Skagit Memories:

Skagit Memories Charles M. Dwelley, Helen May Dwelley, 1979 *The Way We Ate* Jacqueline B. Williams, 2021-06-22
Probing diaries letters business journals and newspapers for morsels of information food historian Jackie Williams here follows pioneers from the earliest years of settlement in the Northwest when smoldering logs in a fireplace stood in for a stove and water had to be hauled from a stream or well to the times when railroads brought Pacific Northwest cooks the latest ingredients and implements The fifty year journey described in *The Way We Ate* documents a change from a land with few stores and inadequate housing to one with business establishments bursting with goods and homes decorated with the latest finery Like she did in her earlier acclaimed volume *Wagon Wheel Kitchens Food on the Oregon Trail* Williams has in her latest book shed important new light on a little understood aspect of our past These tales of a pioneer wife bemoaning her husband's gift of a cookbook when she really needed more food or preparing sweets and savories for holiday celebrations when the kitchen was just a tiny space in a one room log cabin show another side of the grim faced pioneers portrayed in movies Here we encounter real American history and culture one that vividly portrays the daily lives of the people who won the West not in Hollywood gun battles but in the kitchens and fields of a world that has disappeared Interlacing a lively narrative with the pioneers own words *The Way We Ate* is truly a feast for those who believe that much depends on dinner
