Indigenous Child and Youth Care Cherylanne James,2023-08-10 At its core Indigenous Child and Youth Care Weaving Two Heart Stories Together is about unity It seeks to create a heart to heart practice by bridging Indigenous ways of knowing with Western Child and Youth Care practices encouraging students to approach their work with a more open understanding of First Nations M tis and Inuit worldviews Author Cherylanne James guides students through self location by dismantling their pre existing biases regarding Indigenous Peoples understanding personal privilege and power educating themselves on Canadian and Indigenous history and contexts and learning about the pervasive impacts of colonialism Students will cultivate a practice that encourages ethical spaces of engagement while steering away from surface level or disingenuous interactions The text applies concepts and theories such as relational accountability interconnectivity resurgence community centred approaches wise practices relationship building anti oppression anti racist and social justice frameworks to enrich CYC practices and prepare students to engage with Indigenous children youth and families in an informed meaningful way Indigenous Child and Youth Care is designed as a journey wherein the student reflects while they learn and grow as a CYC professional It includes a variety of pedagogical features that catalyze thoughtful interaction with the material such as a glossary discussion questions reflective practice question boxes and additional resources for further learning This is a powerful and vital text for college and university students in Child and Youth Care and Human Services

FEATURES Unites Indigenous worldviews histories and knowledge systems with western Child and Youth Care practices Exposes students to pre existing colonial and racist power structures while introducing them to Indigenous concepts and theories for inclusive practice Contains a broad variety of pedagogical features including a glossary reflective practice questions discussion questions activities and additional resources

Overwhelmed Brigid Schulte,2014-03-11 Can working parents in America or anywhere ever find true leisure time According to the Leisure Studies Department at the University of Iowa true leisure is that place in which we realize our humanity If that s true argues Brigid Schulte then we re doing dangerously little realizing of our humanity In Overwhelmed Schulte a staff writer for The Washington Post asks Are our brains our partners our culture and our bosses making it impossible for us to experience anything but contaminated time

Schulte first asked this question in a 2010 feature for The Washington Post Magazine How did researchers compile this statistic that said we were rolling in leisure over four hours a day Did any of us feel that we actually had downtime Was there anything useful in their research anything we could do A New York Times bestseller Overwhelmed is a map of the stresses that have ripped our leisure to shreds and a look at how to put the pieces back together Schulte speaks to neuroscientists sociologists and hundreds of working parents to tease out the factors contributing to our collective sense of being overwhelmed seeking insights answers and inspiration She investigates progressive offices trying to invent a new kind of workplace she travels across Europe to get a sense of how other countries accommodate working parents she finds younger couples who claim to have figured out an ideal division of chores childcare and meaningful paid work Overwhelmed is the story of what she found out , Theatre Worlds in Motion S.E. Wilmer,H. van Maanen,2024-04-02 Theatre Worlds in Motion aims to clarify the different theatre traditions and practices in Western Europe from a historical and sociological perspective The book grew out of a perceived need among theatre scholars who had recognised that while they understood the theatre system of their own country they often found it difficult to discover how it compared with other countries The chapters analyse the basic components and dynamics of theatre systems in seventeen Western European nations in order to elucidate how the systems function in general and how they vary in different cultures The book provides a sense of what has been happening recently in particular countries and indicates how the theatre systems have developed over time and have led to the current practices and structures Each national chapter considers the historical tradition and place of theatre within the country and analyses the role of the state in fostering theatre during the last fifty years Material from the national chapters has been used in two general chapters at the beginning and end of the book to provide an overview to developments in all Western Europe The introductory chapter on decentralisation discusses the tendency amongst governments to encourage cultural development outside the national capital by providing subsidy for regional theatre venues and theatre companies and in many cases by developing the decision making and budgetary powers for the theatre to regional and local authorities The epilogue on the functioning of theatre examines the common structures of theatre in society as described in the seventeen national chapters and it proposes areas for future research

Social Work's Histories of Complicity and Resistance Vasilios Ioakimidis,Aaron Wyllie,2023-06-14 Social work is often presented as a benevolent and politically neutral profession avoiding discussion about its sometimes troubling political histories This book rethinks social work s legacy and history of both political resistance and complicity with oppressive and punitive practices Using a comparative approach with international case studies the book uncovers the role of social workers in politically tense episodes of recent history including the anti racist struggle in the US and the impact of colonialism in Australia New Zealand and Canada As the de colonisation of curricula and the Black Lives Matter movement gain momentum this fascinating book skilfully navigates social work s collective political past while considering its future

Sex & the 60s Cissy Wechter,2006-10 Stranger in Baja

takes the reader to sun struck and tawdry Cabo San Lucas the overdeveloped resort outpost on Mexico's bone dry southern Baja peninsula and the setting for a street war between evangelical foreigners and local Catholics Troubled by doubts and demons naive missionary volunteer Rob Hudson arrives in Cabo on a soul seeking mission and finds a world of inept arsonists wily healers prying journalists Machiavellian bosses troubled hermits hip hop bands lunar rituals drug gangs and a music teacher who rocks his soul
