Philosophy of Time Sean Enda Power, 2021-05-26 As a growing area of research the philosophy of time is increasingly relevant to different areas of philosophy and even other disciplines This book describes and evaluates the most important debates in philosophy of time under several subject areas metaphysics epistemology physics philosophy of language philosophy of mind cognitive science rationality and art Questions this book investigates include the following Can we know what time really is Is time possible especially given modern physics Must there be time because we cannot think without it What do we experience of time How might philosophy of time be relevant to understanding the mind body relationship or evidence in cognitive science Can the philosophy of time help us understand biases toward the future and the fear of death How is time relevant to art and is art relevant to philosophical debates about time Finally what exactly could time travel be And could time travel satisfy emotions such as nostalgia and regret Through asking such questions and showing how they might be best answered the book demonstrates the importance philosophy of time has in contemporary thought Each of the book s ten chapters begins with a helpful introduction and ends with study questions and an annotated list of further reading This and a comprehensive bibliography at the end of the book prepare the reader to go further in their study of the philosophy of time **Now and Then We Time Travel** Fraser A. Sherman, 2017-01-11 More than 400 films and 150

television series have featured time travel stories of rewriting history lovers separated by centuries journeys to the past or the often dystopian future This book examines some of the roles time travel plays on screen in science fiction and fantasy Plot synopses and credits are listed for films and TV series from England Canada the UK and Japan as well as for TV and films from elsewhere in the world Tropes and plot elements are highlighted The author discusses philosophical questions about time travel such as the logic of timelines causality what s to keep time travelers from jumping back and correcting every mistake and morality if you correct a mistake are you still guilty of it **The House of Time Travel** Sandra Turner, 1981-05-01 *In the Dream House* Carmen Maria Machado, 2019-11-05 A revolutionary memoir about domestic abuse by the award winning author of *Her Body and Other Parties* In the Dream House is Carmen Maria Machado s

engrossing and wildly innovative account of a relationship gone bad and a bold dissection of the mechanisms and cultural representations of psychological abuse Tracing the full arc of a harrowing relationship with a charismatic but volatile woman Machado struggles to make sense of how what happened to her shaped the person she was becoming And it s that struggle that gives the book its original structure each chapter is driven by its own narrative trope the haunted house erotica the bildungsroman through which Machado holds the events up to the light and examines them from different angles She looks back at her religious adolescence unpacks the stereotype of lesbian relationships as safe and utopian and widens the view with essayistic explorations of the history and reality of abuse in queer relationships Machado s dire narrative is leavened with her characteristic wit playfulness and openness to inquiry She casts a critical eye over legal proceedings fairy tales Star Trek and Disney villains as well as iconic works of film and fiction The result is a wrenching riveting book that explodes our ideas about what a memoir can do and be
