I Will Tell No War Stories Howard Mansfield, 2024-04-16 When Howard Mansfield grew up World War II was omnipresent and hidden This was also true of his father's time in the Air Force Like most of his generation it was a rule not to talk about what he'd experienced in war You're not getting any war stories from me he'd say Cleaning up the old family house the year before his father's death Mansfield was surprised to find a short diary of the bombing missions he had flown Some of the missions were harrowing Mansfield began to fill in the details and to be surprised again this time by a history he thought he knew I Will Tell No War Stories is about undoing the forgetting in a family and in a society that has hidden the horrors and cataclysm of a world at war Some part of that forgetting was necessary for the veterans otherwise how could they come home how could they find peace I Will Tell No War Stories is also about learning to live with history a theme Mansfield explored in earlier books like *In the Memory House* which *The New York Times* called a wise and beautiful book and *The Same As Twice* said by the Times to be filled with
