Lavin, 2005 The Ten Commandments continue to provide both significant prohibitions and helpful invitations for living a moral and godly life in the 21st century I did not post the Ten Commandments on my classroom wall but they were imprinted more boldly onto my heart from the Introduction

Melvin Kieschnick Former Director of Parish Education Lutheran Church Missouri Synod The Ten Commandments are universally acknowledged as God s blueprint for human behavior yet they seem to be a major focus of controversy in today s headlines Should these commands from God be prominently featured in classrooms and courtrooms What difference do God s laws make for multitudes of people who can t even repeat them from memory much less integrate them into everyday behavior In the latest installment of his popular series examining the basics of the Christian faith Ron Lavin takes another look at the Ten Commandments and suggests they offer a powerful biblical corrective for a society filled with ethical relativism and moral decay But they are much more than just a list of do s and don ts they are also the foundation for God s invitation to a full and abundant life
