My Sister and Other Lovers Esther Freud, 2025-08-05 A stirring novel from the author of I Couldn t Love You More and Hideous Kinky the story of two sisters who couldn t be more different and the great love that holds them together throughout a tumultuous youth For as long as Lucy can remember she s been caught between love for her rootless mother and devotion to her fierce and exacting sister Bea From their peripatetic childhood to their restless teenage years hitching through rural Ireland the move to a communal house she s been forced to make a choice between these two very different ways of approaching life But as the girls come of age and embark on their own experiments in love drugs work motherhood Bea is at risk of drifting further and further away Can their loyalty to each other transcend the damages of a past that feels almost too dangerous to examine With scalpel sharp insight Esther Freud excavates the most intimate relationships of our lives laying bare the fear and longing the secrets and mistrust My Sister and Other Lovers is an irresistible exploration of love family and freedom in all its forms

Sisters & Lovers Connie Briscoe, 1995 Three Afro American sisters with different lives all reaching crisis point **Disorderly Sisters** Leila Silvana May, 2001 Historians and literary critics have long understood the crucial significance of the family to the nineteenth century middle class sensibility but almost all critical analyses to date have concentrated on the vertical pole of the familial axis the parent child relationship and very little on the horizontal pole the sibling bond This book looks beyond these analyses to show that at the core of nineteenth century domestic ideology is the figure of the sister BOOK JACKET

To Have and to Hit Dorothy Ayers Counts, Judith K. Brown, Jacquelyn Campbell, 1999 This vitally important volume places the problem of wife beating in a broad cultural context in a search for strategies to reform societies including our own that are prone to this pernicious form of violence Based on first hand ethnographic data on more than a dozen societies including a number in Oceania this collection explores the social and cultural factors that work either to inhibit or to promote domestic violence against women The volume also includes a study of abuse among nonhuman primates and a cross cultural analysis of the legal aspects of wife beating By presenting counterexamples from other cultures contributors challenge Western assumptions about the factors

leading to wife beating Through a close examination of societies where wife beating is infrequent or absent To Have and To Hit identifies the factors economic social political and cultural that must be explored and transformed in order to combat this violence and eventually eliminate it **The Encyclopædia of Sexual Behaviour** Albert Ellis, Albert Abarbanel, 2013-10-22

A Sound So Very Loud Ted Kessler,2025-08-19 The first definitive history of the iconic band Oasis as told through their music and using their songs as the starting point A Sound So Very Loud is the first book to offer a definitive history of Oasis as narrated through their music using their songs as the foundation but breaking out more widely to include sections of background and cultural context It s written by leading music journalists Ted Kessler and Hamish MacBain who have very close ties to the band and their management and have interviewed the Gallaghers dozens of times There has never been a definitive forensically detailed history of Oasis and their music a book that takes readers to the heart of the band s work and what lay behind it in the kind of deeply researched knowledgeable detail that has been afforded The Beatles perhaps most notably with Ian MacDonald s Revolution In the Head which examined every Beatles song in chronological detail MacBain and Kessler s intention is to write the book that satisfies the many millions of fans globally similarly obsessed with Oasis s music but who currently only have scattered social media pages to turn to add depth to the story These authors deliver the definitive chronological history of the songs of Oasis that will appeal to fans old and new in doing so bringing the wider Oasis story into play in glorious color The pair have interviewed both Gallaghers dozens of times between 1994 and 2024 and no other journalists can claim more or more lively encounters with Liam and Noel The book will also revisit each interview in the first person chronologically throughout to add unique perspective and texture to the wider story MacBain and Kessle will also dissect sleeve art with the designers and

photographers delving into each detail surrounding the band This is a veritable Oasis treasure trove **Slow Print** Elizabeth Carolyn Miller,2013-01-09 This book explores the literary culture of Britain s radical press from 1880 to 1910 a time that saw a flourishing of radical political activity as well as the emergence of a mass print industry While Enlightenment radicals and their heirs had seen free print as an agent of revolutionary transformation socialist anarchist and other radicals of this later period suspected that a mass public could not exist outside the capitalist system In response they purposely reduced the scale of print by appealing to a small counter cultural audience Slow print like slow food today actively resisted industrial production and the commercialization of new domains of life Drawing on under studied periodicals and archives this book uncovers a largely forgotten literary political context It looks at the extensive debate within the radical press over how to situate radical values within an evolving media ecology debates that engaged some of the most famous writers of the era William Morris and George Bernard Shaw a host of lesser known figures theosophical socialist and birth control reformer Annie Besant gay rights pioneer Edward Carpenter and proto modernist editor Alfred Orage and countless anonymous others

Bovasso,2010-02-05 The subject of Dr Freud s Oedipal Complex deals essentially with Fathers and sons Neglected however in much psychological exegesis is something equivalent as Mothers and daughters In the following work as much has been attempted and with special attention given to what Dr C G Jung called the animus the unconscious maleness of the feminine psyche However the animus is not limited to the feminine estate simply because it is engendered as Spirit per se and with broader implication as zeitgeist It is thus included as an aspect of Western culture and collective consciousness The World

Animus makes its first pre historic appearance in what is known as a standing stone The giant phallus thus serves as an image exemplifying what I refer to as Animus Rising and as such not only represents a momentous event in the early period of European and Western culture but the modern culture trend especially noticeable in the U S A toward a matricentric society **Peterson's Magazine** ,1873
