Studies in the Apocalypse of John of Patmos Edyth Viola Sage Armstrong Hoyt, 1949 **The Apocalypse of John** Isbon Thaddeus Beckwith, 1922 **A Commentary on the Apocalypse of John** Edmondo F. Lupieri, 2006-11-09 Edmondo Lupieri's main goal in *A Commentary on the Apocalypse of John* is to introduce readers to the mental and spiritual world of John as both a first century Jew and a follower of Jesus. The fruit of over ten years of research, a constructive response to postmodern criticism and an academic best seller in its Italian edition, Lupieri's commentary offers both new proposals and traditional interpretations to shed light on this complex coda to the biblical message. In an illuminating preface, Lupieri discusses the strange world of the Apocalypse and promises an open commentary full of original treatments of knotty interpretive problems. Maintaining a strong historical perspective throughout, he examines the text of the Apocalypse line by line, paying careful attention to the Greek text, offering a new translation, making wide use of apocryphal, pseudepigraphal, and Qumran literature, and often analyzing John's Apocalypse as compared to other Jewish apocalypses. Thoughtful, thorough, and nonsectarian, Lupieri's *Commentary on the Apocalypse of John* will appeal to anyone with a serious interest in the meaning of the biblical text. *Studies in the Apocalypse of John of Patmos* Edyth Armstrong Hoyt, 1963 **Studies on the Apocalypse; Or, An Attempt to Elucidate the Revelation of St. John** H. S. L., 1838 *Studies in the Apocalypse of John of Patmos* Edyth Viola Sage Armstrong Hoyt, 1954 **Studies in the Apocalypse of John of Patmos** Edyth A. Hoyt, 1949

Studies in the Apocalypse of John of Patmos Edyth Viola Sage Armstrong Hoyt, 1944 *Revelation* Gerald L. Stevens, 2014-05-08. This three-part study covers the history of interpretation, theological foundations, and exegesis. Copious illustrations from the author's worldwide travels enhance discussion of Rome's emperors' empire and ideology as the premier horizon for understanding John's immediate context and meaning. Distinctive contributions include Stevens's effort to re-canonicalize Revelation by insisting on gospel concord, methodically interpreting all of Revelation through the lens of the seven churches, and showing how Revelation's imagery consistently relates more to the incarnation than the Parousia. Stevens bypasses traditional millennial options to argue that Revelation is passion millennial: the passion of Jesus predicates the passion of the church. Under Stevens's hands, Revelation becomes eminently sensible to the original audience and powerfully pertinent for today's church. **Parables of War** John W. Marshall, Canadian Corporation for Studies in Religion, 2001-11-19. Contending that its characterization as a Christian document has hindered interpretation, Marshall aims to uncover the formerly hidden Jewishness of the Book of Revelation of John. The focus is on four text complexes which describe the synagogue of Satan, those who keep the commandments of God, the 144,000 gathered on Zion, and the holy city. Coverage extends to a description of the social and cultural context of the diaspora during the Judean war. Marshall teaches early Christianity and Second Temple Judaism at the U of Toronto. John of Patmos Edyth Hoyt Armsrtong,1954 The Revelation of John James L. Resseguie,2009-04-01 As the only book of its kind in the New Testament Revelation can be difficult to understand and for readers without specialized training the historical critical approach used in many commentaries can provide more complication than illumination Here James Resseguie applies the easily understandable tools introduced in his primer on narrative criticism to this challenging book He shows how Revelation uses such features as rhetoric setting character point of view plot symbolism style and repertoire to construct its meaning This literary approach draws out the theological and homiletical message of the book and highlights its major unifying themes the need to listen well an overwhelmingly God centered perspective and the exodus to a new promised land Here is a valuable aid for pastor and serious lay reader alike **They Went Out from Us** Daniel R. Streett,2011 Most interpreters of 1 2 3 John believe that the author s opponents called antichrists deceivers and false prophets advocated gnostic or progressive doctrines that denied or downplayed the humanity of Jesus Christ and the importance of ethical behaviour and eventually split the Johannine community Against this consensus Streett argues that the opponents are former Jewish Christians who have left the community to return to the synagogue after renouncing their belief that Jesus is the Jewish Messiah **Studies in the Apocalypse of John of Patmos** Edyth Viola Sage Armstrong Hoyt,1944 **A Critical and Exegetical Commentary on the Revelation of St. John** Robert Henry Charles,1920 **Revelation** Grant R. Osborne,2002-11 A well respected New Testament scholar provides a substantive yet accessible commentary on this difficult and intriguing book of the Bible **Andrews University Seminary Studies** Andrews University. Seventh-Day Adventist Theological Seminary,2001 **Studies in the Gospel of John** George Peck Eckman,1907 **The ^AOxford Handbook of the Book of Revelation** Craig Koester,2020-06-12 The Book of Revelation holds a special fascination for both scholars and the general public The book has generated widely differing interpretations yet Revelation has surprisingly not been the focus of many single volume reference works The Oxford Handbook of the Book of Revelation fills a need in the study of this controversial book
