Sino Soviet Conflict In The 1970s Its Evolution And Implications For The Strategic Triangle

Frederick C Teiwes, Warren Sun

Sino Soviet Conflict In The 1970s Its Evolution And Implications For The Strategic Triangle:

Sino-Soviet Conflict in the 1970s Kenneth Lieberthal, 1978 Analyzes the evolution of Sino Soviet relations since the Cultural Revolution and explains China's policies in terms of political struggles which racked Peking during the 1970s Key questions are explored What bilateral strategies have the Soviet Union and China adopted to deal with each other since 1969 How has the Moscow Peking feud affected dealings with other states How have Sino Soviet relations intertwined with domestic politics in China What changes in relations are likely in coming years What are the implications of these factors for U S policy toward Sino Soviet affairs The analysis concludes that American interests are best served by a Sino Soviet relationship poised between rapprochement and war The author argues that the dynamics of the relationship will very likely produce such an outcome As well the United States should pursue bilateral relationships with Moscow and Peking so as to maximize American interests without trying to affect their interactions with each other Sino-Soviet Conflict in the 1970s: Its Evolution and Implications for the Strategic Triangle Kenneth G. Lieberthal, 1978 The Cambridge History of China: Volume 15, The People's Republic, Part 2, Revolutions Within the Chinese Revolution, 1966-1982 Roderick MacFarquhar, John K. Fairbank, Denis Crispin Twitchett, 1991-11-29 In continuing the post revolution study started in Volume 14 Volume 15 considers the developments in Mao's thoughts and how they related to China's government The most comprehensive account of this turbulent period in Chinese history **The Strategic Triangle and Sino-Soviet Crises** Kenneth G. Weiss, 1989 The End of the Maoist Era: Chinese Politics During the Twilight of the Cultural Revolution, 1972-1976 Frederick C Teiwes, Warren Sun, 2014-12-18 This book launches an ambitious reexamination of the elite politics behind one of the most remarkable transformations in the late twentieth century As the first part of a new interpretation of the evolution of Chinese politics during the years 1972-82 it provides a detailed study of the end of the Maoist era demonstrating Mao's continuing dominance even as his ability to control events ebbed away The tensions within the gang of four the different treatment of Zhou Enlai and Deng Xiaoping and the largely unexamined role of younger radicals are analyzed to reveal a view of the dynamic of elite politics that is at odds with accepted scholarship The authors draw upon newly available documentary sources and extensive interviews with Chinese participants and historians to develop their challenging interpretation of one of the most poorly understood periods in the history of the People's Republic of China *China Briefing, 1988* Anthony J. Kane, 2019-03-01 China Briefing 1988 approaches the events of the previous year differently from past volumes in the series providing a long term perspective on the dramatic developments of spring and summer 1987 Senior China specialists examine the student demonstrations and their aftermath in the larger context of the 40 year history of the People's Republic of China *Mao's Forgotten Successor* Robert Weatherley, 2010-07-30 Hua Guofeng succeeded Mao in 1976 emerging almost out of nowhere following an unexceptional career in Shanxi and Hunan In just over two years Hua had been eclipsed by Deng Xiaoping a more politically shrewd progressive and charismatic figure If Hua's rise

to power was remarkable then this fall was even more so The Making of China's Foreign Policy in the 21st century Suisheng Zhao,2018-02-02 This book is a study of the making of foreign policy of China a rising power in the 21st century It examines three sets of driving forces behind China s foreign policy making One is historical sources including the selective memories and reconstruction of the glorious empire with an ethnocentric world outlook and the century of humiliation at the hands of foreign imperialist powers The second set is domestic institutions and players particularly the proliferation of new party and government institutions and players such as the national security commission foreign policy think tanks media and local governments The third set is Chinese perception of power relations particularly their position in the international system and their position relations with major powers This book consists of articles from the Journal of Contemporary China

China's Continuous Revolution Lowell Dittmer,2024-03-29 China s Continuous Revolution The Post Liberation Epoch 1949 1981 explores the ambitious and transformative era of China s political landscape after the founding of the People s Republic in 1949 This meticulously researched volume delves into the ideology of continuous revolution under the dictatorship of the proletariat and its profound impact on Chinese politics Drawing from extensive interviews and historical analysis the book examines key elements such as charismatic leadership mass mobilization and the complex restructuring of authority highlighting the successes failures and eventual exhaustion of revolutionary zeal It provides a nuanced perspective on China s socio political evolution during a pivotal era of change grappling with questions about legitimacy power dynamics and the role of ideology in shaping policy and governance Dittmer s work also contrasts China s revolutionary trajectory with global ideological movements presenting a critical examination of the enduring tensions between utopian aspirations and practical governance By analyzing the Cultural Revolution agricultural collectivization and the broader socio political reforms of the era the book offers a compelling narrative of a nation s struggle to reconcile revolutionary ideals with the realities of modern state building Scholars students and readers interested in China s contemporary history and political development will find this an invaluable resource for understanding the complexities of revolution and reform in a rapidly transforming society This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1987 Sino-Russian Relations R.K.I. Quesed,2014-02-25 This book provides a systematic history of Sino Russian relations a history which is invaluable in forming an understanding of relations between the two nations today Becoming neighbours in the seventeenth century their changing relations in peace and war in isolation cooperation and confrontation have steadily assumed a greater importance in world politics and become increasingly important to the stability of international relations *Chinese Foreign Policy in Transition* Guoli Liu,2017-07-12 Since the establishment of the People s Republic of China in 1949 and particularly after the opening brought about by economic

reforms roughly thirty years thereafter China has become an influential player in regional and global affairs Increasingly both American and European policymakers examine Chinese foreign policy as a flexible pragmatic and significant element in world affairs This has accelerated in the middle of the new first decade of this century as business firms and political officials have developed interests in the sources processes and significance of China's reemergence as a global force This volume examines how in conjunction with rapid economic growth and profound social transformation China's foreign policy is experiencing significant transition The purpose of this truly deep and probing collection is to deepen Western understanding of the sources substance and significance of Chinese foreign policy with a focus on the post Cold War environment Contributors include academic specialists area researchers and distinguished journalists all with firsthand experience in the field of China studies The volume is divided into four parts 1 theory and culture 2 perspective and identity 3 bilateral relationships and 4 retrospective and prospective essays on Chinese policy concerns The volume is sensitive to changes in national leadership and Communist Party structure as well as continuity and change in foreign policy As Lowell Dittmer of the University of California notes in his Foreword precisely because it is so difficult to do well the analysis of foreign policy is often conducted rather tritely Thus it is a real pleasure to find assembled here a treasure trove of some of the finest work by some of the field's most penetrating minds This is fortunate for at the core of this volume is one of the biggest and most portentous questions to confront the world at the outset of the twenty first century That Problems of Communism, 1981

Chinese Foreign Policy Think Tanks and China's Policy Towards Japan Xuanli Liao, 2006 Examines Chinese foreign policy think tanks and their influence in China's foreign policy towards Japan between the late 1970s and late 1990s Through case studies this book demonstrates a growing pluralistic trend in post Mao China's foreign policy making process

China, Taiwan and the Offshore Islands Thomas E. Stolper, 2017-09-29 This title was first published in 1985 Carolina Maria de Jesus 1914-1977 nicknamed Bitita was a destitute black Brazilian woman born in the rural interior who migrated to the industrial city of Sao Paulo This is her autobiography which includes details about her experiences of race relations and sexual intimidation Mao's China and the Sino-Soviet Split Mingjiang Li, 2013-03-01 The Sino Soviet split in the 1960s was one of the most significant events of the Cold War Why did the Sino Soviet alliance hailed by its creators as unbreakable eternal and as representing brotherly solidarity break up Why did their relations eventually evolve into open hostility and military confrontation With the publication of several works on the subject in the past decade we are now in a better position to understand and explain the origins of the Sino Soviet split But at the same time new questions and puzzles have also emerged The scholarly debate on this issue is still fierce This book the result of extensive research on declassified documents at the Chinese Foreign Ministry and on numerous other new Chinese materials sheds new light on the problem and makes a significant contribution to the debate More than simply an empirical case study by theorising the concept of the ideological dilemma Mingjiang Li's book attempts to address the relationship between ideology and foreign policy and discusses such

pressing questions as why it is that an ideology can sometimes effectively dictate foreign policy whilst at other times exercises almost no significant influence at all This book will be of essential reading to anyone interested in Chinese Soviet history Cold War history International Relations and the theory of ideology [Foreign Affairs Research Papers Available](#) Foreign Affairs Research Documentation Center,1978 **China, the United States and the Soviet Union** Robert S. Ross,2016-09-16 This text considers the importance of various factors which influenced the policies of each country during the Cold War including strategic considerations domestic politics and ideology [Technical Abstract Bulletin](#) ,

Strategic Review ,1979 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States **Routledge Library Editions: China Under Mao** Various,2021-06-23 This 13 volume collection of previously out of print titles reissues some key works in the study of Mao Zedong s huge influence on China its politics economics and development into the power that it is today Foreign policy the Cultural Revolution the fate of opponents Chinese Marxist thought all are covered here and more in this essential reference resource
