdictions the United Kingdom the United States Canada New Zealand Australia and South Africa as well as international law to explore a broad range of issues Aimed at a non legal readership this book introduces the use of legal sources and focuses on factual situations as much as legal doctrine Key issues arising from interaction of the religious individual and the State are discussed as well as the religious organisation or community and the State The interaction is explored through case studies of areas as diverse as the legal regulation of religious drug use sacred spaces and sacred places and claims of clergy misconduct Taking a broad non jurisdictional approach to the key issues in particular providing insights differing from the dominant US experiences and paradigms this student friendly textbook includes a clearly structured bibliography and clear guidance on how to approach relevant legal materials National Perspectives on Housing Rights Scott Leckie,2021-10-18 More than one billion people around the world do not have adequate housing How far does human rights law help to remedy this problem What measures must governments take to protect people against housing rights violations What are the strengths and weaknesses of human rights law in the housing area Is the current law enough or are new laws necessary These and many other questions are addressed in the various chapters contained in National Perspectives on Housing Rights While most coverage of economic social and cultural rights has tended to focus on international standards and principles this book examines the more challenging question of how housing rights are implemented at the national and local level Chapters from recognised housing rights practitioners from Brazil Canada India Kenya Mexico Nigeria Philippines South Africa the US and elsewhere provide some of the first national level legal analyses of the implementation of housing rights standards recognised under international law A foreword by Nelson Mandela and a preface by international legal scholar Professor Philip Alston provide interesting perspectives on the fundamental role of housing rights within the broader human rights field **British**

Conservatism and the Legal Regulation of Intimate Relationships Andrew Gilbert, 2018-08-23 What does conservatism as a body of political thought say about the legal regulation of intimate relationships and to what extent has this thought influenced the Conservative Party's approach to family law With this question as its focus this book explores the relationship between family law conservatism and the Conservative Party since the 1980s Taking a politico and socio legal perspective the discussion draws on an expansive reading of Hansard as well as recently released archival material The study first sets out the political tradition of conservatism relying largely on the work of Edmund Burke before going on to analyse the discourse around the development of four crucial statutes in the field namely the Matrimonial and Family Proceedings Act 1984 the Family Law Act 1996 the Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 This work offers the first extended synthesis of family law conservative political thought and Conservative Party politics and as such provides significant new insight into how family law is made Runner up of the 2020 PSA Conservatism Studies Book Prize Modern Methods of Valuation Eric Shapiro, Keith Davies, David Mackmin, 2012-08-21 Gives clear understanding of the methods and techniques of valuation Latest statutes and case law affecting valuation Core text for students and essential reference for practitioners Despite the volatility in the world's financial and property markets the principles underpinning valuation methods have remained fundamentally unchanged In this new edition the sections on methods have been revised and updated to provide a comprehensive coverage of both their principles and their application More significantly new and amended statutes and case law precedents which have affected various aspects of statutory valuations are included These changes have been incorporated in the revisions to chapters dealing with Commercial Property Leasehold Enfranchisement Rating Compulsory Purchase and other statutory applications The 10th edition maintains the aims and objectives of all previous editions to support students with its comprehensive coverage of the legal economic and technical aspects of valuation required by most University and College Real Estate Programmes and to provide trainees APC Candidates and practitioners with current and relevant guidance on the preparation of valuations for statutory purposes Practical Adjudication for Construction Professionals Leslie J.
