The Hoopster Alan Lawrence Sitomer,2003-02 Andre Anderson is a black teenager who loves to play basketball When he is viciously attacked it calls his whole world into question even his deadly jumpshot **The Hoopster -- a Teacher's Guide** Alan Lawrence Sitomer,2005 **The Hoopster** Perry Hanson,2025-11 **Smash It! Crash It! Launch It!** Rain Newcomb,Bobby Mercer,2009 Science **Homeboyz** Alan Lawrence Sitomer,2018-12-04 Alan Lawrence Sitomer writes a compelling story of piecing together a life after a devastating loss when the threat of violence lurks at every step When Teddy Anderson s little sister Tina is gunned down randomly in a drive by shooting the gangstas who rule the streets in the Anderson family s rapidly deteriorating neighborhood dismiss the incident as just another case of wrong place wrong time According to gangsta logic Tina doesn t even count as a statistic After his elaborately laid plans for revenge against his sister s killer are foiled by the cops Teddy soon finds himself in and then out of prison on house arrest into the hands of Officer Mariana Diaz the smart tough probation officer assigned to oversee his endless hours of community service As part of the innovative rehabilitation program Diaz runs Teddy is assigned to tutor Micah a twelve year old orphan and would be gansta As Teddy goes through the motions of complying with the terms of his probation Diaz has no idea that he is using his genius level computer hacker skills to plot his final vengeance and to defraud the state education system of hundreds of thousands of dollars But even though Teddy thinks he knows it all he fails to see how Micah s desperate need for love and trust just might have the power not only to pierce all Teddy s defenses but to save his family 30-Minute Sustainable Science Projects Loren Bailey,2019-01-01 What can you do with recycled materials found in your home or at school in 30 minutes or less How about making a pizza box oven Clear step by step instructions and photos make these sustainable science projects fast easy and fun The activities in this book use common items from around the house and keep readers learning while they re busy having fun Projects include Musical bottles Cardboard stethoscope Flying hoopster Balloon hovercraft Mini catapult Pizza box solar oven Mini trebuchet Balloon powered car **Asian American Basketball** Joel S. Franks,2016-05-06 When Jeremy Lin began to knock down shots for the New York Knicks in 2012 many Americans became aware for the first time that Asian Americans actually play basketball Indeed long before Lin shook up the NBA Asian Americans played the game with passion and skill and many excelled at high school college and professional hoops This comprehensive history of Asian American basketball discusses how these players first found a sense of community in the game and competed despite an atmosphere of anti Asian bigotry in historical and contemporary America The Good War Todd Strasser,2022-02-01 A middle school must read that exposes the antisemitism in our country today From the author of The Wave comes a poignant and timely novel about a group of seventh graders who are brought together and then torn apart by an afterschool club that plays a video game based on WW2 There s a new afterschool club at Ironville Middle School Ms Peterson is starting a video game club where the students will playing The Good War a new game based on World War II They are divided into two teams

Axis and Allies and they will be simulating a war they know nothing about yet Only one team will win But what starts out as friendly competition takes an unexpected turn for the worst when an one player takes the game too far Can an afterschool club change the way the students see eachother and how they see the world By using a gaming lens to explore the students entr e to prejudice and radicalization he succeeds in lending immediacy and accessibility to his cautionary tale Kirkus

Reviews **Kings of the Garden** Adam J. Criblez,2024-04-15 In *Kings of the Garden* Adam J Criblez traces the fall and rise of the New York Knicks between the 1973 the year they won their last NBA championship and 1985 when the organization drafted Patrick Ewing and gave their fans hope after a decade of frustrations During these years the teams led by Walt Frazier Earl Monroe Bob McAdoo Spencer Haywood and Bernard King never achieved tremendous on court success and their struggles mirrored those facing New York City over the same span In the mid seventies as the Knicks lost more games than they won and played before smaller and smaller crowds the city they represented was on the brink of bankruptcy while urban disinvestment growing income inequality and street gangs created a feeling of urban despair *Kings of the Garden* details how the Knicks fortunes and those of New York City were inextricably linked As the team s Black superstars enjoyed national fame Black musicians DJs and B boys in the South Bronx were creating a new culture expression hip hop that like the NBA would become a global phenomenon Criblez s fascinating account of the era shows that even though the team s efforts to build a dynasty ultimately failed the Knicks like the city they played in scrappily and spectacularly symbolized all that was right and wrong with the NBA and the nation during this turbulent creative and momentous time *The Write to Read* Lesley Roessing,2009-07-30 Use reader response strategies to achieve Common Core goals in reading and in writing Response journals brief personal writing in response to reading can significantly improve reading comprehension What s more when scaffolded over the year reader response strategies promote engagement build understanding of complex literary and informational text and even help students provide supporting evidence in their writing all goals of the Common Core For educators eager to use reader response strategies veteran teacher Lesley Roessing presents a unique step by step approach that inspires thoughtful reading and skillful writing in Grades 5 12 Based on research and her own classroom experience Roessing s innovative writing exercises encourage students to read more deeply develop questions and participate actively in class Beginning with simple response tasks and moving toward more complex assignments the book provides a scaffolded curriculum for the full academic year Developed for language arts and content area teachers as well as literacy specialists this resource includes Examples of response journals for a wide range of genres including fiction nonfiction poetry and students personal reading Strategies for using reader response to guide classroom discussions group work book clubs and journal writing at home Adaptations for students with diverse abilities Numerous classroom ready templates and samples of student work Discover a well structured writing curriculum that promotes confident learning and the joy of reading In the Game A. Bass,2005-09-23 Talking about race and sports almost always leads to trouble Rush Limbaugh s stint as an NFL

commentator came to an abrupt end when he made some off handed comments about the Philadelphia Eagles black quarterback Donovan McNabb Ask a simple question along these lines Why do African Americans dominate the NBA and watch the sparks fly It is precisely this flashpoint that the contributors to this volume seek to explore Professional and amateur sports wield a tremendous amount of cultural power in the United States and around the world and racial ethnic and national identities are often played out through them In the Game collects essays by top thinkers on race that survey this treacherous terrain They engage fascinating topics like race and cricket in the West Indies how black culture shaped the NFL in the 1970s the famed black on white Cooney Holmes boxing bout and American Indian mascots for sports teams Paddy on the Hardwood Rus Bradburd,2006-08-15 Why would a successful college basketball coach walk away from a lucrative job in America s most glamorous sport The burned out Rus Bradburd enamored with Ireland and its music took a job coaching in the lowly Irish Super League but was unprepared for what he found Perplexed by the small town Tralee s Frosties Tigers a cast of misfits and underachievers more concerned with their day jobs Gaelic Football and Guinness he turned to traditional Irish music for wisdom and solace Paddy on the Hardwood is partly Rus Bradburd s story of his struggle to transform Tralee s Tigers But it is also the tale of a man making peace with his own life and career No reader will come away from this irresistible honest and deeply human account without a profound appreciation for Ireland and the beguiling power of its people and culture Paddy on the Hardwood is a basketball book to be sure but also one about questing and ultimately finding And it s all the richer for how it engages things that seem distant from sports but in the end aren t so unrelated at all Alexander Wolff Sports Illustrated senior writer and author of Big Game Small World A Basketball Adventure Paddy on the Hardwood is hilarious heartbreaking and touching I couldn t put it down I m an avid reader and it s the best sports book I ve read in a long while Jerry West *Specter of the Past: Star Wars Legends (The Hand of Thrawn)* Timothy Zahn,2011-06-28 Hugo Award winning author Timothy Zahn makes his triumphant return to the Star Wars r universe in this first of an epic new two volume series in which the New Republic must face its most dangerous enemy yet a dead Imperial warlord The Empire stands at the brink of total collapse But they have saved their most heinous plan for last First a plot is hatched that could destroy the New Republic in a bloodbath of genocide and civil war Then comes the shocking news that Grand Admiral Thrawn the most cunning and ruthless warlord in history has apparently returned from the dead to lead the Empire to a long prophesied victory Facing incredible odds Han and Leia begin a desperate race against time to prevent the New Republic from unraveling in the face of two inexplicable threats one from within and one from without Meanwhile Luke teams up with Mara Jade using the Force to track down a mysterious pirate ship with a crew of clones Yet perhaps most dangerous of all are those who lurk in the shadows orchestrating a dark plan that will turn the New Republic and the Empire into their playthings Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years *Hip-Hop Poetry and The*

Classics Alan Sitomer, Michael Cirelli, 2010-04-28 Hip Hop's literary and artistic merits are evident when compared to classic poetry and it's easy to link the great poets of the past to the contemporary Hip Hop poets of today compare Robert Frost to Public Enemy Shakespeare to Eminem and Shelley to the Notorious B I G This interactive workbook style format is fun for teachers and students as it illuminates the art of the written word with in depth analysis of poetic literary devices writing activities and other innovative methods *The Life and Work of John Edgar Wideman* Keith E. Byerman, 2013-08-27

Challenging Successful Controversial All terms used to accurately describe African American novelist and autobiographer John Edgar Wideman This book examines his life and work and the connections between them *The Life and Work of John Edgar Wideman* is ideal for readers who might not be familiar with Wideman's work or those who may have been intimidated by descriptions of his writings Through its coverage of Wideman's life from several generations back to the present and explanations of how Wideman makes use of life experiences this book breaks down barriers for new readers and enables them to better relate and connect to his writing Author Keith E Byerman discusses Wideman's book length works of fiction and nonfiction as well as some of his shorter journalistic pieces The book emphasizes how Wideman integrates family and personal experience into what is typically labeled postmodern writing and explains how he has evolved as a public intellectual who supplies shrewd commentary on subjects such as the prison system terrorism and the role of sports in American society *All the Colors Came Out* Kate Fagan, 2021-05-18 This love story for the ages from a 1 New York Times

bestselling author comes an unforgettable story about basketball and the enduring bonds between a father and daughter that will heal relationships and hearts Glennon Doyle Kate Fagan and her father forged their relationship on the basketball court bonded by sweaty high fives and a dedication to the New York Knicks But as Kate got older her love of the sport and her closeness with her father grew complicated The formerly inseparable pair drifted apart The lessons that her father instilled in her about the game and all her memories of sharing the court with him over the years were a distant memory When Chris Fagan was diagnosed with ALS Kate decided that something had to change Leaving a high profile job at ESPN to be closer to her mother and father and take part in his care Kate Fagan spent the last year of her father's life determined to return to him the kind of joy they once shared on the court *All the Colors Came Out* is Kate Fagan's completely original reflection on the very specific bond that one father and daughter shared forged in the love of a sport which over time came to mean so much more Studded with unforgettable scenes of humor pain and hope Kate Fagan has written a book that plumbs the mysteries of the unique gifts fathers gives daughters ones that resonate across time and circumstance **Dixieball** Thomas

Aiello, 2024-01-12 In *Dixieball* Thomas Aiello considers the cultural function of professional basketball in the Deep South between 1947 and 1979 Making a strong case for the role of race in this process Aiello ties the South's initial animus toward basketball to the same complex that motivated the region to sacrifice its own economic interests to the cause of white supremacy Fans of basketball as compared to other team sports were closer to the players who showed more of their bodies

blackness then had more visibility in basketball than it had in other sports By the time Lyndon Johnson signed the Voting Rights Act in 1965 African Americans made up 47.5 percent of professional basketball players and despite integrating later than baseball and football it was fast becoming known as a black sport Over time survival for southern teams grew more tenuous fan support more fickle and racial incidents between players and fans more hostile Racism clashed with civic development in a fast evolving region To identify the sources of this clash Dixieball locates the main points of intersection between professional basketball and the Deep South in the two decades prior to the region's first major franchise Aiello then takes readers to New Orleans where the first major Deep South professional basketball team the New Orleans Buccaneers was born and on to Atlanta Birmingham St Louis and others leading up to 1979 Scholars of sport and Southern history alike will find Dixieball a compelling contribution to the lively interdisciplinary discussions animating the Sport and Popular Culture series
