RSPB Spotlight: Puffins Euan Dunn, 2016-07-28 Puffins is packed with eye catching informative colour photos and features succinct detailed text written by a knowledgeable expert Enduringly popular Puffins are perhaps our most iconic species of bird and are the most immediately identifiable of seabirds with their decorative bills and clown like gait Yet when they take to the air they wheel and turn with great agility and underwater these stocky little birds use short specially adapted wings to propel themselves through the water in pursuit of small fish

Surprisingly little was known about Puffin ecology until recently thanks to their preferred breeding habitat being underground on remote islands or hard to reach coastlines Now Euan Dunn discloses all we have learnt about them as a result of technological advances and provides a revealing account of their life cycle behaviour and breeding what they eat how they interact in their busy colonies and where they migrate to in winter Euan also exposes the mounting threats Puffins face and offers advice on the best places to see them Each Spotlight title is carefully designed to introduce readers to the lives and behaviour of our favourite birds and mammals **Children's Books in Print** R R Bowker Publishing, Bowker, 1999-12 Zoe's Rescue Zoo: The Picky Puffin Amelia Cobb, 2017-07-06 When Great Uncle Horace brings back lost and homeless animals from his travels around the globe it falls to Zoe and her mum the zoo vet to settle them into their new home Zoe is very good at this because she can understand what they say and talk to them too But that is a secret Puffins are Zoe's favourite ever animal so when Piper arrives at the Rescue Zoo Zoe is very happy to help her settle in But Piper is very picky She doesn't like her enclosure or her burrow or even her food Can Zoe and Meep work out what is making Piper the puffin so picky and come up with a plan to make the little puffin feel happy in her new home **Puffins** Ruth Owen, 2013-01-15 A puffin's colorful beak is its most unusual physical feature Readers will fall in love with this little black and white bird while learning about the ways it has adapted to its frigid environment Easy to follow text and colorful photographs make this a truly exciting read *Tales of Uncle Remus (Puffin Modern Classics)* Julius Lester, 2006-12-28 Whether he is besting Brer Fox or sneaking into Mr Man's garden Brer Rabbit is always teaching a valuable lesson These classic tales are full of wit humor and creativity and Julius Lester brings an added contemporary sense to these forty eight timeless stories *The Puffin Book of Bedtime Stories*, 2015-07-05 Introducing a host of wonderful characters who will make bedtime fun for the whole family Meet Jaya and her shell ship Meena with her huffy puffy chapattis Thangi and her friend the sun the flying house the wandering elephant the helpful yeti and a host of other delightful characters Travel around the world and to faraway galaxies learn how to tie new kinds of turbans and hear about the antics of the talking furniture in this gorgeously illustrated and wonderfully imaginative collection of stories from India *Farewell Mr Puffin* Paul Heiney, 2021-07-08 It would be hard to imagine a more thoughtful intelligent and companionable person to go to sea with than Paul Heiney Bill Bryson High comedy on the high seas Informative and warm and freezing It's quite a combination Griff Rhys Jones The puffin is the joker amongst the seabirds of the north Atlantic but what is happening to this much loved bird is far from a laughing matter This is the conclusion of writer and broadcaster Paul Heiney who set sail from the east coast of England bound for Iceland propelled by a desire to breathe the cool clear air of the high latitudes and to follow in the wake of generations of sailors who have made this often treacherous journey since the 13th century In almost every harbour he tripped over maritime history and anecdote and came face to face with his own past as he sailed north along his childhood coastline of east Yorkshire towards the Arctic Circle But there was one major thing missing from this voyage the sight of

puffins They are remarkable birds uplifting as a ray of sunshine after a storm To see them and share their waters was also part of Heiney's ambition Imagine then his disappointment when first no puffins appeared off the Farne Islands then none to be seen on puffin hotspots like Orkney When he failed to see puffins on Iceland it was the last straw and he started to become seriously concerned Heiney senses that a new chapter is about to be written and it is one in which we may have to say farewell to the puffin forever This book is rich in travel and sailing narrative natural and social history and with a strong undercurrent of good humour It provides not only an insight into the private life of the puffin but an honest portrait of human life on the ocean waves as well as a reflection on what we might lose if the puffin disappears from our icy northern waters
