Shadows, Skeletons and a Southern Belle Jilda Leigh, 2012-08 Her mind was foggy She wasn't exactly sure where she was Then reality came crashing in What happened she thought to herself I'd planned everything out so carefully I wrote a note I took way too many pills I even cut myself far deeper than I have ever cut myself before she mumbled out loud What went wrong Why am I still here Then slowly she began to sob There were tubes coming out of her everywhere IVs running to ensure she was hydrated Hell a nurse was checking on her every hour on the hour This just couldn't be happening But it was There was an IV in each arm and one in her left foot She had a catheter An oxygen tube was in her nose Machines were humming and buzzing The straps still hung loosely from the sides of the bed where she had been restrained She continued to sob looking around at the dismal surroundings Her only thought I failed again But who had found me Who had saved me she thought More importantly why did they save me WHY Didn't they realize how much pain I was in I mean I just tried to kill myself did they miss that clue she said to no one in the room Shadows crept in around her They fit her like a glove They were familiar always bringing the sorrow and despair She tried to turn on her side in the hospital bed to no avail She only cried harder and harder The voices started to speak again taunting her laughing at her failure The voices were always with her like the shadows The banged inside her head like a drum always trying to get her attention She seriously considered ripping the IVs from her body just to feel the pain to know for certain this was real But something held her at bay It wasn't the pain that caused her to pause it was the idea of being restrained again It was the fear the fear of the unknown The Skeleton named Fear that haunted her for decades Then it happened again Committed The voices were howling with laughter You botched it you moron they said Skeleton Fear got up from her chair The shadows started crawling back towards me Then reality hit like a frying pan against the head I'm stuck here I thought I was searched organized prodded probed checked vampired fed and sent to lectures Up at 6am breakfast at 7 30am lunch at 12 30pm supper at 6 30pm medicine at 9pm and lights out at 10pm What in the hell is going on I thought I was checked every hour on the hour during the night Roll was taken at every meal every class and every activity This is not going to be good Skeleton Fear just smiled The voices snickered I was given a handbook to read and complete Handouts were given at lectures Information was passed along so we would learn how to cope with our illness What illness I thought The Skeletons and the voices only snickered After two weeks of this participation I was told I had improved and would be discharged My diagnosis of Bipolar Depression was confirmed along with OCD and Generalized Anxiety Disorder I was given scripts for medicines and

an appointment with a psychiatrist Then I was patted on my head and sent on my way I wasn't cured Nothing was different Shortly after my pardon from the warden I start dating Ivan We have supper most nights together and he stays with me some But he doesn't put me first so Skeleton Fear takes over She tells me that he'll leave me or Ivan has someone else Ivan and I argue a lot but stay together It's an on again off again kind of relationship At one point it's off I don't see him for about two weeks We are both so miserable Ivan admits there were other things that came first I was shocked and so was Skeleton Fear The voices were angry Ivan moved in and things settled down Or so it seemed Leap Frog It's a year later Skeleton Water and Skeleton Fear have a new roommate Her name is Skeleton Cutter You see when I attempted suicide the first time I cut myself The voices rejoiced and danced and I fe
