Sisters Of A Different Dawn:

Sisters of a Different Dawn Darcy Williamson, 1988-09-01 *The Finley Sisters' Oath of Romance* Keith Thomas Walker, 2011-08-01 Ten years ago Mona Rene and Dawn were the closest and most popular friends at Finley High School Everyone knew they would be kindred spirits forever but after graduation the real world lured them in three different directions and the trio has little contact until their high school reunion The girls now women are instantly inseparable again but broken promises linger like ghosts from the past An attempt to recapture the hope and innocence of their youth leads the ladies down a road of discovery that is sometimes hilarious sometimes sensual other times dark and painful And what they thought was their simplest vow to live love to the fullest is no easy task for the Finley sisters *Sisters on Screen* Eva Rueschmann, 2000 Perhaps the most vital emotionally complex and lasting attachments between women occur between sisters Whether as best friends or antagonists sisters remain entangled in a common tapestry of mutual experience and remembrance family and history according to author Eva Rueschmann Although many of the women centered films in the last three decades depict the relationship between sisters as a pivotal aspect of a character's psychological development the now substantial body of feminist film criticism has not taken up this theme in any sustained way In *Sisters on Screen* Eva Rueschmann explores the sister bond in a wide range of modernist feature films that depart from the conventional cinematic rendering of women's lives Drawing on the psychoanalytic concept of intersubjectivity this book emphasizes the role of a woman's relationship and inner world in her continual quest for self knowledge Offering an original and absorbing perspective on women's filmic images *Sisters on Screen* reveals how post 1960s cinema has articulated the ways in which biological sisters negotiate mutuality and difference co author family histories and profoundly shape each other's political and personal identities The films in focus question standards of femininity as they probe into memory fantasy and desire bringing women's realities into view in the process Structuring her discussion in terms of life cycle stages adolescence and adulthood Rueschmann offers an in depth discussion of such films as *An Angel at My Table* *Double Happiness* *Eve's Bayou* *Gas Food Lodging* *Heavenly Creatures* *Little Women* *Marianne and Julianne* *Paura e amore* *Peppermint Soda* *The Silence* *Sweetie* and *Welcome to the Dollhouse* Rueschmann draws upon the works of filmmakers from the 1970s to the 1990s Some of the directors included in her study are Allison Anders Gillian Armstrong Ingmar Bergman Jane Campion Peter Jackson Mina Shum Diane Kurys Kasi Lemmons Todd Solondz and Margarethe von Trotta *Sisters on Screen* will appeal to anyone interested in women's studies film studies psychology psychoanalytic readings of cinema women directors and international modern film Author note Eva Rueschmann is Assistant Professor of Cultural Studies at Hampshire College *Affirming Identity, Advancing Belonging, and Amplifying Voice in Sororities and Fraternities* Pietro A. Sasso, Mónica Lee Miranda, J. Patrick Biddix, 2024-04-01 In the wake of the AbolishGreekLife and other calls for racial justice the role of identity development also becomes ever increasingly important as we consider how to make the sorority fraternity more inclusive for

our students In the end it may really be the power of inclusion on college campuses that leads to many of the educational goals that we yearn for in student growth the formal and informal social interactions bonded in reflective learning that help build social and academic success In this we can celebrate together especially those of us who have romanticized so many bright college years This text is a response to a call for existential exploration as an attempt to critically revivify our understanding of the sorority fraternity experience as it contributes specifically to students identity development and learning The text is grouped around centering their experiences through three A s Amplifying Voice Affirming Identity and Advancing Belonging to highlight the identity experiences of the diverse spectrum of fraternity and sorority members across the intersections of identity so often excluded from the literature Chapters in this text attempt to foreground how the fraternity sorority experience explicitly contributes to these areas of student development across multiple identities including race ethnicity culture gender identity social class and ability Authors critically interrogate systems of oppressions that subjugate marginality from those with intersectional identities to recognize the larger challenges facing the sorority fraternity movement as an attempt to disrupt these systems to better identify influences on identity development

ENDORSEMENTS Pietro Sasso and associates are leading a game changing conversation about the impact of fraternity and sorority communal experiences on student identity Pietro Sasso and the contributing authors of this robust text successfully endeavor to inform practice through critical analysis framing important questions and offering pragmatic solutions that are timely relevant and practical in both the academy and the fraternal system This book is a must read for anyone seeking to understand or have a relevant impact on the intersections of sense of belonging identity development and sorority fraternity life Jason L Meriwether Campbellsville University In their most recent book examining contemporary sorority and fraternity life Sasso Biddix and Miranda have curated discerning chapters that expand existing scholarship by exploring the impact of fraternity and sorority membership on identity development belonging and student voice through critical lenses This book should be on the bookshelf of all higher education administrators and faculty Gavin Henning New England College

Katherine and the Sisters Who Shared Her Vision moves beyond the story of the heiress's individual life devoted to God and shines a light on the work she did assisted by the Sisters of the Blessed Sacrament Drexel could have lived comfortably wealthy and privileged as a Philadelphia philanthropist but chose to found a religious congregation of women dedicated to working within Black and Indigenous communities without receiving the bulk of the money left by Drexel's father The author's careful examination of the work Drexel and her Sisters accomplished in Philadelphia and elsewhere shows impacts on the Church while also revealing racial issues at work in the story This brings a critical perspective to Drexel's ministry to further our understanding of the Black Catholic community and renew our commitment to the difficult ongoing conversation about race in America
