## **The Hip Hop Church:**

The Hip-Hop Church Efrem Smith, Phil Jackson, 2012-04-08 Hip hop is here The beats ring out in our cities Hip hop culture is all around us in the clothes youth wear in the music they listen to in the ways they express themselves It is the language they speak the rhythm they move to It is a culture familiar with the hard realities of our broken world the generation raised with rap knows about the pain They need to know about the hope Enter the hip hop church Like the culture it rises from the hip hop church is relevant and bold And it speaks to the heart In this book pastors Efrem Smith and Phil Jackson show the urgency of connecting hip hop culture and church to reach a generation with the gospel of Jesus Christ They give practical ideas from their urban churches and other hip hop churches about how to engage and incorporate rap break dancing poetry and deejays to worship Jesus and preach his Word Hip hop culture is shaping the next generation Ignoring it will not reduce its influence it will only separate us from the youth moving to its rhythm How will they hear Christ's message of truth and hope if we don't speak their language And how can we speak their language if we don't understand and embrace their culture Hear the beat Join the beat Become the beat that brings truth and hope to a hungry hurting generation

**The Black Church and Hip Hop Culture** Emmett G. Price III, 2011-11-10 Throughout the 1950s and 1960s the Black Church stood as the stronghold of the Black Community fighting for equality and economic self sufficiency and challenging its body to be self determined and self aware Hip Hop Culture grew from disenfranchised urban youth who felt that they had no support system or resources Impassioned with the same urgent desires for survival and hope that their parents and grandparents had carried these youth forged their way from the bottom of America's belly one rhyme at a time For many young people Hip Hop Culture is a supplement or even an alternative to the weekly dose of Sunday morning faith In this collection of provocative essays leading thinkers preachers and scholars from around the country confront both the Black Church and the Hip Hop Generation to realize their shared responsibilities to one another and the greater society Arranged into three sections this volume addresses key issues in the debate between two of the most significant institutions of Black Culture The first part From Civil Rights to Hip Hop explores the transition from one generation to another through the transmission or lack thereof of legacy and heritage Part II Hip Hop Culture and the Black Church in Dialogue explores the numerous ways in which the conversation is already occurring from sermons to theoretical examinations and spiritual ponderings Part III Gospel Rap Holy Hip Hop and the Hip Hop Matrix clarifies the perspectives and insights of practitioners scholars and activists who explore various expressions of faith and the diversity of locations where these expressions take place In The Black Church and Hip Hop Culture pastors ministers theologians educators and laypersons wrestle with the duties of providing timely commentary critical analysis and in some cases practical strategies toward forgiveness healing restoration and reconciliation With inspiring reflections and empowering discourse this collection demonstrates why and how the Black Church must re engage in the lives of those who comprise the Hip Hop Generation

Whalum, 2010 It is easy to

condemn hip hop for the condition of our society but as we condemn our own young people for being who they are what role do we play in making them who they are and what do we have to offer them as an alternative to who they are Hip Hop Is Not Our Enemy is an insider's critique of the Black church's role and responsibility in co-opting hip hop culture It is written by a Black Baptist Pastor who survived a church split that occurred because of his dedication to co-opting hip hop culture The final chapter serves as a how to guide to preparing a sermon that will connect with the hip hop generation *A Heart for the Community* John Fuder,Noel Castellanos,2013-08-28 Our nation used to look at violence poverty and gentrification and assign those problems to urban centers Today these issues concern the suburbs too The Christian community is responding to this reality Churches and parachurch ministries are actively working to transform lives and restore communities throughout the city and suburbs In *A Heart for the Community New Models for Urban and Suburban Ministry* you will be challenged by a collection of voices seeking community renewal These individuals are involved in creative church planting initiatives and they are serving the growing Hispanic and Muslim populations Additional endeavors include serving racially changing communities economic development strategies and more As anyone who has been in ministry for any length of time can attest tackling some of the most challenging issues of our times is no mere academic exercise The voices within these pages write from experience and offer workable vibrant models of ministry that make a difference **Kingdom Expressions** J. Gault,Travis Harris,2019-11-18 Christians and Christianity have been central to Hip Hop since its inception This book explores the intersection of Christians and Hip Hop and the multiple outcomes of this intersection It lays out the ways in which Christians and Hip Hop overlap and diverge The intersection of Christians and Hip Hop brings together African diasporic cultures lives memories and worldviews Moving beyond the focus on rappers and so called Christian Hip Hop each chapter explores three major themes of the book identifying Hip Hop irreconcilable Christianity and boundaries There is a self identified Christian Hip Hop CHH community that has received some scholarly attention At the same time scholars have analyzed Christianity and Hip Hop without focusing on the self identified community This book brings these various conversations together and show through these three themes the complexities of the intersection of Christians and Hip Hop Hip Hop is more than rap music it is an African diasporic phenomenon These three themes elucidate the many characteristics of the intersection between Christians and Hip Hop and our reasoning for going beyond Christian Hip Hop This collection is a multi faceted view of how religious belief plays a role in Hip Hoppas lives and community It will therefore be of great interest to scholars of Religion and Hip Hop Hip Hop African Diasporas Religion and the Arts Religion and Race and Black Theology as well as Religious Studies more generally **The Post-Black and Post-White Church** Efrem Smith,2020-11-03 The key to creating

and growing a more unified and holistic church is the multi ethnic and Christ centered community that offers a strong connection between theology and practical ministry models and that nurtures believers who are wrestling with what it means to be the church of the Bible today Most books on racial reconciliation or multi ethnic ministry center on the theological foundations history or social problem aspects of the topic The Post Black and Post White Church offers a practical hands on blueprint for developing and sustaining a multi ethnic and Christ centered community Written by Efrem Smith an innovative and passionate African American leader of the Covenant Evangelical Church and founding pastor of Sanctuary Covenant Church in Minneapolis Minnesota this groundbreaking book shares his skills experience and wisdom for congregations who want to grow into a multi ethnic missional identity The Post Black and Post White Church connects theology and practical ministry models for wrestling with what it means to be church in an increasingly multi ethnic world that is polarized by class politics and race The book embraces Jesus as one who was both Jewish and multi ethnic and focuses on a theology of reconciled multi ethnic and missional leadership
