An answer to every man that asketh a reason of the hope that is in us, by way of question and answer ... With a recommendatory preface by the Rev. Mr Whitefield Joseph Humphreys, 1767 **The Hope of the Christian** Rev. Norman Holmes, 2021. The Bible tells us that every overcoming Christian will become conformed to the image of Christ. But what does this mean? And how can we prepare ourselves for an abundant fulfillment of our Christian hope? In this book, Rev. Norman Holmes will answer these questions and much more. What is the eternal goal for every believer? How should we prepare ourselves for a glorious future? Developing spiritual discernment. How to hit the mark of the high calling of God. **The Hope of Man** William Holden Hutton, 1920 *Nicene and Post-Nicene Fathers: First Series, Volume IV St. Augustine: The Writings Against the Manichaeans, and Against the Donatists* Philip Schaff, 2007-05-01. The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume IV of the 14-volume collected writings of the Nicenes and Post-Nicenes, first published between 1886 and 1889, readers will find Augustine's writings defending the Catholic Church against the Manichaeans and the Donatists. Manichaeism was a religion developed in Persia by the prophet Mani. According to this religion, creation has two parts: darkness and light. Light is God, and has ten attributes. Opposing this and coeternal with it is darkness, and its five attributes. Saint Augustine was originally a Manichaean, so his defense of Christianity against this religion comes from a deep understanding of its nature. Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution, which caused a schism in Christianity. In opposing these men, Augustine attempted to mend the rift. Those with an interest in ancient religions will find Augustine's writings on Manichaeism one of the most important historical records of that religion's practices. Looking unto Jesus, as carrying on the great work of man's salvation, or A view of the everlasting Gospel I. Ambrose, 1815 The Hope of the Family Cardinal Gerhard M  ller, 2014-10-07. Today the family is in crisis; it is in crisis worldwide. Pope Francis has said, "Young people don't want to get married; they don't get married or they live together. Marriage is in crisis, and so the family is in crisis." The main problem with the family in the Church today, contends Cardinal M  ller, is not the small number of civilly remarried divorced Catholics who want to receive Holy Communion. It is the large number of Catholics who live together before marriage, who marry civilly, or who do not even bother with marriage, as if these choices were sound options for Catholic living. Furthering the problem is the widespread failure of married Catholics to understand marriage as a way of Christian discipleship. In this engaging conversation, Cardinal M  ller, one of Pope Francis' top

advisers in the Vatican addresses the challenges facing marriage and family life today The loss of faith in many traditionally Christian societies has led to a crisis In turn cohabitation civil marriage and divorce and civil remarriage further undermine faith because they harm the family as the domestic Church and the place of initial evangelization Thus the Church must undertake a robust new evangelization of the family sharing the fullness of truth about marriage and family in Christ encouraging families to worship and to pray together and helping them to witness by their lives the joy of the gospel Cardinal M ller stresses mercy and compassion in pastoral ministry with struggling Catholics but he does so without either contradicting the teaching of Jesus about divorce and remarriage or minimizing the power of grace to transform lives In this way he proclaims hope for the family rooted in the gospel of Jesus Christ *Reason for the Hope Within* Michael J. Murray,1999 During the last two decades there has been a renaissance in the field of Christian philosophy Unfortunately most of this excellent work has not reached general readers *Reason for the Hope Within* was produced specifically to make available the best of contemporary Christian philosophy in a clear accessible and highly relevant manner Fourteen of America s rising Christian philosophers here cover many of the traditional themes of Christian apologetics arguments for the existence of God the problem of evil the possibility of miracles as well as topics of special relevance to today s world Eastern religions Christianity and science Christianity and ethics the existence of heaven and hell *Summa Theologica, Volume 3 (Part II, Second Section)* St Thomas Aquinas,2013-01-01 The *Summa Theologica* is the best known work of Italian philosopher scholar and Dominican friar SAINT THOMAS AQUINAS 1225 1274 widely considered the Catholic Church s greatest theologian Famously consulted immediately after the Bible on religious questions at the Council of Trent Aquinas s masterpiece has been considered a summary of official Church philosophy ever since Aquinas considers approximately 10 000 questions on Church doctrine covering the roles and nature of God man and Jesus then lays out objections to Church teachings and systematically confronts each using Biblical verses theologians and philosophers to bolster his arguments In Volume III Aquinas addresses faith and heresy charity peace and war mercy anger and justice prayer truth and much more This massive work of scholarship spanning five volumes addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy religious historians and serious students of Catholic thought *Lighted to Lighten: the Hope of India* Alice B.
