

Studies in Jewish Civilization

The Jews of Eastern Europe

Edited by Leonard J. Greenspoon,
Ronald A. Simkins & Brian J. Horowitz

Studies In Jewish Civilization Volume 16

Cordelia Heß

Studies In Jewish Civilization Volume 16:

The Revolution of 1905 and Russia's Jews Stefani Hoffman, Ezra Mendelsohn, 2008-03-26 In this multidisciplinary volume leading historians provide new understanding of a time that sent shockwaves through Jewish communities in and beyond the Russian Empire and transformed the way Jews thought about the politics of ethnic and national identity **Holocaust**

Scholarship Michael R. Marrus, Milton Shain, Christopher R. Browning, Susannah Heschel, 2015-07-13 Leading international Holocaust scholars reflect upon their personal experiences and professional trajectories over many decades of immersion in the field Changes are examined within the context of individual odysseys including shifting cultural milieus and robust academic conflicts *Kabbalah in America* Brian Ogren, 2020-05-06 Kabbalah in America includes chapters from leading experts in a variety of fields and is the first ever comprehensive treatment of the title subject from colonial times until the present

Until recently Kabbalah studies have not extensively covered America despite America's centrality in modern and contemporary formations There exist scattered treatments but no inclusive expositions This volume most certainly fills the gap It is comprised of 21 articles in eight sections including Kabbalah in Colonial America Nineteenth Century Western Esotericism The Nineteenth Century Jewish Interface Early Twentieth Century Rational Scholars The Post War Counterculture Liberal American Denominationalism Ultra Orthodoxy American Hasidism and the Other and Contemporary American Ritual and Thought This volume will be sure to set the tone for all future scholarship on American Kabbalah

Jewish Public Culture in the Late Russian Empire Jeffrey Veidlinger, 2009-04-14 In the midst of the violent revolutionary turmoil that accompanied the last decade of tsarist rule in the Russian Empire many Jews came to reject what they regarded as the apocalyptic and utopian prophecies of political dreamers and religious fanatics preferring instead to focus on the promotion of cultural development in the present Jewish Public Culture in the Late Russian Empire examines the cultural identities that Jews were creating and disseminating through voluntary associations such as libraries drama circles literary clubs historical societies and even fire brigades Jeffrey Veidlinger explores the venues in which prominent cultural figures including Sholem Aleichem Mendele Moykher Sforim and Simon Dubnov interacted with the general Jewish public encouraging Jewish expression within Russia's multicultural society By highlighting the cultural experiences shared by Jews of diverse social backgrounds from seamstresses to parliamentarians and in disparate geographic locales from Ukrainian shtetls to Polish metropolises the book revises traditional views of Jewish society in the late Russian Empire **Jewish**

Soldiers in the Collective Memory of Central Europe Gerald Lamprecht, Eleonore Lappin-Eppel, Ulrich

Wyrwa, 2019-04-15 World War I marks a huge break in Central European Jewish history Not only had the violent wartime events destroyed Jewish life and especially the living space of Eastern European Jews but the impacts of war the geopolitical change and a radicalization of anti-Semitism also led to a crisis of Jewish identity Furthermore during the process of national self discovery and the establishing of new states the societal position of the Jews and their relationship to the state had to be

redefined These partially violent processes which were always accompanied by anti-Semitism evoked Jewish and Gentile debates in which questions about Jewish loyalty to the old and or new states as well as concepts of Jewish identity under the new political circumstances were negotiated This volume collects articles dealing with these Jewish and gentile debates about military service and war memory in Central Europe [How the Soviet Jew Was Made](#) Sasha Senderovich,2022-07-05 In post 1917 Russian and Yiddish literature films and reportage Sasha Senderovich finds a new cultural figure the Soviet Jew Suddenly mobile after more than a century of restrictions under the tsars Jewish authors created characters who traversed space and history carrying with them the dislodged practices and archetypes of a lost world *Charity in Jewish, Christian, and Islamic Traditions* Julia R. Lieberman,Michal Jan Rozbicki,2017-07-25 This collection of essays by a team of international scholars addresses the topic of Charity through the lenses of the three Abrahamic religions Judaism Christianity and Islam The contributors look for common paradigms in the ways the three faiths address the needs of the poor and the needy in their respective societies and reflect on the interrelatedness of such practices among the three religions They ask how the three traditions deal with the distribution of wealth in the recognition that not all members of a given society have equal access to it and in the relationship of charity to the inheritance systems and family structures They reveal systemic patterns that are similar norms virtue theological validations exclusionary rules private responsibility to society issues that have implications for intercultural and interfaith understanding Conversely the essays inquire how the three faiths differ in their understanding of poverty wealth and justifications for charity *Jewish Education* Ari Y Kelman,2024-05-17 Jewish education has been dominated by two concerns What ought to be taught And what is the best way to teach it This book upends the conventional approaches by asking a different question How do people learn to engage in Jewish life **New York Klezmer in the Early Twentieth Century** Joel Rubin,2020 The music of clarinetists Naftule Brandwein and Dave Tarras is iconic of American klezmer music Their legacy has had an enduring impact on the development of the popular world music genre Since the 1970s klezmer music has become one of the most popular world music genres at the same time influencing musical styles as diverse as indie rock avant garde jazz and contemporary art music Klezmer is the celebratory instrumental music that developed in the Jewish communities of eastern Europe over the course of centuries and was performed especially at weddings Brought to North America in the immigration wave in the late nineteenth century klezmer thrived and developed in the Yiddish speaking communities of New York and other cities during the period 1880 1950 No two musicians represent New York klezmer more than clarinetists Naftule Brandwein 1884 1963 and Dave Tarras 1897 1989 Born in eastern Europe to respected klezmer families both musicians had successful careers as performers and recording artists in New York Their legacy has had an enduring impact and helped to spur the revival of klezmer since the 1970s Using their iconic recordings as a case study *New York Klezmer in the Early Twentieth Century* looks at the inner workings of klezmer dance music from its compositional aspects to the minutiae of style Making use of historical and ethnographic

sources the book places the music within a larger social and cultural context stretching from eastern Europe of the nineteenth century to the United States of the present JOEL E RUBIN is Associate Professor of Music at the University of Virginia and an acclaimed performer of traditional klezmer music s in New York Their legacy has had an enduring impact and helped to spur the revival of klezmer since the 1970s Using their iconic recordings as a case study New York Klezmer in the Early Twentieth Century looks at the inner workings of klezmer dance music from its compositional aspects to the minutiae of style Making use of historical and ethnographic sources the book places the music within a larger social and cultural context stretching from eastern Europe of the nineteenth century to the United States of the present JOEL E RUBIN is Associate Professor of Music at the University of Virginia and an acclaimed performer of traditional klezmer music s in New York Their legacy has had an enduring impact and helped to spur the revival of klezmer since the 1970s Using their iconic recordings as a case study New York Klezmer in the Early Twentieth Century looks at the inner workings of klezmer dance music from its compositional aspects to the minutiae of style Making use of historical and ethnographic sources the book places the music within a larger social and cultural context stretching from eastern Europe of the nineteenth century to the United States of the present JOEL E RUBIN is Associate Professor of Music at the University of Virginia and an acclaimed performer of traditional klezmer music c sources the book places the music within a larger social and cultural context stretching from eastern Europe of the nineteenth century to the United States of the present JOEL E RUBIN is Associate Professor of Music at the University of Virginia and an acclaimed performer of traditional klezmer music

Time and Photography Jan Baetens, Alexander Streitberger, Hilde van Gelder, 2010 Despite our stereotypical ideas on photographic images as a snapshots slices of time photography is fundamentally a time based medium The relationships between photography and time are manifold time can be directly represented within the image it can be its theme and philosophical horizon but it can also represent the global framework in which photographic practices develop and change through time It is the ambition of this book to bring together the various aspect of time in photography as well as of photography in time and to illustrate them in a series of case studies that focus on seminal authors e g Fox Talbot Victor Burgin Robert Morris and genres e g spirit photography montage photobooks and tableau photography with examples ranging from the very first photographic pictures to the most recent cross medial uses of photography in and outside art

The Trilingual Literature of Polish Jews from Different Perspectives Alina Molisak, Shoshana

Ronen,2017-08-21 Are the literary works of Polish Jews one unified literature in three languages Yiddish Hebrew and Polish or is the literal corpus of each of these languages a separated literary and cultural phenomenon Twenty seven scholars from Europe the United States and Israel explore different aspects of the multilingual literature of Eastern European Jews with a particular focus on the trilingual literature of Polish Jews until World War II The work of the great Yiddish and Hebrew writer Isaac Leib Peretz 1852 1915 represents the center of the book though it does not concentrate solely on Peretz s work but rather discusses the oeuvre of other unique authors in the cultural space of Jews in Central and Eastern Europe generally and in Poland particularly The book looks at this issue from three aspects namely the literal cultural and historical and also examines the dialogue of Polish Jewish literature with other languages and cultures Dynamic Judaism Emanuel Goldsmith,Mel Scult,2024-10-22 Available in a new digital edition with reflowable text suitable for e readers Mordecai M Kaplan was born in a small Lithuanian town on the outskirts of Vilna on a Friday evening in June of 1881 Kaplan was raised in a predominately Jewish atmosphere which is shown by the fact that he knew his day of birth only by the Jewish calendar until he went to the New York Public Library as a young man to look up the corresponding date His family was extremely traditional and his father Israel Kaplan was a learned man Kaplan s concept of Judaism as an evolving religious civilization was widely influential in 20th century American Jewish life and his founding of the Reconstructionist Rabbinical College created a new denomination This book contains a biographical essay and excerpts from all of his major works The Food Movement, Culture, and Religion Jonathan Schorsch,2017-12-12 This book explores the cultural and religious politics of the contemporary food movement starting from the example of Jewish foodies their zeal for pig forbidden by Jewish law and their talk about why ignoring traditional precepts around food is desirable Focusing on the work of Michael Pollan Jonathan Schorsch questions the modernist materialist and rationalist worldview of many foodies and discusses their lack of attention to culture tradition and religion Wonder of Wonders Alisa Solomon,2013-10-22 A sparkling and eye opening history of the Broadway musical that changed the world In the half century since its premiere Fiddler on the Roof has had an astonishing global impact Beloved by audiences the world over performed from rural high schools to grand state theaters Fiddler is a supremely potent cultural landmark In a history as captivating as its subject award winning drama critic Alisa Solomon traces how and why the story of Tevye the milkman the creation of the great Yiddish writer Sholem Aleichem was reborn as blockbuster entertainment and a cultural touchstone not only for Jews and not only in America It is a story of the theater following Tevye from his humble appearance on the New York Yiddish stage through his adoption by leftist dramatists as a symbol of oppression to his Broadway debut in one of the last big book musicals and his ultimate destination a major Hollywood picture Solomon reveals how the show spoke to the deepest conflicts and desires of its time the fraying of tradition generational tension the loss of roots Audiences everywhere found in Fiddler immediate resonance and a usable past whether in Warsaw where it unlocked the taboo subject of Jewish history or in Tokyo where the producer asked how

Americans could understand a story that is so Japanese Rich entertaining and original Wonder of Wonders reveals the surprising and enduring legacy of a show about tradition that itself became a tradition Wonder of wonders miracle of miracles When and How the Jewish Majority in the Land of Israel Was Eliminated Rivka Shpak Lissak,2015-10-13 Imperialist Rome employed a policy of colonization and confiscation of Jewish land transferring it to foreigners who immigrated to the Land of Israel and settled there with the support of Roman governments Jewish resistance to Roman policies in the Great Revolt 66-70 and the Bar Kokhba Revolt 132-135 was cruelly suppressed Of a population of nearly 2.5 million Jews in the Land of Israel during the first century CE only 800,000 or so remained by the end of Roman occupation in the fourth century CE The Jewish majority in the Land of Israel was eliminated by war casualties the sale of prisoners of war in Roman slave markets throughout the empire and the flight of Jewish refugees In response to the Jewish resistance to Roman policies the Romans concentrated their attacks on elements central to the Jewish religion destroying the temple in Jerusalem and passing decrees against circumcision and the study of the Torah Renaming Judea as Syria Palaestina aimed to remove any surviving connection to the Jewish nation The Jewish minority in the Land of Israel continued to shrink during the centuries of Byzantine Arab Crusader and Mamluk occupations Jews preferred emigration over conversion **Bondage to the Dead** Michael C. Steinlauf,1997 Rather than having spent the last 50 years coming to terms with the magnitude of evil of the Holocaust this book is about a country that according to the author has largely ignored its participation and attempted to minimize its national memory of the event **The Jews of Eastern Europe** Philip M. and Ethel Klutznick Chair in Jewish Civilization. Symposium,2005 Most American Jews have roots in Eastern Europe The experiences of our nineteenth and twentieth century ancestors continue to influence in one way or another thinking about Jewish art literature theater education religious observance and political activities The Eastern European experience was far from monolithic for these Jews however and wide gaps separate the realities of their lives from the often idealized sometimes romanticized views still popular today This volume contains a series of lucidly written well argued essays that identify key features of Jewish life in Eastern Europe provide insight into its abiding relevance and comment on the history of related scholarship In the process these authors bring to life many little known as well as prominent individuals and the communities they inhabited and influenced With its solid scholarly foundations full annotations and graceful narratives this collection should appeal to general readers as well as specialists **A Rabbinic Commentary on the New Testament** Samuel Tobias Lachs,1987

The Medieval Archive of Antisemitism in Nineteenth-Century Sweden Cordelia Heß,2021-12-20 The significance of religion for the development of modern racist antisemitism is a much debated topic in the study of Jewish Christian relations This book the first study on antisemitism in nineteenth century Sweden provides new insights into the debate from the specific case of a country in which religious homogeneity was the considered ideal long into the modern era Between 1800 and 1900 approximately 150 books and pamphlets were printed in Sweden on the subject of Judaism and Jews About one

third comprised of translations mostly from German but to a lesser extent also from French and English Two thirds were Swedish originals covering all genres and topics but with a majority on religious topics conversion supersessionism and accusations of deicide and bloodlust The latter stem from the vastly popular medieval legends of Ahasverus Pilate and Judas which were printed in only slightly adapted forms and accompanied by medieval texts connecting these apocryphal figures to contemporary Jews ascribing them a physical essential and biological coherence and continuity a specific Jewish temporality shaped in medieval passion piety which remained functional and intelligible in the modern period Relying on medieval models and their combination of religious and racist imagery nineteenth century debates were informed by a comprehensive and mostly negative knowledge about Jews

[Encyclopedia of the Jewish Diaspora](#) M. Avrum Ehrlich, 2008-10-03 This three volume work is a cornerstone resource on the evolution and dynamics of the Jewish Diaspora as it played out around the world from its beginnings to the present Encyclopedia of the Jewish Diaspora Origins Experiences and Culture is the definitive resource on one of world history's most curious phenomena encompassing the communities cultures ethnicities and experiences created by the Diaspora in every region of the world where Jews live or Jewish ancestry exists The encyclopedia is organized in three volumes The first includes 100 essays on the Jewish Diaspora experience with coverage ranging from ethnography and demography to philosophy history music and business The second and third volumes feature hundreds of articles and essays on Diaspora regions countries cities and other locations With an editorial board of renowned Jewish scholars and with an extraordinarily accomplished team of contributors Encyclopedia of the Jewish Diaspora captures the full scope of its subject like no other reference work before it
