Six Chukkers Of Love:

Six Chukkers of Love William Clark Hetherington,2005 Six Chukkers of Love Wm. Clark Hetherington,2005-02-04

Six Chukkers of Love is more than Clark Hetherington's autobiography. It is a first hand account of the history of polo in the United States post World War II. Clark knew all of the movers and shakers, great players and sundry characters that were responsible for polo's growth and development. His book is filled with wonderful stories of these individuals and their enthusiasm for the sport. These pages portray not only his love of polo and his important role in its growth but also the influential roles played by each of many other individuals. At the National Museum of Polo and Hall of Fame, part of our mission is to preserve record and archive the history and tradition of polo. Much of what Clark has written in these pages are anecdotes of personal experiences nowhere else previously documented. The anecdotes and stories convey what all of us who live the sport know to be the true flavor of its tradition. Our heartfelt gratitude goes out to the author for preserving this history. Six Chukkers of Love is another chapter in Clark Hetherington's dedicated service to the sport of polo. In 2004 the National Museum of Polo and Hall of Fame recognized his lifetime contributions with the Iglehart Award. Some of these contributions are briefly outlined on the plaque in his honor at the Museum as follows: He spent a lifetime dedicated to polo. An avid player since age 7. He later captained the Oklahoma University team. He started Broad Acres Polo Club in 1954 and served four years as USPA circuit governor. At his own expense he produced educational films such as Charlie Chukker and an umpire training presentation. Clark has been called by many "The father of professional umpiring." He tirelessly promoted a uniform standard for all umpires to the USPA and to clubs around the country. After his appointment as USPA chief umpire he developed umpire training programs and conducted numerous clinics across the nation, furnishing horses and equipment.

Polo in the United States Horace A. Laffaye,2014-01-10 Though polo is commonly associated with Britain and South America, the sport also enjoys a strong following in the United States. This comprehensive history describes the evolution of polo in the U.S. from its beginnings in a New York City riding academy in 1876 to the 2010 Open Championship held in Florida. The principal early players and the first polo clubs are covered, as is American participation in the Olympics, polo at universities and colleges, women's polo, indoor polo, and polo in the military. Additionally, chapters also examine polo in the arts and in literature. *The Polo Encyclopedia, 2d ed.* Horace A. Laffaye,2015-03-24 In its greatly expanded second edition, this definitive reference work on the sport of Polo includes more than 18,000 alphabetical and cross-referenced entries covering players, teams, national and international tournaments, rules of the game, books on polo, and their authors, as well as painters and sculptors of polo subjects. No other book includes as much information about the game in a single volume.

Love with a Warm Cowboy Lenore Carroll,1993 After receiving a harsh lesson in the ways of love, Professor Barbara Door arrives in Wyoming and finds just what she's looking for: plenty of tanned muscular guys in cowboy boots. But she's also in for a few surprises. Some cowboys play polo, some even own books. And sometimes just when you're in the mood for lust

Six Chukkers Of Love Introduction

In today's digital age, the availability of Six Chukkers Of Love books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Six Chukkers Of Love books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Six Chukkers Of Love books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Six Chukkers Of Love versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Six Chukkers Of Love books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Six Chukkers Of Love books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks.
