## **The Historical Reliability Of Johns Gospel Issues Commentary:**

**The Historical Reliability of John's Gospel** Craig L. Blomberg,2011-10-20 Because the twentieth century search for the historical Jesus so heavily favored the Synoptic Gospels we are long overdue for a reassessment of the evidence presented in the Gospel of Johnl Craig L Blomberg offers a foundational introduction and commentary focusing with intelligence and care on the historicity of John s Gospel    **The Historical Reliability of the New Testament** Craig L. Blomberg,2016-11 This book is a fully stocked toolbox for anyone interested in whether we can still trust the New Testament in the twenty first century    **Interpreting the Gospel of John** Gary M. Burge,2013-11-19 This tried and true classroom favorite by respected New Testament scholar Gary Burge has been praised for its usefulness The expanded second edition has been revised throughout to take account of current scholarship and introduces software tools that have become available since the original edition was published Combining original insight with how to guidance this textbook helps students interpret the Gospel of John and apply it in teaching and preaching    **The Miracles of Jesus** Vern S. Poythress,2015-11-17

Christians often view Jesus s miracles simply as proofs of his divinity However as prolific author Vern Poythress shows in this new book they also serve as signs of redemption foreshadowing the salvation that Christ accomplished through his cross and resurrection This means that the stories of Jesus s miracles like the calming of the storm or the feeding of the 5 000 are relevant for both Christians and non Christians alike clearly pointing to the gospel After setting forth a framework for viewing all of Jesus s miracles through this lens Poythress then reflects on the meaning and significance of 26 distinct miracles recorded in the Gospel of Matthew helping modern readers understand and apply them to their own lives today

**Jesus, Skepticism, and the Problem of History** Zondervan,2019-10-08 In recent years a number of New Testament scholars engaged in academic historical Jesus studies have concluded that such scholarship cannot yield secure and illuminating conclusions about its subject arguing that the search for a historically authentic Jesus has run aground Jesus Skepticism and the Problem of History brings together a stellar lineup of New Testament scholars who contend that historical Jesus scholarship is far from dead These scholars all find value in using the tools of contemporary historical methods in the study of Jesus and Christian origins While the skeptical use of criteria to fashion a Jesus contrary to the one portrayed in the Gospels is methodologically unsound and theologically unacceptable these criteria properly formulated and applied yield positive results that support the Gospel accounts and the historical narrative in Acts This book presents a nuanced and vitally needed alternative to the skeptical extremes of revisionist Jesus scholarship that on the one hand uses historical methods to call into question the Jesus of the Gospels and on the other denies the possibility of using historical methods to learn about Jesus    **Johannine Writings and Apocalyptic** Stanley E. Porter,Andrew K. Gabriel,2013-09-15 Johannine Writings and Apocalyptic provides a wide ranging and thorough annotated bibliography for John s Gospel the Johannine letters Revelation and apocalyptic writings pertinent to these books More inclusive than many other bibliographies

this volume provides reference to over 1300 individual entries often including references to multiple works with a given description Annotations are designed to provide guidance to a wide range of readers from students wishing to gain entry to the subject to graduate students engaging in research to professors needing ready access to useful materials The volume is topically organized and indexed for easy access

**CSB Harmony of the Gospels** Steven L. Cox,Kendell Easley,CSB Bibles

by Holman,2024-06-15 CSB Harmony of the Gospels is a synchronized reading of the Gospels based on the work of John A Broadus and A T Robertson with each Gospel writer s account of events side by side In addition to the harmonious layout articles and commentary notes are included to provide deeper understanding of the four Gospels and the harmonized account of the life and teachings of Jesus CSB Harmony of the Gospels features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB captures the Bible s original meaning without sacrificing clarity making it easier to engage with Scripture s life transforming message and to share it with others

The Kingship of Jesus in the Gospel of John

Sehyun Kim,2018-08-21 This book studies kingship with reference to the Johannine Jesus Postcolonialism leads us to an avenue from which to read this Gospel in the more complex and wider context of the hybridized Jewish and Greco Roman worlds of the Roman Empire in the first century CE This provides a new perspective on the kingship of the Johannine Jesus whose kingly identity is characterized by hybridized christological titles For the Johannine readers in the first century who were exploited oppressed yet at odds with both the colonizer and the colonized in the Roman Empire this Gospel was deemed to reveal his identity Using many christological titles it presented Jesus as the universal king going beyond the Jewish Messiah s and the Roman emperors and also as the decolonizer who came to his own world to liberate his people from the darkness In this respect the ideology of the Johannine emphasizes that love peace freedom service of the center for the margins and forgiveness are the ruling forces in the new world where Jesus reigns as king Raising an awareness of these ideologies John s gospel asks readers to overcome the conflicting world shrouded in darkness thenceforth entering the new Johannine world

*The Johannine Prologue and its Resonances* ,2024-06-24 The Prologue to John s Gospel has been an enigmatic object of inquiry in the history of biblical scholarship This volume reengages readers with thirteen essays from various perspectives on the Prologue These perspectives include source oriented approaches form oriented approaches functional approaches and alternative non traditional approaches This book attempts to pave new paths to understanding the Prologue and cause readers to think more deeply about the beginning of John s Gospel

**How God Became Jesus** Michael

F. Bird,Craig A. Evans,Simon Gathercole,Charles E. Hill,Chris Tilling,2014-03-25 In his recent book How Jesus Became God The Exaltation of a Jewish Preacher From Galilee historian Bart Ehrman explores a claim that resides at the heart of the Christian faith that Jesus of Nazareth was and is God According to Ehrman though this is not what the earliest disciples believed nor what Jesus claimed about himself The first response book to this latest challenge to Christianity from Ehrman How God Became Jesus features the work of five internationally recognized biblical scholars While subjecting his claims to

critical scrutiny they offer a better historically informed account of why the Galilean preacher from Nazareth came to be hailed as the Lord Jesus Christ Namely they contend the exalted place of Jesus in belief and worship is clearly evident in the earliest Christian sources shortly following his death and was not simply the invention of the church centuries later   **The Resurrection: a Critical Inquiry** Michael J. Alter,2015-02-21 The Resurrection A Critical Inquiry is a scholarly work that refutes Jesuss purported physical bodily resurrection and those writings in support of it This book is compelling relevant and current for those readers seeking scholarly refutations of that resurrection This in depth work presents the reader with 113 issues Altogether one hundred twenty contradictions and 217 speculations are examined Topics include cutting edge research in astronomy geophysics criminology and the rules of evidence the social sciences and cognitive psychology

**John, Jesus, and History, Volume 1** Paul N. Anderson,Felix Just,Tom Thatcher,2024-11-08 Over the last two centuries many scholars have considered the Gospel of John off limits for all quests for the historical Jesus That stance however creates a new set of problems that need to be addressed thoughtfully The essays in this book reflecting the ongoing deliberations of an international group of Johannine and Jesus scholars critically assess two primary assumptions of the prevalent view the dehistoricization of John and the de Johannification of Jesus The approaches taken here are diverse including cognitive critical developments of Johannine memory distinctive characteristics of the Johannine witness new historicism Johannine Synoptic relations and fresh analyses of Johannine traditional development In addition to offering state of the art reviews of Johannine studies and Jesus studies this volume draws together an emerging consensus that sees the Gospel of John as an autonomous tradition with its own perspective in dialogue with other traditions Through this challenging of critical and traditional assumptions alike new approaches to John s age old riddles emerge and the ground is cleared for new and creative ways forward

**Getting at Jesus** Peter S. Williams,2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus

**Signs in the Wilderness** Daniel H. Fletcher,2014-09-22 Signs in the Wilderness portrays Nicodemus as a traveler on a faith journeythrough the wilderness who is tested by Jesus s signs Signs test Nicodemus s faith in the same way they tested that of the wilderness generations of ancient Israel in the book of Numbers The first generation saw the miraculous signs of God yet refused to believe and so forfeited its right to enter the promised land The second generation in contrast saw the signs believed and boldly entered the promised land So it was in John s Gospel as well in which many people see Jesus miraculous signs but refuse to believe thus forfeiting eternal life Others believe and inherit eternal life Nicodemus is a test case in that his own wilderness experience is one of divine testing in the face of Jesus signs Will he have a heart of flesh believe and enter eternal life or a hard heart of stone refuse to believe and die

in the wilderness Similarly Jesus signs test the readers of John s gospel resulting in either belief or unbelief     John Edward W Klink III,2017-01-10 Concentrate on the biblical author s message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God s Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author s original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes     John, His Gospel, and Jesus Stanley E. Porter,2015-10-14 Captures John s unique perspective and voice in the wider field of Jesus studies In this volume Stanley Porter tackles a variety of important and often highly contentious topics within the Gospel of John as a means of defining and capturing the distinctive Johannine voice Subjects discussed include John in relation to competing Gospels the public proclamation of Jesus in John the sources of John s Gospel John s prologue the I Am sayings the notion of truth the Passover theme and the ending of the book Each chapter besides surveying representative research puts forward new and insightful proposals regarding the topics concerned Porter does not shy away from matters that have often perplexed Johannine scholars and he confronts some of the viewpoints that have led to confusion in the field In exploring John s unique perspective and voice Porter makes a significant contribution to the wider fields of Jesus studies and New Testament investigation     Illustrated Bible Survey Ed Hindson,Edward E. Hindson,Elmer L. Towns,2013 An illustrated and applicable book by book survey of the Bible with more than 200 full color photographs maps charts and drawings to highlight key elements of literature history archaeology and wisdom in the text     Exploring the New Exodus in John Paul S. Coxon,2015-03-09 The theme of the New Exodus NE in John s Gospel has been largely unexplored in recent scholarship Now however by careful intertextual exegesis of John 5 10 Paul Coxon has compellingly argued that not only is the NE key to interpreting the Fourth Gospel but also to unlocking the mysteries of the Johannine puzzle itself Anyone who is interested in searching the riches of this marvelous Gospel will want to explore the NE in John in these pages     **Devils and Deviants** Jason L. Merritt,2017-01-30 Devils and Deviants takes up the question of the impact of religious schism on the composition of 1 and 2 John After decades attempting to reconstruct the beliefs of the schismatics referenced briefly in 1 John Johannine scholars have largely rejected the notion that such a reconstruction can in fact be accomplished In addition there has been a notable move by some to interpret 1 and 2 John non polemically arguing that the schism has little or no bearing on the composition of these epistles and our ability to interpret them In this volume Merritt turns to the anthropology and sociology of religious schism to reconstruct the processes by which groups separate themselves from one another He then applies that model as a heuristic device in reading 1 and 2 John arguing in the process that while the beliefs of the schismatics cannot be reconstructed with any accuracy the schism has

indeed had a profound impact on the Johannine community and 1 and 2 John      *Biblical Theology* Scott J. Hafemann, 2002-10-25 Edited by Scott J Hafemann this comprehensive text addresses the state of the discipline of biblical theology analyzes the history and future of methodological issues tackles specific problems in the separate disciplines of Old and New Testament theology and outlines a way forward
