Hopkin, 2015-11-19 Mormonism A Guide for the Perplexed explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion As The Church of Jesus Christ of Latter-day Saints continues to grow in the United States and especially in other countries with a total membership of over 15 million more than 50% of which is outside the US and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity this distinctive religious tradition has become increasingly an object of interest and inquiry This book is the ideal companion to the study of this perplexing and often misunderstood religion Covering historical aspects this guide takes a careful look at the whole of Mormonism its tenets and practices as well as providing an insight into a Mormon life **The Doctrine and Covenants** Joseph Smith (Jr.), 1923 *By the Gift and Power of God* Leo Kappa, 2018-06-12 Although Christian academics

such as Dr Stephen Webb Margaret Barker and Richard Mouw classify the Latter Day Saints as Christian most ordinary believing Christians remain unaware of just how very Christ centered the LDS Church is and what a strong position the church holds scripturally and theologically Many Christians today have never had the opportunity to consider the numerous Bible prophecies fulfilled by the Book of Mormon the prophet Joseph Smith the historic Christian apostasy and the prophecies of Gods great and marvelous latter day work which is a new dispensation to set things rightnamely the restoration we announce to the world Christians everywhere must be informed about what God has done for them in these times and why it was necessary as we all prepare for the glorious return of our Lord Jesus with a vast host of angels to judge the earth

Always Complicated Never Simple The Case of the Missing Commentary Much More than a Plural Marriage Revelation Isaiah 56 Abraham and the Temple Toward a Deeper Understanding How Onomastic Wordplay Aids Understanding Scripture What s in a Name Playing in the Onomastic Sandbox The Habeas Corpus Protection of Joseph Smith from Missouri Arrest Requisitions Missourian Efforts to Extradite Joseph Smith and the Ethics of Governor Thomas Reynolds of Missouri **The Bible, Mormon Scripture, and the Rhetoric of Allusivity** J. Frederick, 2016-05-05 One of the most pertinent questions facing students of Mormon Studies is gaining further understanding of the function the Bible played in the composition of Joseph Smith s primary compositions the Book of Mormon and the Doctrine and Covenants With a few notable exceptions such as Philip Barlow s *Mormons and the Bible* and Grant Hardy s *Understanding the Book of Mormon* full length monographs devoted to this topic have been lacking This manuscript attempts to remedy this through a close analysis of how Mormon scripture specifically the Book of Mormon and the Doctrine and Covenants integrates the writings of New Testament into its own text This manuscript takes up the argument that through the rhetoric of allusivity the allusion to one text by another Joseph Smith was able to bestow upon his works an authority they would have lacked without the incorporation of biblical language In order to provide a thorough analysis focused on how Smith incorporated the biblical text into his own texts this work will limit itself only to those passages in Mormon scripture that allude to the Prologue of John s gospel John 1 1 18 The choice of the Prologue of John is due to its frequent appearance throughout Smith s corpus as well as its recognizable language This study further argues that the manner in which Smith incorporates the Johannine Prologue is by no means uniform but actually quite creative taking at least four different forms Echo Allusion Expansion and Inversion The methodology used in this work is based primarily upon recent developments in intertextual studies of the Bible an analytical method that has proved to be quite effective in studying later author s use of earlier texts **Studies in Social Progress in the Gospel of the Kingdom**, 1913 **Interpreter: A Journal of Mormon Scripture, Volume 10 (2014)** Jeffrey M. Bradshaw, Daniel Oswald, Tanya Spackman, 2014-08-24 This is volume 10 2014 of *Interpreter A Journal of Mormon Scripture* published by The Interpreter Foundation It contains articles on a variety of topics including some notes on faith and reason dating Christ s birth Mary Whitmer s witness of the gold plates the LDS Church s polygamous past dissenters Book of Mormon anachronisms the comma in the Word of Wisdom Enos s adaptations of the onomastic wordplay of Genesis Mormonism and intellectual freedom differing investigative approaches of Jeremy Runnells and Jeff Lindsay a theological poem in the Book of Mormon and reading the scriptures geographically [Additional Studies in Mormonism and Masonry](#) Samuel H.
