Bronner, 2021-05-04 Defines the distinctive field of Jewish cultural studies and its basis in folkloristic psychological and ethnological approaches Jewish Cultural Studies charts the contours and boundaries of Jewish cultural studies and the issues of Jewish culture that make it so intriguing and necessary not only for Jews but also for students of identity ethnicity and diversity generally In addition to framing the distinguishing features of Jewish culture and the ways it has been studied and often misrepresented and maligned Simon J Bronner presents several case studies using ethnography folkloristic interpretation and rhetorical analysis Bronner building on many years of global cultural exploration locates patterns processes frames and themes of events and actions identified as Jewish to discern

what makes them appear Jewish and why Jewish Cultural Studies is divided into three parts Part 1 deals with the conceptualization of how Jews in complex heterogeneous societies identify themselves as a cultural group to non Jews and vice versa such as how the Jewish home is socially and materially constructed Part 2 delves into ritualization as a strategic Jewish practice for perpetuating peoplehood and the values that it suggests for example the rising popularity of naming ceremonies for newborn girls simhat bat or zaved habat in the twenty first century Part 3 explores narration including the global transformation of Jewish joking in online settings and the role of Jews in American political culture Bronner reflects that a reason to separate Jewish cultural studies from the fields of Jewish studies and cultural studies is the distinctiveness of Jewish culture among other ethnic experiences As a diasporic group with religious ties and varying local customs Jews present difficulties of categorization He encourages a multiperspectival approach that considers the Jewish double consciousness as being aware of both insider and outsider perspectives participation in ancient tradition and recent modernization and the great variety and stigmatization of Jewish experience and cultural expression Students and scholars in Jewish studies cultural studies ethnic religious studies folklore sociology psychology and ethnology are the intended audience for this book

Allen,2011-10-20 As a dynamic tradition Judaism has always relied on experts to interpret sacred texts for modern times Responding to the questions posed to him from congregants other rabbis and Jews around the world Rabbi Allen blends his special sensitivity with profound scholarship in addressing a wide range of religious issues This book is a window into how an ancient tradition can still keep its relevance today **Thy Father's Instruction** Naomi Feuchtwanger-Sarig,2021-12-06 The Nuremberg Miscellany Germanisches Nationalmuseum Nürnberg Bibliothek 8 Hs 7058 RI 203 is a unique work of scribal art and illumination Its costly parchment leaves are richly adorned and illustrated with multicolour paint and powdered gold It was penned and illustrated in southern Germany probably Swabia in 1589 and is signed by a certain Eliezer b Mordechai the Martyr The Miscellany is a relatively thin manuscript In its present state it holds a total of 46 folios 44 of which are part of the original codex and an additional bifolio that was attached to it immediately or soon after its production The book is a compilation of various Hebrew texts most of which pertain to religious life Others are home liturgies Biblical exegeses comments on rites and customs moralistic texts homiletic and ethical discourses and an extensive collection of home liturgies its major part being dedicated to the life cycle The unparalleled text compilation of the Nuremberg Miscellany on the one hand and the naïve untrained illustrations on the other hand are puzzling Its illustrations are hardly mindful of volume depth or perspective and their folk art nature suggests that an unprofessional artist possibly even the scribe himself may have executed them Whoever the illustrator was his vast knowledge of Jewish lore unfolds layer after layer in a most intricate way His sharp eye for detail renders the images he executed a valid representation of contemporary visual culture The iconography of the Nuremberg Miscellany with its 55 decorated leaves featuring 25 text illustrations falls into two main categories biblical themes and depictions of daily life both sacred and mundane While the biblical illustrations rely largely on artistic rendering and interpretation of texts the depictions of daily life are founded mainly on current furnishings and accoutrements in Jewish homes The customs and rituals portrayed in the miscellany attest not only to the local Jewish Minhag but also to the influence and adaptation of local Germanic or Christian rites They thus offer first hand insights to the interrelations between the Jews and their neighbors Examined as historical documents the images in the Nuremberg Miscellany are an invaluable resource for reconstructing Jewish daily life in Ashkenaz in the early modern period In a period from which only scanty relics of Jewish material culture have survived retrieving the pictorial data from images incorporated in literary sources is of vital importance in providing the missing link Corroborated by similar objects from the host society and with descriptions in contemporary Jewish and Christian written sources the household objects as well as the ceremonial implements depicted in the manuscript can serve as effective mirrors for the material culture of an affluent German Jewish family in the Early Modern period The complete Nuremberg Miscellany is reproduced in the appendix of this book
