Clements,2011-12-15 This critical assessment of the book of Jeremiah enables the reader to rediscover many of the most profound and relevant features of Jeremiah s message and of the agonies and fears of those to whom it was first given The picture that emerges of the prophet is an intensely moving one often at variance with the conventional image of earlier popular reconstructions Having witnessed the loss of most of the treasured and revered religious support of his day Jeremiah discovered that the only secure foundation of hope is in God Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry **Studies on the Book of Daniel** John Nelson Darby,1864 Dictionary of Premillennial Theology Mal Couch,1996 More than 50 scholars combine their expertise to present a historical and topical dictionary of premillennial theology **Prophecy of Religion** John Skinner,2015-06-25 Excerpt from Prophecy of Religion Studies in the Life of Jeremiah When the Council of the Cunningham Lecture ship did me the honour of inviting me to be the Lecturer for 1920 leaving the choice of a subject to myself I gratefully accepted the appointment and offered a course on the life and writings of Jeremiah Had I been younger I should have preferred instead of adding another to the many books on Jeremiah which have recently appeared in English to try and break ground in some less frequented field of Old Testament theology As it was my choice was influenced by a long standing interest in the study of Jeremiah s work and personality as well as a hope that I might still be able to contribute something to an understanding of his message to his own age and to us The Lectures were delivered under the same title as the present volume in New College Edinburgh in the spring of 1920 and are now published in accordance with the terms of the Lectureship I have to express my

regret that publication has been unavoidably delayed beyond the allotted period and also to explain that in preparing the work for the press I have not only expanded the lectures but arranged the matter under other headings and in a somewhat different order In general however the substance of the six original lectures will be found in Chapters I and II III and IV VIII VI and VII XI XV and XVIII The remaining nine chapters are added in order to present a fuller picture of Jeremiah though still an incomplete one than was possible in the lectures About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
