The Third Miracle Bill Briggs, 2012-11-13 Part detective story and part courtroom drama with a touch of the supernatural The Third Miracle exposes for the first time ever the secret rituals and investigations the Catholic Church today undertakes in order to determine sainthood On a raw January 2001 morning at a Catholic convent deep in the Indiana woods a Baptist handyman named Phil McCord made an urgent plea to God He was by no means a religious man but he was a desperate man McCord's right eye was a furious shade of red and had pulsed for months in the wake of cataract surgery He had one shot at recovery a risky procedure that would replace part of his diseased eye with healthy tissue from a corpse Dreading the grisly operation McCord stopped into the convent's chapel and offered a prayer a spontaneous and fumbling request of God Can you help me get through this He merely hoped for inner peace but when McCord awoke the next day his eye was better suddenly and shockingly better Without surgery Without medicine And no doctor could explain it Many would argue that Mother Th odore Gu rin the long deceased matriarchal founder of the convent had interceded on McCord's behalf Was the healing of Phil McCord's eye a miracle That was a question that the Catholic Church and the pope himself would ultimately decide As part of an ancient and little known process top Catholic officials would convene a confidential tribunal to examine the handyman's healing to verify whether his recovery defied the laws of nature They would formally summon McCord his doctors coworkers and family to a windowless basement room at the Archdiocese of Indianapolis They would appoint two local priests to serve the roles of judge and prosecutor And they would put this alleged miracle on trial all in an effort to determine if Mother Th odore whose cause for beatification and canonization dated back to 1909 should be named the eighth American saint In *The Third Miracle* journalist Bill Briggs meticulously chronicles the Church investigation into this mysterious healing and offers a unique window into the ritualistic world of the secretive Catholic saint making process one of the very foundations on which the Church is built With exclusive access to the case and its players Briggs gives readers a front row seat inside the closed door drama as doctors are grilled about the supernatural priests doggedly hunt for soft spots in the claim and McCord comes to terms with the metaphorical third miracle his own reconciliation with the metaphysical As the inquiry shifts from the American heartland to an awaiting jury at Vatican City in Rome Briggs astutely probes our hunger for everyday miracles in an age of technology the Catholic Church's surprisingly active saint making operation and the eternal clash of faith and science **"Code of Massachusetts regulations, 2006"**, 2006 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020
