E. Williams,1831 **Sir Thomas Lawrence** Ronald Sutherland Gower,2017-09-13 Excerpt from Sir Thomas Lawrence With a Catalogue of the Artist s Exhibited and Engraved Works As I have had occasion to point out in the following work upon the Life and Art of Sir Thomas Lawrence the careers of painters who have attained to similar eminence present in the majority of instances details which whilst of a purely personal nature give an additional interest to the history of their struggles their failures and their success in their art But Lawrence s life presents no such light and shade his work was his life his life was his work and the story of unbroken and ever increasing success places comparatively little material at the disposal of the biographer Yet if the story of his career lacks the romantic interest of a Romney or the misfortunes of a Rembrandt the unique position that Lawrence occupies in the history of English art entitles him to a lasting record in the annals of that art About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Thomas Lawrence Portraits Thomas Lawrence,Richard Holmes,2010 Catalog of an exhibition Thomas Lawrence regency power and brilliance at the National Portrait Gallery London Oct 21 2010 Jan 23 2011 and the Yale Center for British Art New Haven Feb 24 June 5 2011

LAWRENCE Samuel Levy Bensusan, 2013 LAWRENCE Thomas Lawrence was born in the year 1769 when Sir Joshua Reynolds was in his forty sixth year and Gainsborough was two and forty years his senior His father after whom he was named was a ne'er do well of decent birth and good education who had made a clandestine marriage with a lady of better social position than his own for Lucy Read who married Thomas Lawrence senior was related to the Powis family Because she listened to his suit she was disowned and disinherited by her relations Her influence upon her son would seem to have been wholly good indeed he was devoted to both parents though his father started to exploit the child's gifts in nursery days and his grief when the old people died was very severe Thomas Lawrence senior stiff in opinion always in the wrong was everything in turn and nothing long Attorney verse writer actor exciseman and farmer he had become a tavern keeper when his sorely tried wife presented him with the baby who was destined to paint the portrait of Benjamin West that hangs in the National Portrait Gallery and to succeed him as President of the Royal Academy The history of the Italian painters provides us with many cases in which men starting life with talents akin to those that Lawrence enjoyed claimed and found a measure of immortality Only a few will be found to declare that the English painter is destined to the very highest place in the annals of British art but at his best he is a very notable painter indeed in spite of the fact that everything in his life was working in opposition to the best interests of his art He had no education his gifts were exploited shamelessly from the days when he was a little boy As he grew up the imperious need for money gave to purely commercial work the precious years that should have been surrendered to study Happily Fortune was not altogether unkind She checked the proper development of rare talent she kept the painter from all opportunity of becoming the most outstanding figure of his generation in the critical eyes of generations to come but on the other hand she loaded him with all the material favours within her gift His career was as brilliant as the passage of a meteor through the sky he rose from surroundings of the most unsatisfactory kind to the highest place in the profession he adorned He became the intimate of princes and people of high degree and with certain limitations imposed by an incomplete education he was a great painter Sir Thomas Lawrence.
