**The 3 Keys to Empowerment** Ken Blanchard, John P. Carlos, Alan Randolph, 2000-01-13 An action guide and macro-level understanding of the process required to foster the workplace culture envisioned in *Empowerment Takes More Than a Minute*. As Ken Blanchard, John Carlos, and Alan Randolph clearly demonstrated in their previous bestseller *Empowerment Takes More Than a Minute*, empowerment is not a goal that can be achieved in a minute. Empowerment is a process that requires ongoing effort, awareness, and commitment to transforming the hierarchy. This essential guide offers managers detailed, hands-on answers to their real-life questions about how exactly they can navigate the journey to empowerment. Written in an easily accessible Q&A format, the book closely examines and expands on the three keys to empowerment originally presented in *Empowerment Takes More Than a Minute*: sharing information, creating autonomy through boundaries, and replacing the hierarchy with teams. It clearly outlines the promises and challenges of each stage of the journey, providing managers with thought-provoking questions, clear advice, effective activities, and action tools that will help them create a culture of empowerment. Wherever they are in the journey, managers will find a clear roadmap in this user-friendly action guide.

*Praise for Empowerment Takes More Than a Minute*: The most truthful, straight talk book on managing people to come along in eons. This is an exceptional tool for business. Harvey MacKay, 1 New York Times bestselling author. One of the very best organized, thought-out, planned, and written books on any business subject.
