## Studio St Petersburg:

*Studio International*, 1911      *Motion Picture Paradise* David Morton, 2025-09-16 Highlighting Florida's essential often overlooked role in shaping American film and television *Motion Picture Paradise* is a sweeping story of filmmaking in Florida featuring the activities of studios and filmmakers across the peninsula by looking at the many iconic films and television shows shot in the state In the early years of the American film industry Florida was a favorite location for pioneer movie makers and David Morton chronicles the state's importance to producers throughout the next 125 years Often overshadowed by the well known entertainment industries of Hollywood and New York Florida has over time had several major film production centers Morton follows the rise and fall of filmmaking destinations across the state including Jacksonville St Augustine Tampa Bay Orlando and Miami as well as pioneering underwater and location based films shot at Florida's unique natural springs He argues that conflicting policies set by Florida politicians have at various times enticed or pushed away movie and television companies a pattern that has hampered serious investment Using a wealth of source materials Morton offers a comprehensive history that demonstrates how films and television shows made in Florida have influenced the state's sense of identity drawing attention to Florida's underacknowledged role as the third coast in American film history *Motion Picture Paradise* adds new insights into the state's dramatic social and economic transformations during the twentieth century      *Federal Communications Commission Reports. V. 1-45, 1934/35-1962/64; 2d Ser., V. 1- July 17/Dec. 27, 1965-.* United States. Department of Commerce. Radio Division, 1931      The Routledge Companion to Vsevolod Meyerhold Jonathan Pitches, Stefan Aquilina, 2022-11-09 The Routledge Companion to Vsevolod Meyerhold brings together a wealth of scholarship on one of the foremost innovators in European theatre It presents a detailed picture of the Russian director's work from when it first emerged on the modern stage to its multifarious present day manifestations By combining an historical focus with the latest contemporary research from an international range of perspectives and authors this collection marks an important moment in Meyerhold studies as well as offering a new assessment of his relation to today's theatre making Its dynamic blend of research is presented in five sections Histories enlarges on more conventional subjects like the grotesque and Biomechanics to overlooked topics such as Meyerhold's failed projects and his work in film Collaborations and Connections extends understandings of Meyerhold's well known collaborative capacities to consider new cultural influences and lesser known working relationships Sources engages with hitherto untapped material in Meyerhold's

oeuvre by reproducing and contextualising previously untranslated primary sources on his work Practitioner Voices offer lively on the ground testimony of the contemporary impact of Meyerhold's practice Meyerhold in New Contexts maps the routes of his practice across continents and examines ways in which his work is being applied in a number of contemporary scenarios such as motion capture computer based 3D visualisations and the new normal of digital pedagogy This is a key resource for students and scholars of European Theatre acting theory and actor training as well as for those more broadly interested in the socio political impact of theatre
