**The Philosophical Fisherman** Harold Blaisdell, 2015-08-04 My favorite book on fishing a classic from one of my favorite writers John Randolph former editor Fly Fisherman Earthy and philosophical practical yet speculative this book is a wonderful and enduring portrait of a fisherman s temperament Full of the late Harold F Blaisdell s infectious humanity and wisdom The Philosophical Fisherman long out of print is a classic Blaisdell is always independent and original in his thinking He refutes the widely held theory that game fish attack artificial lures because they believe them to be baitfish He argues that fish do not fear leaders per se but become alarmed only if the leader results in the unnatural movement of the bait or lure He debunks the vaunted effectiveness of the artificial nymph explores the best methods of wet and dry fly fishing and tests his theories against such gamefish as trout smallmouth bass landlocked salmon walleyes and northern pike There is something here for everyone who fishes including a persuasive argument that the average angler anywhere in the country can invariably find superb fishing with in hour s drive of his home Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home **LISTEN TO THE WOLVES** Steven E.

What does a successful businesswoman born and bred in Chicago want with half ownership of a quaint bait shop in northern Minnesota willed to her by her grandfather? And how will the reclusive half owner of the shop convince the woman to sell out her half to him? For Cassandra Thompson, a Marilyn Monroe look-alike who's recently been dumped by her second fiancé in two years, it could mean a well-needed change in life. For Leif Halverson, a handsome man of Ojibwa extraction and co-owner of the shop, it could mean disaster like falling in love. Leif is far from happy about this city woman invading his territory, so he challenges her to a wilderness survival contest where the winner takes all. *The River Home* Jerry Dennis, 2014-01-30. In this remarkable collection of essays and stories, winner of the Best Book of the Year Award from the Outdoor Writers Association of America, Jerry Dennis demonstrates why he has emerged as one of America's finest writers on nature and the outdoors. In prose that has drawn comparisons with John Voelker, Sigurd Olson and Aldo Leopold, Dennis celebrates the simple pleasures and complex challenges of family life, the allure of giant trout, the sacredness of secret places and such wonders as bad weather, quirky fishing companions and the occasional naked angler. Ranging from northern Michigan to Iceland, Chile and the fabled rivers of the American West, *The River Home* is a passionate record of a life lived fully, crafted with clarity, insight and good humor by a writer gifted with an instinct for what matters. PRAISE: This bright and sharply written book is a guide to a life lived consciously, a prerequisite and bonus of the sport done well. Lisa Faye Kaplan, USA Today.
