The Holy Eucharist In Middle English Homiletic And Devotional Verse:

The Holy Eucharist in Middle English Homiletic and Devotional Verse Sister Loretta McGarry, 1936 **The Holy Eucharist in Middle English Homiletic and Devotional Verse** A. M. McGarry (Sr. Loretta), Sister Loretta McGarry, 1936

The Middle English Lyric and Short Poem Rosemary Greentree, 2001 This Bibliography assembles annotation of collections and criticism of lyrics of religious and secular love carols and songs and rhymes of everyday life **The Cambridge Bibliography of English Literature** Frederick Wile Bateson, 1940 **The Holy Eucharist in Middle English Homiletic and Devotional Verse** Loretta McGarry (s.n.d.), 1936 **Codex Ashmole 61** George Shuffelton, 2008-12-01 Since its rediscovery by nineteenth century scholarship Oxford Bodleian Library MS Ashmole 61 has never been ignored though it has also not gained a great deal of notoriety beyond the scholars of Middle English romance It is hoped that the present volume will encourage study of the entire manuscript as a valuable witness to the devotional habits cultural values and popular tastes of late medieval England **Pulp fictions of medieval England** Nicola McDonald, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license Pulp Fictions of Medieval England demonstrates that popular romance not only merits and rewards serious critical attention but that we ignore it to the detriment of our understanding of the complex and conflicted world of medieval England *Late Medieval Liturgies Enacted* Sally Harper, P Barnwell, Magnus Williamson, 2017-07-12 This book critically explores ways in which our understanding of late medieval liturgy can be enhanced through present day enactment It is a direct outcome of a practice led research project led by Professor John Harper and undertaken at Bangor University between 2010 and 2013 in partnership with Salisbury Cathedral and St Fagans National History Museum near Cardiff The book seeks to address the complex of ritual devotional musical physical and architectural elements that constitute medieval Latin liturgy whose interaction can be so difficult to recover other than through practice In contrast with previous studies of reconstructed liturgies enactment was not the exclusive end goal of the project rather it has created a new set of data for interpretation and further enquiry Though based on a foundation of historical musicological textual architectural and archaeological research new methods of investigation and interpretation are explored tested and validated throughout There is emphasis on practice led investigation and making the need for imagination and creativity and the fact that enactment participants can only be of the present day Discussion of the processes of preparation analysis and interpretation of the enactments is complemented by contextual studies with particular emphasis on the provision of music A distinctive feature of the work is that it seeks to understand the experiences of different groups within the medieval church the clergy their assistants the singers and the laity as they participated in different kinds of rituals in both a large cathedral and a small parish church Some of the conclusions challenge interpretations of these experiences which have been current since the Reformation In addition some consideration is given to the implications of understanding past liturgy for present day worship

A Manual of the Writings in Middle English, 1050-1500 Modern Language Association of America. Middle English Group, 1967

The Christ Child in Medieval Culture Theresa M. Kenney, Mary Dzon, 2012-01-01 The cult of the Christ Child flourished in late medieval Europe across lay and religious as well as geographic and cultural boundaries Depictions of Christ's boyhood are found throughout popular culture visual art and literature The Christ Child in Medieval Culture is the first interdisciplinary investigation of how representations of the Christ Child were conceptualized and employed in this period The contributors to this unique volume analyse depictions of the Christ Child through a variety of frameworks including the interplay of mortality and divinity the medieval conceit of a suffering Christ Child and the interrelationships between Christ and other figures including saints and ordinary children The Christ Child in Medieval Culture synthesizes various approaches to interpreting the cultural meaning of medieval religious imagery and illuminates the significance of its most central figure

Christ's Body Sarah Beckwith, 2005-08-04 At the very heart of Christian doctrine and late medieval practice was the image of the crucified Christ Sarah Beckwith examines the social meaning of this image across a range of key devotional English texts using insights from anthropology and cultural studies The image of the crucified Christ she argues acted as a place where the tensions between the sacred and the profane the individual and the collective were played out The medieval obsession with the contours of Christ's body functioned to challenge and transform social and political relations A fascinating and challenging book of interest not only to students of medieval literature but also to cultural historians and women's studies specialists

Poems Without Names Raymond Oliver, 2022-08-19 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1970

The Stripping of the Altars Eamon Duffy, 2022-01-01 This prize winning account of the pre Reformation church recreates lay people's experience of religion showing that late medieval Catholicism was neither decadent nor decayed but a strong and vigorous tradition For this edition Duffy has written a new introduction reflecting on recent developments in our understanding of the period A mighty and momentous book a book to be read and re read pondered and revered a subtle profound book written with passion and eloquence and with masterly control J J Scarisbrick The Tablet Revisionist history at its most imaginative and exciting An astonishing and magnificent piece of work Edward T Oakes Commonweal A magnificent scholarly achievement a compelling read and not a page too long to defend a thesis which will provoke passionate debate Patricia Morison Financial Times Deeply imaginative movingly written and splendidly illustrated Maurice Keen New York Review of Books Winner of the Longman History Today Book of the Year Award

The Holy Eucharist in Middle English Homiletic and Devotional Verse. A Dissertation, Etc. [With Facsimiles]. Loretta MACGARRY, 1936 [The Penn Commentary on Piers Plowman, Volume 5, C Passūs 20-22 ; B Passūs 18-20](#) Stephen A. Barney, 2006 **The Penn**

Commentary on Piers Plowman, Volume 5 Stephen A. Barney, 2011-06-07 The first full commentary on Piers Plowman since the late nineteenth century is inaugurated with the publication of the first two of its five projected volumes The detailed and wide ranging Penn Commentary places the allegorical dream vision of Piers Plowman within the literary historical social and intellectual contexts of late medieval England and within the long history of critical interpretation of the poem assessing past scholarship while offering original materials and insights throughout The authors line by line section by section and passus by passus commentary on all three versions of the poem and on the stages of its multiple revisions reveals new aspects of the poem s meaning while assessing and summarizing a complex and often divisive scholarly tradition The volumes offer an up to date original and open ended guide to a poem whose engagement in its social world is unrivaled in English literature and whose literary religious and intellectual accomplishments are uniquely powerful The Penn Commentary is designed to be equally useful to readers of the A B or C texts of the poem It is geared to readers eager to have detailed experience of Piers Plowman and other medieval literature possessing some basic knowledge of Middle English language and literature and interested in pondering further the particularly difficult relationships to both that this poem possesses Others with interest in poetry of all periods will find the extended and detailed commentary useful precisely because it does not seek to avoid the poem s challenges but seeks instead to provoke thought about its intricacy and poetic achievements Andrew Galloway s Volume 1 treats the poem s first vision from the Prologue through Passus 4 in all three versions accepting the C text as the poet s final word but excavating downward through the earlier B and A texts Stephen Barney s volume completes the framework for the commentary dealing with the final three pass s of the poem extant only in the B and C versions Subsequent volumes will be the work of Ralph Hanna Traugott Lawler and Anne Middleton Overall The Penn Commentary on Piers Plowman marks a new stage of concentrated yet wide ranging attention to a text whose repeated revisions and literary and intellectual complexity make it both an elusive object of inquiry and a literary work whose richness has long deserved the capacious and minutely detailed treatment that only a full commentary can allow Perhaps no poem in English appeals more than Piers Plowman to those readers who understand Yeats s fascination with things difficult yet The Penn Commentary will enable generations of readers to share in the pleasures and challenges of experiencing engaging with and trying to elucidate the difficulties of one of the towering achievements of English literature Themes and Images in the Medieval English Religious Lyric Douglas Gray, 2019-07-05 Originally published in 1972 Themes and Images in the Medieval English Religious Lyric discusses themes and images in religious lyric poetry in Medieval English poetry The book looks at the affect that tradition and convention had on the religious poetry of the medieval period It examines the background of the lyrics including the Latin tradition which was inherited by medieval vernacular and shows how religious lyric poetry presents through a rich variety of images the significant incidents in the scheme of Christ s redemption such as the Annunciation the Nativity the Passion and the Resurrection It also considers the lyrics which were designed to assist humanity in the task of

living in a Christian life as well as those which prepared them for death *Corpus Christi* Miri Rubin, 1991 A paperback edition of Miri Rubin's highly successful study of the meaning of the eucharist c 1150-1500 **Imagery in the Middle English Secular Lyric: the Love Lyric** Jane Louise Curry, 1962 Res: Anthropology and Aesthetics, 59/60 Francesco Pellizzi, 2012-01-09 RES 59-60 includes The making of architectural types by Joseph Rykwert Traces of the sun and Inka kinetics by Tom Cummins and Bruce Mannheim Inka water management and display fountains by Carolyn Dean Guaman Poma's pictures of huacas by Lisa Trever Peruvian nature up close by Daniela Bleichmar and other papers
