# Studies In The Labour Theory Of Value

**Ronald L. Meek**

## **Studies In The Labour Theory Of Value:**

**Studies in the Labor Theory of Value** Ronald L. Meek, 1956 This pioneering survey of the development of the labor theory of value advances Marxian economic categories for contemporary conditions

**Studies in the labour theory of value** Ronald L. Meek, 1971

**Studies in the Labour Theory of Value** Ronald L. Meek, 1979

**Studies in the Labour Theory of Value** Ronald Lindley Meek, 1984

*History of Economic Thought* E. K. Hunt, 2015-05-18 The new edition of this classroom classic retains the organizing theme of the original text presenting the development of thought within the context of economic history Economic ideas are framed in terms of the spheres of production and circulation with a critical analysis of how past theorists presented their ideas

**Studies in the Labor Theory of Value** Ronald Sindley Meeck, *Adam Smith's Theory of Value and Distribution* Jeffrey T. Young, 2023-12-12 Ever since the time of his early interpreters beginning with David Hume Adam Smith's theory of value has been the subject of confusion and misunderstanding including a controversy which still rages over whether Smith held a labour theory of value and if so whether he held to it throughout *Wealth of Nations* or if it was confined to the Early and Rude State This book provides a close reading of Smith's key text and also incorporates material from the other parts of Smith's oeuvre especially from *The Theory of Moral Sentiments* to yield original and important insights into Smith's theory of value The book operates on the assumption that Smith is proposing relatively simple ideas about price and takes a conventional view that simple Supply and Demand models can illuminate clearly and consistently with his text his theory of price Combining these elements the book argues that contra Marx Smith does not have a labour theory of value at all understood as a theory of the determination of the relative price structure Instead Smith is placed squarely in the supply and demand general equilibrium framework and the claim that he is part of a surplus tradition which receives its highest treatment in the work of Piero Sraffa is refuted This book will be of particular interest to Adam Smith specialists historians of economic thought and research economists who have an interest in Smith

**The Labour Theory of Value** Peter C. Dooley, 2005-05-24 Exploring the origins and development of the labour theory of value Peter Dooley examines its emergence from the natural law philosopher of the sixteenth and seventeenth century and its domination of the classical school of economics This book will prove to be essential reading for all students of the history of economics

**Marx's Critique of Political Economy Volume Two** Allen Oakley, 2013-11-05 Volume Two covers the years 1861-1863 when Marx consolidated and refined the arguments of his critique of political economy in his relatively neglected manuscripts *Theories of Surplus Value* Special attention is paid to the nature scope and limitations of Marx's critique and to the critique of Ricardo's *Principles*

[Historians of Economics and Economic Thought](#) Steven G. Medema, Warren J. Samuels, 2001-08-16 The history of economic thought has always attracted some of the brightest minds in the discipline These chroniclers of development have helped form our current views and it is no surprise that many among them have been at the forefront of new movements in the history of ideas This notable collection summarizes the work of these key historians

of **Adam Smith's Theory of Value and Distribution** Rory O'Donnell, 2016-02-05 This book looks at the value and distribution debates on the theories of Adam Smith A variety of the aspects of his work are covered in this book such as his labour command measure as are a number of interpretations and criticisms *History and Criticism of the Labor Theory of Value in English Political Economy* Albert Conser Whitaker, 1968 First published in 1904 as thesis Columbia University Bibliographical footnotes **Studies in the History of French Political Economy** Gilbert Faccarello, 2002-09-11 Studies in the History of French Political Economy considers the evolution of economic thought in France from the sixteenth to the twentieth century Gilbert Faccarello brings to the forefront those economists themes and controversies which are important in the context of recent research and about which new ideas can be developed Ricardo and the History of Japanese Economic Thought Susumu Takenaga, 2016-01-22 David Ricardo's theories were introduced in fragments in Japan after the Meiji restoration of 1868 and his work came into prominence late in comparison to other major thinkers figuring in the history of economic thought The book seeks to analyse the studies in Japan from the year 1920 to the end of the 1930s during the time before the outbreak of the Second World War when even the study of classical economics became difficult The book covers different aspects of his works and contains elements which may be interesting to foreign and even Japanese readers today without necessarily coming under the influence of Marx's reading It presents works on Ricardo that are at present wholly unknown to the Ricardo scholars and more generally to the historians of economic thought outside Japan This book is an essential read on the history of economic thought in Japan **Value and Unequal Exchange in International Trade** Andrea Ricci, 2021-05-19 Contrary to the claims made by neoliberal governments and mainstream academics this book argues that the huge increase in trade in recent decades has not made the world a fairer place instead the age of globalization has become a time of mass migration caused by increasing global inequality The theory of unequal exchange challenges the free trade doctrine claiming that transfers of value from poorer to richer countries are hidden behind apparently equivalent market transactions Following a critical review of the existing approaches the book proposes a general theory of unequal exchange in the light of an innovative reconstruction of Marx's international law of value in which money and exchange rates play a crucial role in decoupling value captured from value produced by different countries even in perfectly competitive world markets On this theoretical basis the book provides an empirical analysis of the international transfers of value in both traditional trade and Global Value Chains The resulting world mapping of unequal exchange shows the geographical hierarchy of capital global exploitation by revealing a world divided into two quite separate camps of donor and receiving countries the former being the poorer countries and the latter the richer countries This book is addressed to scholars and students of economics and social sciences as well as activists of the North and the South interested in a better understanding of the asymmetric power relations implied in global trade It makes a significant contribution to the literature on political economy trade Marxism international relations and economic geography Karl Marx's Economics John

Cunningham Wood,2004-11      **Arguments for Socialism** Paul Cockshott,David Zachariah,2012-04-06 This book is made up of a collection of articles written by us over the period since the fall of die Mauer and the crisis of the European socialist movement brought on in its wake They record an attempt to argue through the theoretical challenges that this period has posed Why did both Leninist communism and social democracy come to crisis What were the economic weaknesses of both and what economic policy should a future socialist movement adopt to overcome these How can the struggle for popular democracy be integrated into the goals of a new movement      **Studies in the History of Latin American Economic Thought** Oreste Popescu,1997 This is the first study of the development of economic thought in Latin America It traces the development of economic ideas during five centuries and across the whole continent It addresses a wide range of approaches to economic issues including the scholastic tradition in Latin American economies the quantity theory of money cameralism human capital theory      **Georg Lukács and the Possibility of Critical Social Ontology** Michael J. Thompson,2019-12-16 Georg Luk cs was one of the most important intellectuals and philosophers of the 20th century His last great work was an systematic social ontology that was an attempt to ground an ethical and critical form of Marxism This work has only now begun to attract the interest of critical theorists and philosophers intent on reconstructing a critical theory of society as well as a more sophisticated framework for Marxian philosophy This collection of essays explores the concept of critical social ontology as it was outlined by Georg Luk cs and the ways that his ideas can help us construct a more grounded and socially relevant form of social critique This work will of special interest to social moral and political philosophers as well as those who study critical theory social theory and Marxism It is also of interest to those working within the area of social ontology Contributors include Mario Duayer Andreas Giesbert Christoph Henning Antonino Infranca Reha Kadakal Endre Kiss Michael Morris Michalis Skomvoulis Matthew J Smetona Titus Stahl Thomas Telios Michael J Thompson Murillo van der Laan Miguel Vedda Claudius Vellay      Foreign Trade Criteria in Socialist Economies Andrea Boltho,1971-01-02

## Studies In The Labour Theory Of Value Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Studies In The Labour Theory Of Value free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Studies In The Labour Theory Of Value free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Studies In The Labour Theory Of Value free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Studies In The Labour Theory Of Value. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a

vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Studies In The Labour Theory Of Value any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Studies In The Labour Theory Of Value Books

1. Where can I buy Studies In The Labour Theory Of Value books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Studies In The Labour Theory Of Value book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
