## **The Home Lotts Of The Early Settlers Of The Providence Plantations:**

*The Home Lots of the Early Settlers of the Providence Plantations* Charles Wyman Hopkins, 2009-06 Mr Davidson's history of Wilkinson County takes on added importance owing to the 1852 fire in the county courthouse that destroyed a number of the county's pre Civil War records. Indeed the middle quarter of the book includes abstracts of several thousand Wilkinson County marriage records and to a lesser extent wills and Civil War muster rolls for Wilkinson County. The balance of the work is almost evenly divided between a narrative history of the county and genealogical and biographical essays treating about 100 Wilkinson County families.

Excerpt from *The Home Lots of the Early Settlers of the Providence Plantations* With Notes and Plans. The accompanying plan of the Home Lots is founded upon a record contained in a little book in the office of the City Clerk Providence dated 1660 and which contains a list of the Home Lots beginning at mile end Cove. This record torn in places and partially obliterated by long use bears evidence of having been carefully written by Roger Williams and is reproduced in the appendix at the close of this volume for the purpose of preservation and for convenient reference.
