Easing Labor Pain Adrienne Lieberman, 1992-05-16 Reassuring guide for expectant mothers to wide range of pain control options

Birthing Fathers Richard K. Reed, 2005 In this unique study Richard Reed draws on the feminist critique of

professionalized medical birthing to argue that the clinical nature of medical intervention distances fathers from child delivery. He explores men's roles in childbirth and the ways in which birth transforms a man's identity and his relations with his partner, his new baby, and society. In other societies, birth is recognized as an important rite of passage for fathers. Yet in American culture, despite the fact that fathers are admitted into delivery rooms, little attention is given to their transition to fatherhood.

Giving Birth With Confidence (Official Lamaze Guide, 3rd Edition) Judith Lothian, Charlotte DeVries, 2017-03-28

For a Safe and Healthy Birth Your Way: Giving Birth with Confidence will help take the mystery out of having a baby and help you better understand how your body works during pregnancy and childbirth, giving you the confidence to make decisions that best ensure the safety and health of you and your baby. Giving Birth with Confidence is the first and only pregnancy and childbirth guide written by Lamaze International, the leading childbirth education organization in North America. Written with a respectful, positive tone, this book presents information to help you choose your maternity care provider and place of birth. Practical strategies to help you work effectively with your care provider. Information on how pregnancy and birth progress naturally. Steps you can take to alleviate fear and manage pain during labor. The best available medical evidence to help you make informed decisions. Previously titled *The Official Lamaze Guide*, this 3rd edition has updated information on: How vaginal birth keeps mother and baby together and breastfeeding helps to build the baby's microbiome. How hormones naturally start and regulate labor and release endorphins to help alleviate pain. Maternity care practices that can disrupt the body's normal functioning. The latest recommendations on lifestyle issues like alcohol, vitamins, and caffeine. Room sharing and cosleeping: the controversy, recommendations, and safety guidelines. Out-of-hospital births are on the rise. New research and advice on planned home birth, including ACOG's revised guidelines which support women's choices and promote seamless transfer to hospital if needed. The importance of avoiding unnecessary cesareans for mother and child. Includes the new ACOG guidelines on inductions and active labor. The research in support of the Lamaze International's Six Healthy Birth Practices which are: Let labor begin on its own. Walk, move around, and change positions throughout labor. Bring a loved one, friend, or doula for continuous support. Avoid interventions that aren't medically necessary. Avoid giving birth on your back and follow your body's urges to push. Keep mother and baby together; it's best for mother, baby, and breastfeeding.

Women, Power, and Therapy Marjorie Braude, 1988. The woman seriously interested in her personal growth and self-awareness will find this volume indispensable reading. She can learn how to assume power over her relationships, mind, body, and positions in society. Leading feminist therapists provide methods that can help women make their aspirations for power a reality in the workplace, in social situations, in intimate relationships. Topics include black women and the politics of skin color and hair, agoraphobic women, and behavior change, unlearning victim behavior, decision making about contraception, single mothers by choice, female alcoholism, and affiliation needs, and much more. This volume is on the cutting edge of the rapidly expanding body of literature and knowledge in women's studies and describes new and frequently

controversial ideas and programs It deals with issues of power over the intimacies of women s bodies and psyches as well as power in the workplace professional societies and the courts In order to help the reader understand these issues more fully this fine book also describes some of the historical and social contexts in which women have not had power or have gained power

Lamaze Paula A. Michaels,2014-02-20 Reveals the surprising history of the Lamaze method of childbirth also known as psychoprophylaxis by tracing this psychological non pharmacological approach to obstetric pain relief from its origins in the USSR in the 1940s to France in the 1950s and to the United States in the 1960s and 1970s Effectiveness and Satisfaction in Antenatal Care M. Enkin,I. Chalmers,1982-04-22 The potential contribution of antenatal care to health is enormous However if this potential is to be fully realised the content and organisation of that care must be more imaginatively conceived and realised and must take into account the uncomfortable paradox that antenatal care is a mixture of science and magic This book faces that paradox asking what in antenatal care has been shown by proper scientific method to work what is questionable dogma what is magic what should be done now This volume is intended not only for those professionals giving the care and for the potential mothers receiving it but also for all those who influence decisions concerning the future of antenatal care such as politicians researchers and the public in general

Deliver Me from Pain Jacqueline H. Wolf, 2012-04-01 Despite today s historically low maternal and infant mortality rates in the United States labor continues to evoke fear among American women Rather than embrace the natural childbirth methods promoted in the 1970s most women welcome epidural anesthesia and even Cesarean deliveries In *Deliver Me from Pain* Jacqueline H Wolf asks how a treatment such as obstetric anesthesia even when it historically posed serious risk to mothers and newborns paradoxically came to assuage women s anxiety about birth Each chapter begins with the story of a birth dramatically illustrating the unique practices of the era being examined *Deliver Me from Pain* covers the development and use of anesthesia from ether and chloroform in the mid nineteenth century to amnesiacs barbiturates narcotics opioids tranquilizers saddle blocks spinals and gas during the mid twentieth century to epidural anesthesia today Labor pain is not merely a physiological response but a

phenomenon that mothers and physicians perceive through a historical social and cultural lens Wolf examines these influences and argues that medical and lay views of labor pain and the concomitant acceptance of obstetric anesthesia have had a ripple effect creating the conditions for acceptance of other often unnecessary and sometimes risky obstetric treatments forceps the chemical induction and augmentation of labor episiotomy electronic fetal monitoring and Cesarean section As American women make decisions about anesthesia today Deliver Me from Pain offers them insight into how women made this choice in the past and why each generation of mothers has made dramatically different decisions

It's Your Pregnancy Niels H. Lauersen, 2010-06-15 Dr Niels Lauersen clinical professor of Ob Gyn at New York Medical College provides sensitive clear cut answers to the pregnant woman's most difficult and pressing questions Pregnancy is a time of great emotional and physical change that creates countless concerns and questions for the expectant mother All too often however many of these questions go unanswered because patients are hesitant or afraid to ask their obstetricians It's Your Pregnancy is the modern woman's question and answer guide to every aspect of pregnancy and childbirth Culled from years of office experience telephone and personal interviews as well as questionnaires It's Your Pregnancy provides authoritative sensitive and compassionate answers to a pregnant woman's most difficult and pressing questions

Good Wives Laurel Thatcher Ulrich, 2010-12-29 This enthralling work of scholarship strips away abstractions to reveal the hidden and not always stoic face of the goodwives of colonial America In these pages we encounter the awesome burdens and the considerable power of a New England housewife's domestic life and witness her occasional forays into the world of men We see her borrowing from her neighbors loving her husband raising and all too often mourning her children and even attaining fame as a heroine of frontier conflicts or notoriety as a murderess Painstakingly researched lively with scandal and homely detail Good Wives is history at its best

Six Practical Lessons For An Easier Childbirth Introduction

In the digital age, access to information has become easier than ever before. The ability to download Six Practical Lessons For An Easier Childbirth has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Six Practical Lessons For An Easier Childbirth has opened up a world of possibilities. Downloading Six Practical Lessons For An Easier Childbirth provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Six Practical Lessons For An Easier Childbirth has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Six Practical Lessons For An Easier Childbirth. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Six Practical Lessons For An Easier Childbirth. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Six Practical Lessons For An Easier Childbirth, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Six Practical Lessons For An Easier Childbirth has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
