A. S. Salley, Jr.

The History Of Orangeburg County South Carolina:

The History of Orangeburg County, South Carolina, from Its First Settlement to the Close of the Revolutionary War
Alexander Samuel Salley, 1994 *The History of Orangeburg County, South Carolina* Alexander Samuel Salley, 1897

History of Orangeburg County South Carolina A. S. Salley, Jr, 2019 *HIST OF ORANGEBURG COUNTY SOUT*
Alexander Samuel 1871- Salley, John Ulrick D. 1738 Giessendanner, John D. 1761 Giessendanner, 2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The History of Orangeburg County, South Carolina** Alexander Samuel 1871- [From Salley, 2022-10-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The History of Orangeburg County** A. S. Salley, 2022-04-05 **The History of Orangeburg County, South Carolina, from Its First Settlement to the Close of the Revolutionary War** Jr. A. S. Salley, 2013-08-01 This history presents Orangeburg County South Carolina from its early beginnings through the Revolutionary War It reveals the settlers struggles to set county boundaries build churches and roads and participate in the 1790 convention to establish the constitution for the state Also transcribed here are the acts that created a court and judicial system for the state The book s first chapter traces the settlement of each region within the county and discusses the important contributions of German and Swiss colonists A variety of county records appear such as an account of the first settlement made by a white person in 1704 at what is now called Lyons Creek Next marriages births and deaths as recorded by the Revs Giessendanner from 1737 to 1761 make up more than 100 pages Closing the book the text s thorough military history presents listings from rosters and order books transcripts of military orders and accounts of expeditions and battles which date from 1682 to 1781 Transcripts of

correspondence between military leaders and the Council of Safety during the Revolutionary War fill another 100 pages Sources used to compile this book include deeds grants and letters from the offices of the Secretary of State at Columbia records from the offices of Register of Mesne Conveyance and Judge of Probate of Charleston contemporary historical works military and court records and many others Maps of the county illustrations of county sights portraits and an every name plus subject index enhance the text No Orangeburg County researcher should be without this book The History of Orangeburg County, South Carolina Alexander Samuel Salley, John Giessendanner, United States. Continental Army. South C, 2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **The History of Orangeburg County, South Carolina, from Its First Settlement to the Close of the Revolutionary War. - Scholar's Choice Edition** Alexander Samuel Salley, 2015-02-14 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The History of Orangeburg County, South Carolina; from Its First Settlement to the Close of the Revolutionary War** Alexander Samuel Salley, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1898 edition Excerpt to the Continental service When we consider that the maximum white population of South Carolina for that period was only about 90 000 this seems incredible But as the war lasted seven years and as the longest term of enlistment was for three years and after that had expired for six months or longer or for the war many had a chance to serve out a first enlistment and then re enlist a thing which they must undoubtedly have done Again it must be taken into consideration that a small boy at the beginning of the war was old enough to enlist long before the end of the war South Carolina furnished fifteen regiments to the Continental service and besides she was never with less than three militia

brigades of her own sometimes five So that with her Continentals militia State troops which sometimes acted as Continentals old men women and children very few of her population of 90 000 were left for Tories or neutrals Consequently very few of the large number of Germans in Orangeburgh could possibly have been elsewhere than with the Whigs When the six regiments of South Carolina regulars were first raised in 1775 76 the men enlisted therein were enlisted for three years so that when in 1776 these six regiments were taken into the Continental service they were already engaged for three years although the Continental Establishment only required enlistments for six months at a time This is one reason why Massachusetts could furnish 67 907 to South Carolina s 35 507 The New England States enlisted their regular troops for six months The following note from page xviii of Drayton s Memoirs vol i will be of interest in this connection When the Congress began to consider of a Continental army they were for leaving The History of Orangeburg County, South Carolina, from Its First Settlement to the Close of the Revolutionary War. - War College Series Alexander Samuel Salley, 2015-02-14 This is a curated and comprehensive collection of the most important works covering matters related to national security diplomacy defense war strategy and tactics The collection spans centuries of thought and experience and includes the latest analysis of international threats both conventional and asymmetric It also includes riveting first person accounts of historic battles and wars Some of the books in this Series are reproductions of historical works preserved by some of the leading libraries in the world As with any reproduction of a historical artifact some of these books contain missing or blurred pages poor pictures errant marks etc We believe these books are essential to this collection and the study of war and have therefore brought them back into print despite these imperfections We hope you enjoy the unmatched breadth and depth of this collection from the historical to the just published works **History of Orangeburg County (SC), from Its First Settlement to the Close of the Revolutionary War** A. S. Salley, Jr., 2009-04 **Index to the History of Orangeburg County, South Carolina by A. S. Salley, Jr**, 1996 The History of Orangeburg County South Carolina A. S. Salley Jr., 2015-07-07 Excerpt from The History of Orangeburg County South Carolina From Its First Settlement to the Close of the Revolutionary War It is a remarkable fact that very many persons are prone to study the history of every other country while totally neglecting that of their own country and yet the study of local history is one of the most delightful of studies The State of South Carolina in historic interest stands among the very first of our States but nevertheless the numerous valuable historical works on South Carolina have long since passed out of print because of the lack of interest manifested in them and many people in this State to day accept as history the false writings of uninformed partisan writers and what is worse permit their children to be taught these falsehoods as truths Orangeburg County is rich in historic treasures and although a few of these treasures have been collected and given to us in several works on South Carolina they are still out of the reach of the average reader on account of the scarcity of these works to day It is my purpose to present in these pages the various extracts pertaining to Orangeburg from several of the works referred to above and in addition to give much history of Orangeburg County that has

never before been published including the record of marriages births and deaths kept by Rev John Ulrick Uissendanner and his successor Rev John Giessendanner from 1737 to 1761 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The History of**
