the existence of this unique organization raised such as why the Nazis would promote Jewish music when in the rest of Germany it was banned The government's insistence that the League perform only Jewish music also presented the organization's leaders and membership with perplexing conundrums what exactly is Jewish music Who qualifies as a Jewish composer And if it is true that the Nazis conceived of the League as a propaganda tool did Jewish participation in its activities amount to collaboration Lily E Hirsch is Assistant Professor of Music at Cleveland State University
