HolyGhostBook **Holy Blood Holy Grail: Fact or Fiction?** Prof. Kenneth Onapolis, Th.D., Ph.D.,2019-04-17 HOLY BLOOD HOLY GRAIL Fact or Fiction The book Holy Blood Holy Grail by Michael Baigent et al is anything but accurate free from error conforming exactly to truth restricted to or based upon fact If it were not for the real people and real places interwoven within the fallacies the HBHG book would have failed to qualify as nonfiction even under the very liberal literary definition of the term As Prof Onapolis demonstrates in this long overdue analysis of the HBHG virtually none of the HBHG authors claims hypotheses or conclusions are supported by historical fact Prof Onapolis reveals that the primary source of the documents relied upon by the HBHG authors was no other than Pierre Plantard In 1993 Pierre Plantard admitted in a French court of law to having orchestrated the fabrication of the documents relied upon by the HBHG authors as part of an elaborate fraud The Holy Grail Richard Barber,2004-12-02 The Holy Grail is an image familiar to us all as an almost unattainable infinitely desirable goal The idea has passed into everyday speech and the legends behind it are as current in today s culture as they have ever been And yet the Grail has no real religious meaning and is nowhere mentioned in the Bible What is the truth behind this elusive symbol Here Barber traces the history of the stories surrounding the Holy Grail He

describes how through a long series of imaginative transformations the grail has moved from the sphere of romance to religion and in twentieth century popular culture has become an emblem of mysticism and man's highest aspirations intimately linked with the central ritual of the Christian faith. The search for the grail has always been described as a quest; in this book Barber goes on his own quest, brilliantly exploring the richness of the Holy Grail's cultural impact. Barber traces the history of legends surrounding the Holy Grail from Chrétien de Troyes' great romances to the popular bestsellers of the late twentieth century.
