Sisters Of Severcy:

Headpress Guide to the Counter Culture Temple Drake, 2004 An indispensable sampling of the vast assortment of publications which exist as an adjunct to the mainstream press or which promote themes and ideas that may be defined as pop culture alternative underground or subversive Updated and revised from the pages of the critically acclaimed Headpress journal this is an enlightened and entertaining guide to the counter culture including everything from cult film music comics and cutting edge fiction by way of its books and zines with contact information accompanying each review **From Silence to Secrecy** Martha E. Leiker, 2010-12-08 As a young girl growing up in Kansas Martha Leiker always felt a pull toward Africa She couldn't explain why but she dreamed of working in Africa with the African people In *From Silence to Secrecy* Leiker narrates the story of how she made that dream come true Leiker likens her life to that of a chameleon changing easily from one lifestyle to another This memoir follows those changes beginning with her birth in 1940 in rural Kansas her training as a nun with the Missionary Sisters of Our Lady of Africa in Pennsylvania her work in Africa as a missionary for eight years her twenty years of service with the CIA and her current position with the National Active and Retired Federal Employees Association NARFE in Colorado Including many fascinating photos *From Silence to Secrecy* demonstrates how one young girl with a dream accomplished her goals and lived a life full of rich experiences Leiker's story shows how her faith hope inner strength and dreams carried her far **Secrecy** Amabel Daniels, 2019-09-05 Before Layla Holden can start her freshman year at Colton High she receives an unexpected invitation to attend a private school she's never heard of She doesn't hesitate to accept eager to escape the close minded small town where she's been taunted and teased for seeing otherworldly creatures Anywhere has to be better than home Yet she's only permitted to go if she brings her twin sister Sabine along for the ride Inside the walls of the castle like fortress on the isolated campus the girls find many secrets and hidden mysteries Layla's never shied from challenges and is determined to pass her first year However with more unusual and bigger monsters lurking at the school she struggles to keep her ability a secret On top of the pressure to succeed in the competitive school she also attracts the attention of a new student Flynn Madsen He's not the only one who's curious about her but he seems to have the same gift of sensing these supernatural beings In a new school it's impossible to know who to trust and what to believe By keeping her own secrets closely guarded Layla has to have faith in herself Not her bookish roomie not the cute new boy who seems too curious about her Because sometimes holding your own secrets can overpower the need to unravel others a fine balance of controlling your fears or letting them destroy you **Secrecy and Deceit** David Martin Gitlitz, 2002 Comprehensive history of crypto Jewish beliefs and social customs **Sworn To Secrecy World War II Memoirs** Annette Salvesen, 2014-03-03 Annette More is just a teenager living in England when Europe becomes consumed with the violence of World War II Annette is helpless when she learns that her mother Dorothy and step father Jackie are in Singapore when the Japanese invade As the fighting intensifies in 1944 Annette finds herself drawn into the secret world of codes and cyphers of

the now famous Bletchley Park Code and Cypher School in England After Germany is defeated Annette would continue her service in Germany and then Italy gaining close friends and experiencing all that life has to offer along the way

Secrecy and Sapphic Modernism S. Nair, 2011-12-06 Novels by significant Modernist authors can be described as romances clef providing insight into restrictions governing the representation of female homosexuality in the early twentieth century Nair argues that key novels of the period represented same sex desire through the encryption of personal references directed towards coterie audiences

Salman Rushdie and the Genesis of Secrecy Vijay Mishra, 2019-05-16 Salman Rushdie and the Genesis of Secrecy is the first book to draw extensively from material in the Salman Rushdie archive at Emory University to uncover the makings of the British Indian writer's modernist poetics Simultaneously connecting Rushdie with radical non Western humanism and an essentially English European sensibility and therefore questions about world literature this book argues that a true understanding of the writer lies in uncovering his genesis of secrecy through a close reading of his archive Topics and materials explored include unpublished novels plays and screenplays the earlier versions and drafts of *Midnight's Children* and its adaptations understanding Islam and *The Satanic Verses* the influence of cinema and Rushdie's turn to earlier archives as the secret codes of modernism Through careful examination of Rushdie's archive Vijay Mishra demonstrates how Rushdie combines a radically new form of English with a familiarity with the generic registers of Indian Arabic and Persian literary forms Together these present a contradictory orientalism that defines Rushdie's own humanism within the parameters of world literature

Secrecy and Responsibility in the Era of an Epidemic Hanne Overgaard Mogensen, 2020-07-29 A narrative ethnography about a Ugandan woman and her relatives this novelistic fine grained volume shows how global questions of responsibility and inequity travel in family networks and confront people with decisions about life and death It is a story of existence under extremely challenging conditions about belonging and marginalization about the opacity and ambiguity of social relations and about growing up in a country haunted by violence and civil war only to be later lifted by optimism and devastated anew by the AIDS epidemic The story draws on long term fieldwork and letters from the woman who takes centre stage in the story while at once providing unique and privileged insight into the ethical challenges of a research method that demands personal involvement that is ultimately withdrawn for scholarly analysis

Fourth Report from the Committee of Secrecy Appointed to Enquire Into the Causes of the War in the Carnatic, and of the Condition of the British Possessions in Those Parts Great Britain. Parliament. House of Commons. Committee of Secrecy Appointed to Enquire into the Causes of the War in the Carnatic, 1782

Secrecy and Cultural Reality Gilbert Herdt, 2010-02-22 A compelling study of male ritual secrecy and its impact on the cultures of Melanesia and Papua New Guinea

Role of Giant Corporations: Corporate secrecy: ownership and control of industrial and natural resources United States. Congress. Senate. Select Committee on Small Business. Subcommittee on Monopoly, 1969

Taboo and Secrecy Kameel Ahmady, This groundbreaking book by Kameel Ahmady and his team delves deep into the harrowing and often hidden issue of child sexual abuse

in Iran with a particular focus on incest Taboo and Secrecy combines rigorous research with poignant fieldwork shedding light on the multifaceted dimensions of this sensitive subject This book not only highlights the prevalence and impact of child sexual abuse but also calls for urgent reforms and preventive measures By advocating for education awareness and legal protection it aims to foster a safer environment for children in Iran and beyond Taboo and Secrecy is an essential read for policymakers educators social workers and anyone committed to understanding and combating child sexual abuse Its evidence based approach and heartfelt narratives make it a powerful tool for advocacy and change Children Family Incest Iranian Society Repercussions of Sexual Abuse Same Sex Attraction repercussions of sexual abuse same sex attraction legal pathology sexual violence against children construction of adultery laws of Iran **Vow of Secrecy** Ray Ventura,2016-02-19

Father Jonah Stapleton is a young strikingly handsome Catholic priest with a bright future While into his second archdiocesan assignment as associate pastor at Saint Francis of Assisi Church and School he does his best to impress the old tough and demanding monsignor who maintains a no nonsense agenda and a penchant for punctuality When several brutal murders of single women rock their community the young priest is suddenly drawn into a sequence of events by a mysterious individual who visits him in the confessional booth Besides desperately trying to remain loyal to his priestly vows Father Jonah must race against pure evil to somehow protect another potential victim from the killer while also keeping an overly curious detective at bay **Cultures of Secrecy** Andrew Lattas,1998 After driving the Japanese out of Papua New Guinea during World War II the U S military forces left their gear and the makings of a cargo cult to the native Kaliai CULTURES OF SECRECY offers a close look at how for fifty years the bush Kaliai in Melanesia have worked these tailings of the western world into their indigenous culture Lattas shows how cargo cults in general bring together past present and future in their curious blending of traditional myths imported folklore borrowed state practices and ideologies and reworked Christian stories The result is a richly interdisciplinary work that uses ethnography to explore questions of racial experience gender relations space time death and the politics of human relations Never passive imitators the Kaliai as Andrew Lattas portrays them actively incorporate and transform western beliefs and practices into their own narratives of life sexuality and death The consequences are new myths and histories new relationships with the ancestral dead an alternative world of power and knowledge through which the Kaliai accommodate the dominant white culture and its institutions Lattas examines the racial conflict that has riddled the recent history of the cargo cults He also describes the cults demonization by the New Tribes missionaries from the United States who disapprove of the villagers unorthodox miming of European symbols and practices His book allows us to see behind the villagers ambivalence toward whiteness as they continue to reinvent their social world **The foster sisters** Edmond Brennan Loughnan,1871 **Legacy of Secrecy** Lamar Waldron,Thom Hartmann,2009-03-01 This painstakingly researched follow up to Ultimate Sacrifice draws on explosive new material from the National Archives to piece together the puzzle of JFK s assassination Vanity Fair A riveting take on the assassination

itself and the devastating results of government secrets Publishers Weekly John F Kennedy s assassination launched a frantic search to find his killers It also launched a flurry of covert actions by Lyndon Johnson Robert F Kennedy and other top officials to hide the fact that in November 1963 the United States was on the brink of invading Cuba as part of a JFK authorized coup The coup plan s exposure could have led to a nuclear confrontation with Russia but the cover up prevented a full investigation into Kennedy s assassination a legacy of secrecy that would impact American politics and foreign policy for the next forty five years It also allowed two men who confessed their roles in JFK s murder to be involved in the assassination of Dr Martin Luther King in 1968 Exclusive interviews and newly declassified files from the National Archives document in chilling detail how three mob bosses were able to prevent the truth from coming to light until now **Victorian Secrecy**

Denise Tischler Millstein,2016-02-24 Whether commercial personal political professional or spiritual knowledge was capital for the Victorians in their ongoing project of constructing a modern information based society Victorian Secrecy explores the myriad ways in which knowledge was both zealously accumulated and jealously guarded by individuals institutions and government entities in Victorian Britain Offering a wide variety of critical approaches and disciplinary perspectives the contributors examine secretive actors with respect to a broad range of subjects including the narrator in Tess of the d Urbervilles John Henry Newman s autobiographical novel Loss and Gain Richard Dadd s The Fairy Feller s Masterstroke modes of detection in Bleak House the secret history of Harriet Martineau s role in the repeal of the Corn Law and Victorian stage magicians Taken together the essays provide a richly textured account of which modes of hiding and revealing articulate secrets in Victorian literature and culture how social relations are formed and reformed in relationship to secrecy and what was at stake individually aesthetically and culturally in the Victorians clandestine activities **Beyond Choice**

and Secrecy Tristan Bellini,2013 Beyond Choice and Secrecy seamlessly interweaves themes of love and loss conflict and death through two radically diverse cultures sexually liberated 1960s Brooklyn and tradition bound Naples Italy in the same epoch Tristan Bellini paints both worlds vividly with stunningly memorable characters and a sometimes dark satire that simultaneously jangles our funny bones and rubs raw our middle class sensibilities Bellini s protagonist Jude McGrath a recent Brooklyn College graduate studying in Italy meets delicious Bianca Bellini daughter of a Neapolitan baron Within weeks they decide to marry Bianca fears her father s disapproval and coaches freethinking Jude for his meeting with the traditionalist baron recounting a history of larger than life Generoso Bellini s exploits To Bianca s relief the two men take to one another The marriage goes well for a year in Naples but flounders in Brooklyn Homesick Bianca returns to Naples periodically In her absence Jude becomes involved with Joy a precocious and formidable teenager The triangle proves improbably durable surviving family tragedies and efforts to break it from without and within Bellini s treatment of it by turns funny and touching challenges our conventional paradigm of what relationships must and should be questioning the limitations it imposes on how and whom we love and the painful choices it reserves for those who breach them **Secrecy**

and Disclosure in Victorian Fiction Leila Silvana May, 2016-07-15 Why were the Victorians more fascinated with secrecy than people of other periods What is the function of secrets in Victorian fiction and in the society depicted how does it differ from that of other periods and how did readers of Victorian fiction respond to the secrecy they encountered These are some of the questions Leila May poses in her study of the dynamics of secrecy and disclosure in fiction from Queen Victoria's coronation to the century's end May argues that the works of writers such as Charlotte Brontë William Makepeace Thackeray Mary Elizabeth Braddon Edward Bulwer Lytton and Arthur Conan Doyle reflect a distinctly Victorian obsession with the veiling and unveiling of information She argues that there are two opposing vectors in Victorian culture concerning secrecy and subjectivity one presupposing a form of radical Cartesian selfhood always remaining a secret to other selves and another showing that nothing can be hidden from the trained eye May calls the relation between these clashing tendencies the dialectics of secrecy and disclosure May's theories of secrecy and disclosure are informed by the work of twentieth century social scientists She emphasizes Georg Simmel's thesis that sociality and subjectivity are impossible without secrecy and Erving Goffman's claim that sociality can be understood in terms of performativity the presentation of the self in everyday life and his revelation that performance always involves disguise hence secrecy May's study offers convincing evidence that secrecy and duplicity in contrast to the Victorian period's emphasis on honesty and earnestness emerged in response to the social pressures of class gender monarchy and empire and were key factors in producing both the subjectivity and the sociality that we now recognize as Victorian

Satire and Secrecy in English Literature from 1650 to 1750 M.

Rabb, 2007-12-09 This book revises assumptions about satire as a public masculine discourse derived from classical precedents in order to develop theoretical and critical paradigms that accommodate women popular culture and postmodern theories of language as a potentially aggressive injurious act Although Habermas places satirists like Swift and Pope in the public sphere this book investigates their participation in clandestine strategies of attack in a world understood to be harboring dangerous secrets Authors of anonymous pamphlets as well as major figures including Behn Dryden Manley Swift and Pope share at times what Swift called the writer's life by stealth

Whispering the Techniques of Language: An Mental Quest through **Sisters Of Severcy**

In a digitally-driven earth wherever screens reign supreme and quick transmission drowns out the subtleties of language, the profound techniques and emotional subtleties concealed within phrases frequently move unheard. Yet, set within the pages of **Sisters Of Severcy** a fascinating literary value pulsating with raw feelings, lies an extraordinary journey waiting to be undertaken. Penned by a skilled wordsmith, that enchanting opus invites viewers on an introspective trip, gently unraveling the veiled truths and profound affect resonating within the very material of each and every word. Within the mental depths of the touching evaluation, we will embark upon a genuine exploration of the book is key themes, dissect its captivating writing model, and fail to the powerful resonance it evokes serious within the recesses of readers hearts.
