Concept of Exile Rehnuma Sazzad, 2017-02-10 Edward Said was an exiled individual the out of place Palestinian in the USA He saw the consequences of the 1948 dismantling of Palestine and the establishment of Israel through his parents experiences and through the collective statelessness imposed on the Palestinians His own personal experience of exile intensified when he moved to the USA Yet despite the significance of exile to Said s life and work no scholarship has yet focused on this theme in his writings or traced its ongoing applicability and importance Rehnuma Sazzad fulfils this pressing need in literary and cultural research by providing the first comprehensive definition of Said s theory of exile and revealing its legacy in relation to five Middle Eastern intellectuals Naguib Mahfouz Mahmoud Darwish Leila Ahmed Nawal El Saadawi and Youssef Chahine Sazzad argues that for Said the ideal intellectual is a metaphorical exile This exile does not have to be spatially disconnected from a homeland but must demonstrate a willing homelessness through specific strategies and techniques By selecting a novelist poet feminist filmmaker and essayist Sazzad shows how intellectuals from diverse fields become part of the Saidian discourse through the expression of these exilic qualities The book creates a portrait of redoubtable intellectual practice and in the twenty first century context when the frontiers of belonging are constantly redrawn Edward Said s Concept of Exile adds new depths to discourses of resistance home and identity **Exile and the Politics of Exclusion in the Americas** Luis Roinger, 2012-03-13 This collection of essays brings together leading experts in the study of exile and expatriation whose historical and comparative perspectives enable readers to understand the phenomenon of forced displacement in the Americas *Giving Voice to Exile in Literature* Asher Z. Smith-Christopher, The Christian church continues to seek ethical and spiritual models from the period of Israel's monarchy and has avoided the gravity of the Babylonian exile Against this tradition the author argues that the period of focus for the canonical construction of biblical thought is precisely the exile Here the voices of dissent arose and articulated words of truth in the context of failed power *Exile: Old Testament, Jewish, and Christian Conceptions* Bruce D. Chilton, Porton, Louis H. Feldman, 2021-12-06 The exiles of Israel and Judah cast a long shadow over the biblical text and the whole subsequent history of Judaism Scholars have long recognized the importance of the theme of exile for the Hebrew Bible Indeed critical study of the Old Testament has at least since Wellhausen been dominated by the Babylonian exile of Judah In 586 BC several factors including the destruction of Jerusalem the cessation of the sacrificial cult and of the monarchy and the experience of the exile began to cause a transformation of Israelite religion which supplied the contours of the larger Judaic framework within which the various forms of Judaism including the early Christian movement developed Given the importance of the exile to the development of Judaism and Christianity even to the present day this volume delves into the conceptions of exile which contributed to that development during the formative period **Exile's Hunter** Kate Rudolph, 2022-03-14 Kenzie will do anything to save her sister even if it means teaming up with a dangerous alien who makes her heart pound Kenzie has crossed the galaxy in search of her abducted sister and she's finally landed on Guerran It's a planet full of criminals and she can trust no one especially not the terrifyingly hot alien named Mad He's as much a criminal as anyone on Guerran And he's her only hope But she isn't sure whether she should kiss him or stab him when his presence makes her heat up with desire Mad can't leave the exile planet Once Kenzie finds Carise the sisters will be long gone There's no future between her and the hunky alien no matter how quickly he steals her heart How can Kenzie walk away when fate has put her in the path of her mate **Exile's Gate** C.
