Myers, 2008-10-01 DIVFor Americans entering the twenty first century it is the best of times and the worst of times Material wealth is at record levels yet disturbing social

problems reflect a deep spiritual poverty In this compelling book well known social psychologist David G Myers asks how this paradox has come to be and more important how we can spark social renewal and dream a new American dream Myers explores the research on social ills from the 1960s through the 1990s and concludes that the materialism and radical individualism of this period have cost us dearly imperiling our children corroding general civility and diminishing our happiness However in the voices of public figures and ordinary citizens he now hears a spirit of optimism The national dialogue is shifting away from the expansion of personal rights and toward enhancement of communal civility away from efforts to raise self esteem and toward attempts to arouse social responsibility away from whose values and toward our values Myers analyzes in detail the research on educational and other programs that deal with social problems explaining which seem to work and why He then offers positive and well reasoned advice suggesting that a renewed social ecology for America will rest on policies that balance me thinking with we thinking div Mother Jones Magazine ,1999-01 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

Peterson, 2013-06-29 To know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health profes sionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p The Evidence Study Bible Ray Comfort, 2011-03-01 The NKJV Evidence Bible is the official Bible of The Way of the Master TV show and ministry The ground breaking Evidence Bible that has been used by countless numbers of Christians on the front lines of evangelism is now available In an easy to read New King James version The words of Christ in red letter Complete with a user friendly

Social Service Abstracts ,1979 *A Christian Spirituality and Psychotherapy* Richard H. York, 2009-06-01 This book describes a method of therapy based upon the Christian spirituality and psychotherapy perspective developed by Dr Richard

York This clinical theology perspective is a phenomenological approach that integrates spiritual theological and psychological concepts and was developed in large part through York's own experience of being relieved of depression and anxiety through interweaving of psychotherapy prayer and meditation spiritual direction and the relationship with his Indwelling Spirit Because human beings are the products of relationships York critiques approaches to psychology premised upon the subject object epistemology of empirical science that study human behavior He suggests instead that a relational ontology research method offers an approach superior to that of standard psychotherapy and uses experience in relationship as the fundamental concept in this clinical theology Because people are prone to hurt themselves and others York also argues that standard approaches to psychology need to develop a psychology of sin and evil including some form of a Higher Power as essential parts of the spiritual aspect of psychotherapy York critiques Christian theologians for developing theology that seldom uses empirical data and that is irrelevant to the process of helping people heal and grow He criticizes those pastoral ministers who moralize with people instead of listening to them as well as those who preach more about sin and suffering than God's presence and saving grace through the forgiveness of sins While he acknowledges that most of his perspective is not new York does offer a unique contribution to the field of psychotherapy through the concept of the Indwelling Spirit He describes how the Indwelling Spirit works in psychotherapy and the various techniques to access it He further argues that his experience as a gay psychologist is an essential aspect of his method because in being healed through his experience with his Indwelling Spirit he was able to define this experience for use in psychotherapy an insight used by very few straight therapists York challenges the notion of how a gay man who worships God regularly found healing through a relationship with Christ in the Holy Spirit of God and developed the concept of the Indwelling Spirit for psychotherapy could be considered objectively disordered and intrinsically evil by the Roman Catholic Magisterium Furthermore York describes a new principle of moral theology for sexual relationships based on love rather than procreation and suggests seven research hypotheses to study the phenomenon of the Indwelling Spirit and the love that is exhibited in both same sex and opposite sex relationships *Resources in Education*, 1995 [Here We Stand](#) Craig L. Nesson, Victor I. Vieth, 2025-07-17 Although the life and writings of Martin Luther and other reformers have a great deal to say about children and our need to protect them from maltreatment this legacy of the Lutheran churches and of Christianity as a whole has largely been forgotten *Here We Stand* reclaims the Lutheran heritage as it sets forth a Lutheran theological and ethical foundation for the church's response to child abuse The book models rooting our response to child abuse in fertile biblical and theological soil Written by Lutheran theologians and child abuse prevention experts the groundbreaking book provides practical direction for the pastoral ministry of clergy and for congregations that wish to develop robust policies and practices in order to protect children Part 1 *Lutheran Theological Foundations for Addressing Child Abuse* explores core Lutheran commitments by retrieving historical confessional and theological sources Part 2 *Lutheran Interpretation of Challenging Biblical Texts* addresses
